

## Who Was Davy Crockett

Describes the life and the legend of Davy Crockett, a backwoodsman who became a frontier hero.

Growing up in Greene County, Tennessee, Davy Crockett's education came from the toil of hard labor. Working as a farm hand and wagon driver, he learned about the people and the land of the West -- and he was captivated. The untamed wilderness, the sound of wild animals, and the roar of the river would be his destiny. One of America's best-known folk heroes, Crockett served as a frontiersman, a scout, a soldier, and a politician in the U.S. Congress. He died defending the Alamo, a steadfast citizen and heroic leader to the very end.

The tale of Davy Crockett's colorful life, his childhood in Tennessee, his war heroism, his political life, and his final fight at the Alamo.

Traces the author's visits to key areas in the life of Davy Crockett including the legendary figure's Tennessee River Valley home, the Washington, D.C. region where he served three terms in Congress and the Alamo site in Texas, in an account that explores Crockett's true life and enduring cultural influence. 20,000 first printing.

Perhaps no other figure in American history is more shrouded in myth and legend than David ("Davy") Crockett, the Tennessee frontiersman whose death at the Alamo in 1836 ensured his place in the Valhalla of American heroes. Crockett himself was responsible for much of the folklore about his life. A gregarious, fun-loving man, he was more than capable of spinning tall tales over a "horn" of liquor. The truth of his life, as William Groneman emphasizes in this book, was far more fascinating than the myth. David Crockett was a true self-made man who left home at the age of twelve. His adventures--hunting and exploring, serving as a soldier under Andrew Jackson in the Creek Indian War of 1813, a political career that took him to the United States Congress, an incessant search for "elbow room" that drew him to Texas--these were the real fabric of a heroic life. In writing of the "historical Crockett," Groneman, a world authority on the Alamo and its defenders, dispels the myths to uncover the genuine hero. He writes at length of the defense of the Alamo, describes how Crockett's reputation and heroism have been tainted by revisionist historians, and presents new evidence that the Tennessean actually left the Alamo during the siege to bring in reinforcements. Although safely outside the walls, he fought his way back in to rejoin his friends for the final, fatal, battle. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A biography of the legendary frontiersman, soldier and martyr examines his life--from hunting bears in the unspoiled countryside to helping defend the Alamo--and aims to dispel long-held myths.

This easy-reading autobiography of bear hunting and Indian fighting — written in 1834, two years before Crockett met his fate at the Alamo — popularized tall tales of the frontier.

Presents the frontiersman's autobiography which provides insight into the language, events, and characteristics of that period in American history.

The true story of Davy Crockett's life as a scout, statesman, and soldier.

The My Itty-Bitty Bio series are biographies for the earliest readers. This book examines the life of Davy Crockett in a simple, age-appropriate way that will help children develop word recognition and reading skills. Includes a timeline and other informative backmatter.

Finalist for the Spur Award: The thrilling adventures of an American icon come alive in this vivid and authentic retelling of his remarkable story From humble beginnings in rural Tennessee to his heroic death defending the Alamo, frontiersman, adventurer, and politician David "Davy" Crockett embodies the spirit and ideals of the national character. Even during his lifetime, tales of the sharpshooting, skilled woodsman were—to his delight—told, retold, and elaborated on. As a US congressman, the former Creek War militiaman steadfastly opposed President Andrew Jackson's Indian Removal Act. As a soldier, he made the ultimate sacrifice fighting for an independent Texas. Nearly two centuries after his untimely demise, he remains a legendary figure in American lore. In this fictional account of Crockett's life, author Cameron Judd offers a nuanced portrait of the man behind the myth. He depicts Crockett's triumphs as a hunter, cattle drover, warrior, and legislator in riveting detail and poignantly illustrates his subject's hardscrabble youth and complicated relationship with his father. Meticulously researched and rich in vibrant action, Crockett of Tennessee captures the charisma, ambition, and bravery of the man known as the "King of the Wild Frontier."

A biography of the famous frontiersman and Congressman, focusing on his childhood.

Debunks commonly held myths about Crockett, depicting him as an impoverished farmer and a rustic member of the House of Representatives who incurred the wrath of President Jackson

Davy Crockett's life on the frontier, accomplishments as a soldier, and career as a politician are expertly detailed through the letters of the alphabet. In entries such as A is for Alamo; K is for Benjamin Kitchen, Crockett's first schoolmaster; and B is for Betsy, the name of his famous rifle, Crockett comes to life in this biography for young readers. Complete with a timeline of important events in Crockett's life and vibrant illustrations, this read is a must for young students of the legendary man.

A New York Times bestseller! "Lively and absorbing. . ." — The New York Times Book Review "Engrossing." —Wall Street Journal

"Entertaining and well-researched . . ." —Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep.

There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as Forget the Alamo definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. Forget the Alamo provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

Surveys the life of the American frontiersman who became a member of Congress and died trying to defend the Alamo.

Experience the thrilling journey of West Tennessee's David Crockett as he rises from frontier to fame to international icon. Using his wits, sense of humor, and common sense, David Crockett rose from the West Tennessee frontier during the divisive Jacksonian Era to become the first American celebrity. Early newspaper editors quickly found that his name and exploits--often exaggerated--led to increased sales, while the first biography about his life, printed while he was still living, became an instant bestseller. He even brokered some of the first licensing deals that reproduced his image and signature on prints and made them available to his fans. Talented men and women who were creating

the American arts from scratch found in Crockett a muse who reflected how many in the country wanted to see themselves. They put him in books, plays, songs, and poems. Then, Americans made him a superhero. And there was substance to his style. As a member of Congress, he had a front-row seat as second and third generations of Americans took the torch of Democracy from the country's founding fathers and mothers and struggled to keep it burning. His list of friends and enemies was long and included notables like Andrew Jackson, Sam Houston, Henry Clay, and James K. Polk. As with celebrities who would come later like James Dean, Marilyn Monroe, and Elvis Presley, Crockett's tragic death would occur too early and fuel his transition from celebrity to icon. Decades later, Walt Disney introduced his own version of "Davy" and ignited a licensed product phenomenon unlike anything that had ever been seen before and rarely since. In *The Accidental Fame and Lack of Fortune of West Tennessee's David Crockett*, R. Scott Williams uncovers what propelled this meteoric rise from frontier to fame, while also examining the birth of Tennessee during one of the most fascinating periods in American history.

Vol. 3: A supplement, edited by Eldon Stephen Branda.

Using primary sources, a life of an American legend reflects on his extraordinary journey from growing up in the backwoods of Tennessee to becoming a congressman, and includes information on his role in the Battle of the Alamo.

Davy Crockett stops the evil Halley's Comet from destroying the world and wins the heart of Sally Sugartree in the process.

Davy Crockett has been America's best-known folk hero for at least 160 years. This informed biography by James Atkins Shackford first appeared in 1956, at the height of the television-inspired Crockett craze. As Michael Lofaro notes in his introduction, "Shackford faced the monumental task of rescuing a nearly unknown David Crockett from the obscurity caused by the popularity of the earlier legendary Davys and deepened by Disney." He succeeded memorably, restoring David Crockett of Tennessee, a true pioneer and colorful figure even without romantic trappings.

Perform this American tall tale about how Davy Crockett moved the sun.

David "Davy" Crockett (August 17, 1786 - March 6, 1836) was a 19th-century American folk hero, frontiersman, soldier, and politician. He is commonly referred to in popular culture by the epithet "King of the Wild Frontier." He represented Tennessee in the U.S. House of Representatives, served in the Texas Revolution, and died at the Battle of the Alamo. Crockett grew up in East Tennessee, where he gained a reputation for hunting and storytelling. After being made a colonel in the militia of Lawrence County, Tennessee, he was elected to the Tennessee state legislature in 1821. In 1825, Crockett was elected to the U.S. Congress, where he vehemently opposed many of the policies of President Andrew Jackson, most notably the Indian Removal Act. Crockett's opposition to Jackson's policies led to his defeat in the 1831 elections. He won again in 1833, then narrowly lost in 1835, prompting his angry departure to Texas (then the Mexican state of Tejas) shortly thereafter. In early 1836, Crockett took part in the Texas Revolution and was killed at the Battle of the Alamo in March. Crockett became famous in his own lifetime for larger-than-life exploits popularized by stage plays and almanacs. After his death, he continued to be credited with acts of mythical proportion. These led in the 20th century to television and movie portrayals, and he became one of the best-known American folk heroes.

Describes the life and career of Davy Crockett, focusing on his work as a scout and pioneer in the early nineteenth century and his legendary death at the Alamo in 1836.

Davy Crockett, the King of the Wild Frontier, is a man of legend. He is said to have killed his first bear when he was three years old. His smile alone killed another, and he skinned a bear by forcing him to run between two trees. Fact or fiction? Find out the real story of this folk hero, who did love to hunt bears, served as a congressman for Tennessee, and fought and died at the Alamo.

Act out the story of Davy Crockett, the legendary frontiersman, with this engaging Reader's Theater script! The roles in this script correspond with different reading levels, allowing teachers to use differentiation and English language learner strategies to assign specific roles to students, accommodating all reading levels. Through performance, students will practice important skills like reading aloud, interacting cooperatively, and using expressive voices and gestures. Additionally, students can recite a poem or sing a catchy song about Davy Crockett to continue practicing fluency at the end of the story. By connecting to popular children's literature in a lively way and enabling active participation, this script makes rereading an enjoyable and engaging activity. This colorful, leveled script is the perfect tool to get all students to participate and build fluency.

Who Was Davy Crockett? Penguin

David Crockett was an adventurer, a pioneer, and a media-savvy national celebrity. In his short-but-distinguished lifetime, this charismatic frontiersman won three terms as a U.S. congressman and a presidential nomination. His 1834 memoir enjoyed frenzied sales and prompted the first-ever "official" book tour for its enormously popular author. Down-to-earth, heroic and independent to a fault, the real Crockett became lost in his own hype, and he's been overshadowed by a larger-than-life, pop-culture character in a coonskin cap. Now, *American Legend* debunks the tall tales to reveal the fascinating truth of Crockett's hardscrabble childhood, his near-death experiences, his unlikely rise to Congress, and the controversial last stand at the Alamo that mythologized him beyond recognition. In this beautifully written narrative, Crockett emerges as never before: a rugged individual, a true American original, and an enduring symbol of the Western frontier. "A great myth-busting story [that] presents Davy Crockett as a man of genius and folly, which has the unlikely effect of making him all the more heroic."—Martin Dugard, author of *The Last Voyage of Columbus and Into Africa: The Epic Adventures of Stanley and Livingstone* "As spellbinding and dramatic as any novel and as compelling as any reportage."—Peter Hoffer, Distinguished Research Professor of History, The University of Georgia

"An illustrated biography of famous frontiersman Davy Crockett, who died at the Alamo"--

David "Davy" Crockett was the most famous frontiersman to come out of the 19th century. John Abbott published this complete biography of Crockett in 1874 in which he discusses his early life, his times as a soldier, Indian warfare, his adventures in the forest on the river and all of the events which ultimately led to him fighting and dying at the Alamo.

On March 6, 1836 one of the most well-known Americans of his time fought and died in one of America's most celebrated battles. In recent years the fate of David Crockett at the Alamo has become a subject of controversy and debate.

An A-to-Z historical encyclopedia of US people, places, and events, with nearly 1,000 entries "all equally well written, crisp, and entertaining" (Library Journal). From the origins of its native peoples to its complex identity in modern times, this unique alphabetical reference covers the political, economic, cultural, and social history of America. A fact-filled treasure trove for history buffs, *The Reader's Companion* is sponsored by the Society of American Historians, an organization dedicated to promoting literary excellence in the writing of biography and history.

Under the editorship of the eminent historians John A. Garraty and Eric Foner, a large and distinguished group of scholars, biographers, and journalists—nearly four hundred contemporary authorities—illuminate the critical events, issues, and individuals that have shaped our past. Readers will find everything from a chronological account of immigration; individual entries on the Bull Moose Party and the Know-Nothings as well as an article on third parties in American politics; pieces on specific religious groups, leaders, and movements and a larger-scale overview of religion in America. Interweaving traditional political and economic topics with the spectrum of America's social and cultural legacies—everything from marriage to medicine, crime to baseball, fashion to literature—the Companion is certain to engage the curiosity, interests, and passions of every reader, and also provides an excellent research tool for students and teachers.

Offers young readers a look at the facts, fables, and myths surrounding this celebrated character of American history who became famous for

his courage and fearlessness as a soldier during the battle at the Alamo. Simultaneous.
