

Who Was Sacagawea

Kessler supplies both the biography of a legend and an explanation of why that legend has endured. Sacagawea is one of the most renowned figures of the American West. A member of the Shoshone tribe, she was captured by the Hidatsas as a child and eventually became one of the wives of a French fur trader, Toussaint Charbonneau. In 1805 Charbonneau joined Lewis and Clark as the expedition's interpreter. Sacagawea was the only woman to participate in this important mission, and some claim that she served as a guide when the expedition reached the upper Missouri River and the mountainous region. Although much has been written about the historical importance of Sacagawea in connection with the expedition, no one has explored why her story has endured so successfully in Euro-American culture. In an examination of representative texts (including histories, works of fiction, plays, films, and the visual arts) from 1805 to the present, Kessler charts the evolution and transformation of the legend over two centuries and demonstrates that Sacagawea has persisted as a Euro-American legend because her story exemplified critical elements of America's foundation myths-especially the concept of manifest destiny. Kessler also shows how the Sacagawea legend was flexible within its mythic framework and was used to address cultural issues specific to different time periods, including suffrage for women, taboos against miscegenation, and modern feminism.

Sacagawea was only sixteen when she made one of the most remarkable journeys in American history, traveling 4500 miles by foot, canoe, and horse-all while carrying a baby on her back! Without her, the Lewis and Clark expedition might have failed. Through this engaging book, kids will understand the reasons that today, 200 years later, she is still remembered and immortalized on a golden dollar coin.

A concise look at the legendary Shoshone woman who led explorers Lewis and Clark on their route from the Dakotas to the Pacific Ocean. Born in the Rocky Mountains, Sacagawea was taken captive and held hundreds of miles away from home for years. When Meriwether Lewis and William Clark came through her new village, Sacagawea was offered as a guide since the explorers were heading toward Shoshone territory, where she was from. Pregnant with her first child and the only woman on the expedition, she accompanied them through the frigid winter of 1804-05 and gave birth to her son as the group traveled west. Her knowledge of the land, interpretation skills, and diplomatic manner were of great use to the team and helped ensure a successful voyage. This child friendly narrative of Sacagawea's intrepid life contains memorable facts, history, and context, accompanied by elegant illustrations. Back matter includes a timeline, author's note, and bibliography.

Sacagawea's Child follows the life of Jean-Baptiste Charbonneau, a boy born at the forefront of westward expansion in

the early nineteenth century. Author Susan M. Colby details Charbonneau family history, analyzing the characters and cultures of Jean-Baptiste's father, Toussaint, a French fur trader, and Sacagawea, his Shoshoni and Hidatsa mother. By turns a mountain man, interpreter, guide, hotel operator, and gold miner, "Pomp" remained on the western frontier nearly all of his life. This first complete biography offers historians and general readers a thought-provoking study of this unique American and the cultures and times that molded him.

Describes the travels of Meriwether Lewis and William Clark and their Corps of Discovery and its importance in relation to American Indian tribes and the westward expansion in the United States.

W. Dale Nelson offers a frank and honest portrayal of Toussaint, suggesting his character has perhaps been judged too harshly. He was indeed valuable as an interpreter and no doubt helpful with his knowledge of the Indian tribes the group encountered. And with his experience as a fur trader, he always seemed to strike a better bargain than his companions. Captured by her enemies, married to a foreigner, and a mother at age sixteen, Sacajawea lived a life of turmoil and change. Then in 1804, the mysterious young Shoshone woman known as Bird Woman met Meriwether Lewis and William Clark. Acting as interpreter, peacemaker, and guide, Sacajawea bravely embarked on an epic journey that altered history forever. Hear her extraordinary story, told by Sacajawea and by William Clark, in alternating chapters and including parts of Clark's original diaries. •Authentic telling by an American Book Award winner and winner of the Lifetime Achievement Award of the Native Writers Circle of The Americas •Includes a black-and-white map showing Lewis and Clark's trail •Told in the compelling voices of Sacajawea and William Clark—in alternating chapters—for two unique viewpoints •Sacajawea was commemorated in the year 2000 with a U.S. Treasury dollar coin bearing her likeness *Includes pictures of important people, places, and events. *Includes passages from the journals of Lewis and Clark. *Explains Sacagawea's role in the expedition and the legends of her life and death. *Includes a Bibliography for further reading. "Your woman who accompanied you that long dangerous and fatiguing rout to the Pacific Ocean and back deserved a greater reward for her attention and services on that rout than we had in our power to give her at the Mandans." - William Clark in a letter to Sacagawea's husband "Ocean in view! O! The Joy!" - William Clark, journal entry dated November 7, 1805 It is the most fabled and storied journey in American history. From 1804-1806, the first expedition across the North American continent was commissioned by President Thomas Jefferson, who had recently bought a vast swath of territory from France. Though he knew he had bought a huge amount of land, Jefferson wasn't entirely sure of what he had bought, so he asked a team led by Meriwether Lewis and William Clark to traverse the continent until they reached the Pacific, studying everything from the ecology to geography along the way to get an understanding of the country's new region. Lewis and Clark would find far more than they bargained for. The 33

members who made the trip came into contact with about two dozen Native American tribes, many of whom helped the men survive the journey. Though they suffered deaths on their way west, the group ultimately reached the Pacific coast and got back to St. Louis in 1806, having drawn up nearly 150 maps and giving America a good idea of much of what lay west. Sacagawea is one of the most famous Native American women in American history, and few played such a central role in the settlement of the West for the young nation. As a young woman who was married to a French trapper from Quebec, Sacagawea happened to be in the right place at the right time for the legendary Lewis and Clark expedition, which set off for the Pacific coast after President Thomas Jefferson negotiated the Louisiana Purchase with France. The young Shoshone girl acted as a guide and interpreter for the expedition, helping it safely travel thousands of miles west from North Dakota to the Pacific over unfamiliar ground and amongst unfamiliar peoples. Put simply, the expedition could not have succeeded without her. Sacagawea's role in the Lewis and Clark expedition made her a national figure, and she continued to be popularized in literature and even among groups advocating for women's rights. Sacagawea is still taught to every American in school and stands alongside Pocahontas as the most famous Native American women, even though few people knew much about her life aside from her role in the trek. For that reason, few truly know about her life, her tribe, or her death, the latter of which is still controversial. At the same time, given the history and conflicts between the United States and various Native American tribes during the 19th century, Sacagawea's role in helping the nation push westward at the expense of Native Americans has taken on a more mixed and controversial character. Sacagawea and the Lewis & Clark Expedition profiles the lives, legends, and legacies of the famous explorers and their expedition, Along with excerpts from contemporary accounts, a bibliography and pictures of important people, places, and events, you will learn about the Lewis & Clark Expedition like you never have before, in no time at all.

Describes how Sacagawea found adventure guiding Lewis and Clark to the Oregon coast.

"Well-behaved women seldom make history." -Laurel Thatcher Ulrich Many awe-inspiring women have changed the course of history. From fighting for social justice and women's rights to discovering and shaping our amazing country, women have left an indelible mark on our past, present, and future. But it's not easy to affect change, and these women didn't always play by the rules to make a difference! Kathleen Krull blends history and humor in this accessible young biography series. Sacajawea was only sixteen when she made one of the most remarkable journeys in American history. She traveled over four thousand miles by foot, canoe, and horse-all while carrying a baby on her back! Without her, the Lewis and Clark expedition might have failed. Two hundred years later, we still can see how her unique journey demonstrated the strength and value of women.

Sacagawea's life is shrouded in mystery. Although she died around the age of 24, her role as a guide and interpreter

during the Lewis and Clark Expedition have landed her a permanent place in history. Readers explore the history of Sacagawea and the Lemhi Shoshone people, learning how she and her tribe were forever changed by the arrival of Europeans in their land. However, readers also learn how her contributions affected the course of United States history. With its focus on social studies, this historical biography brings important classroom concepts to life. Primary sources, historical artwork, sidebars, and a timeline complement the text's information-rich content.

*Includes pictures of historic art depicting Pocahontas, Sacagawea and other important people and places. *Discuss the legends and myths that have become part of their legacies. *Include accounts of Pocahontas and Sacagawea written by John Smith, Lewis and Clark, and the Native Americans themselves. *Includes bibliographies for further reading. The life of Pocahontas fulfills a specific role in American culture and history. Her short life holds a bittersweet tragedy that is part of the mythology of Native America, especially the first encounters between English settlers and the local native tribes. The meaning of her name, "little plaything" or "little wanton," suggests that she was destined to be bandied about by the powers in her life. The men of the time simply assumed a young Native American girl did not deserve or even want respect. She had many other names, however, some which would have never been known to people outside her tribe, let alone European colonists. What historians do know is Pocahontas was also known as Matoaka, she was born sometime in 1595, and she was the daughter of the paramount chief (mamanatowick) Powhatan, leader of an Algonquian-speaking native group. She grew up in Tsenacomacha, the "densely inhabited Land" of eastern Virginia, where English explorers and settlers under the leadership of Lord Newport yearned to find a passage to the "other sea." The English settlers were also ready to play the role of the legendary Spanish conquistadors and hoping to find hidden gold in the region. Nevertheless, generations of Americans and English have been taught that Pocahontas was part of a unique fairytale, saving the life of explorer John Smith and later becoming his wife. While their relationship has been the subject of countless historical texts and even children's books, it has no historical basis in fact. There is still even some doubt over whether she saved his life in the famous encounter that has ensured her name remains instantly recognizable nearly 400 years after her death. Sacagawea is one of the most famous Native American women in American history, and few played such a central role in the settlement of the West for the young nation. As a young woman who was married to a French trapper from Quebec, Sacagawea happened to be in the right place at the right time for the legendary Lewis and Clark expedition, which set off for the Pacific coast after President Thomas Jefferson negotiated the Louisiana Purchase with France. The young Shoshone girl acted as a guide and interpreter for the expedition, helping it safely travel thousands of miles west from North Dakota to the Pacific over unfamiliar ground and amongst unfamiliar peoples. Put simply, the expedition could not have succeeded without her. Sacagawea's role in the Lewis and Clark expedition made

her a national figure, and she continued to be popularized in literature and even among groups advocating for women's rights. Sacagawea is still taught to every American in school and stands alongside Pocahontas as the most famous Native American women, even though few people knew much about her life aside from her role in the trek. For that reason, few truly know about her life, her tribe, or her death, the latter of which is still controversial. At the same time, given the history and conflicts between the United States and various Native American tribes during the 19th century, Sacagawea's role in helping the nation push westward at the expense of Native Americans has taken on a more mixed and controversial character. Pocahontas & Sacagawea profiles the lives and legacies of the famous Native American girls. Along with pictures of important people, places, and events, you will learn about Pocahontas & Sacagawea like never before.

Explore one of the most recognized figures in American history with this biography of Sacagawea. Kids will learn about her crucial role in the Lewis and Clark expedition and her influential legacy. The level 3 text provides accessible, yet wide-ranging, information for independent readers.

Particularly valuable for Ronda's inclusion of pertinent background information about the various tribes and for his ethnological analysis. An appendix also places the Sacagawea myth in its proper perspective. Gracefully written, the book bridges the gap between academic and general audiences.

The diaries and personal accounts of William Clark, Meriwether Lewis, and other members of their expedition chronicle their epic journey across North America in search of a river passage to the Pacific Ocean and describe their encounters with the Native American peoples of the West, exotic flora and fauna, and amazing natural wonders.

Clad in a doeskin, alone and unafraid, she stood straight and proud before the onrushing forces of America's destiny: Sacajawea, child of a Shoshoni chief, lone woman on Lewis and Clark's historic trek -- beautiful spear of a dying nation. She knew many men, walked many miles. From the whispering prairies, across the Great Divide to the crystal capped Rockies and on to the emerald promise of the Pacific Northwest, her story over flows with emotion and action ripped from the bursting fabric of a raw new land. Ten years in the writing, SACAJAWEA unfolds an immense canvas of people and events, and captures the eternal longings of a woman who always yearned for one great passion -- and always it lay beyond the next mountain.

How much do you know about Sacagawea? Find out the facts you need to know about this American Indian who helped guide the Lewis and Clark Expedition. You'll learn about the early life, challenges, and major accomplishments of this important American.

Sacagawea, the only Indigenous person included in Lewis and Clark's historic expedition, is the 13th hero in the New

York Times bestselling picture book biography series for ages 5 to 8. Sacagawea was the only girl, and the only Native American, to join Lewis and Clark's Corps of Discovery, which explored the United States from the Mississippi River all the way to the Pacific Ocean in the early 1800s. As a translator, she helped the team communicate with members of the Shoshone nation across the continent, carrying her child on her back the whole way. By the time the expedition arrived at the west coast, Sacagawea had proved that she truly was a trailblazer. This friendly, fun biography series inspired the PBS Kids TV show *Xavier Riddle and the Secret Museum*. One great role model at a time, these books encourage kids to dream big. Included in each book are:

- A timeline of key events in the hero's history
- Photos that bring the story more fully to life
- Comic-book-style illustrations that are irresistibly adorable
- Childhood moments that influenced the hero
- Facts that make great conversation-starters
- A character trait that made the person heroic and that readers can aspire to

You'll want to collect each book in this dynamic, informative series!

In the saga of early western exploration a young Shoshoni Indian girl named Sacajawea is famed as a guide and interpreter for the Lewis and Clark Expedition to the Far Northwest between 1804 and 1806. Her fame rests upon her contributions to the expedition. In guiding them through the wilderness, in gathering wild foods, and, above all, in serving as an ambassadress to Indian tribes along the way she helped to assure the success of the expedition. This book retraces Sacajawea's path across the Northwest, from the Mandan Indian villages in present-day South Dakota to the Pacific Ocean, and back. On the journey Sacajawea was accompanied by her ne'er-do-well French-Canadian husband, Toussaint Charboneau, and her infant son, Baptiste, who became a favorite of the members of the expedition, especially Captain William Clark. The author presents a colorful account of Sacajawea's journeys with Lewis and Clark and an objective evaluation of the controversial accounts of her later years.

The Legacy and Legend of Sacagawea primary source reader builds literacy skills while offering engaging content across social studies subject areas. Primary source documents provide an intimate glimpse into what life was like during the 1800s. This nonfiction reader can be purposefully differentiated for various reading levels and learning styles. It contains text features to increase academic vocabulary and comprehension, from captions and bold print to index and glossary. The "Your Turn!" activity will continue to challenge students as they extend their learning. This text aligns to state standards as well as McREL, WIDA/TESOL, and the NCSS/C3 Framework.

A brand-new biography series featuring some of the most important people from history and today. I am only sixteen years old as I trek across the country with my infant son strapped to my back. I have a river, two lakes, and four mountain peaks named after me. I am featured on the U.S golden dollar. I am Sacagawea. Learn all about this admirable woman, whose accomplishments are truly inspiring, in the debut of Scholastic's new biography series: *I AM*. The series will

feature full-color illustrated covers, one-color illustrations throughout, a timeline, an introduction to the people you'll meet in the book, maps, sidebars, and a top ten list of important things to know at the end of every book.

Profiles the life of the Native American interpreter and guide, exploring the myths surrounding her role in the expedition of Lewis and Clark, and documenting her family life, the years after the journey, her death and legacy.

Taking a rare look beyond the myths and legends surrounding Sacagawea's life, this extraordinary illustrated history recounts the known facts about a remarkable woman and her contribution to one of America's greatest journeys of exploration. Combining beautifully wrought oil paintings, a moving true story, and a unique larger format, Sacagawea will captivate readers of all ages. Kidnapped from her Shoshone tribe when she was just eleven or twelve, Sacagawea lived with her captors for four years before being given in marriage to a French Canadian fur trapper, Toussaint Charbonneau. With him, she served as interpreter, peacemaker, and guide for the Lewis and Clark Expedition to the Northwest in 1805-1806. Braving hunger and fierce blizzards, Sacagawea traveled thousands of miles with a baby on her back. By the end of the legendary journey, Sacagawea's steadfast courage and capable guidance had ensured her place in history. Head out onto the trail with the brave, resourceful, and courageous Sacagawea! What did 33 men in the 1800s need to find their way through the wilderness on a trip across America? They needed a woman—and they found one in Sacagawea, the Native American teenage mother who helped the Lewis and Clark expedition survive. She and her baby braved floods, hunger, storms, and snakes to help the expedition that opened the West. Sacagawea: Courageous Trailblazer! tells the life story of this amazing pioneer who endured hardship in her youth but nevertheless became a fearless leader and a role model for generations to come. Readers of all ages will be entertained and educated by the full-color illustrations and historically accurate narrative of this graphical biography.

A brief biography of Sacagawea, the Shoshoni woman who accompanied explorers Lewis and Clark on their expedition in the early 1800s.

Excerpts from the diaries of Lewis and Clark reveal the true story of a Shoshoni Indian girl who served as interpreter, peacemaker, and guide for the Lewis and Clark Expedition

In these 11 essays, all originally published in "The New York Review of Books," McMurtry brings his unique narrative gift and dry humor to a variety of western topics.

Who was Sacagawea?Penguin

Examines the Lewis and Clark Expedition, describing their equipment and gear, the people involved, the hardships they overcame, and the sights they saw in the American West between 1804 and 1806.

The story of Sacajawea as told by Rising Wolf, a French Canadian who lived with an Indian tribe.

Download File PDF Who Was Sacagawea

A collection of over one hundred tribal tales drawn from government documents, old periodicals and histories, reports of anthropologists and folklorists, and personal interviews with Indians of Washington and Oregon.

Sacagawea, the Shoshoni woman who helped guide Lewis and Clark on their famed expedition, tells her life story. When Sacagawea's son asks her about her life, she isn't sure where to begin. Does she start with her birth as a Shoshoni? Her kidnapping by an enemy tribe at age eleven? Or her role as the famous guide for the Lewis and Clark expedition? She's seen and experienced more in her young life than most people ever will. Told from Sacagawea's point of view, this historical novel shares the ordeals of her youth along with the memory of her long, arduous journey west with Lewis and Clark. She shares her love of nature and explains how her loyalties have changed over time. This story of Sacagawea goes beyond the legend to reveal the flesh-and-blood woman who she really was.

A biography of the Shoshoni Indian woman who played an important role in guiding the Lewis and Clark expedition through the Northwest Territory of the United States in 1805-1806.

Cub Reporter uses his interviewing skills to tell the story of the woman who guided Lewis and Clark on their western journey.

As a young girl, Sacajawea was separated from her family when she was captured by a band of Minnetaree warriors and taken to be their slave. Several years later, she was bought by a French fur trader to be his wife. Then, in 1804, when she was only sixteen years old, Sacajawea met Lewis and Clark. Carrying her infant son on her back, Sacajawea helped guide the famous team of explorers through the uncharted terrain of the western United States. Her courageous efforts made an important contribution to America's history.

Profiles the life of the young Shoshoni woman Sacagawea, who served as an interpreter and guide for the Lewis and Clark expedition at the beginning of the nineteenth century.

A biography of Sacagawea, the Shoshoni who was an interpreter on the Lewis and Clark Expedition, including her childhood in a Shoshoni village, capture by Hidatsas, and reunion with her brother. Includes activities, a chronology, and a map.
