But when Pru makes it clear she intends to find her beloved's murderer he has no choice but to assist her. Indeed, he finds he doesn't want to have a choice. Because what had started out as a deception to him has become a reality. As far as Titus is concerned, at least. **The Ghost (Ruthless Regency Dukes 6)** Carole Mortimer, 2024-01-31 THE GHOST (Ruthless Regency Dukes 6) is the sixth and final book in USA Today and Amazon International #1 Bestselling Author, Carole Mortimer's, latest Regency series. Six Dukes, bound together by their friendship and loyalty. When one of them is murdered, the five friends remaining are each given the task of investigating one of the five officers suspected of being responsible for the killing. The man had been prisoner for so long he no longer had any idea whether it was night or day. The room where he was being kept was below ground and had no windows. It was bare of all comforts except for a pile of dirty and lice infected straw in one corner and a single blanket to cover himself with during the worst of the cold. He had tried, at first, to keep track of time, but as the days, weeks, months passed, they had all merged together. The monotony was broken only by the haphazard delivery of a plate of the most basic of foods and a jug of water by a surly and silent man whose clothes appeared to be as ragged as his own. The smelly bucket in the corner of the room was removed only once a week. The last thing he remembered, before waking in this hellhole, he had been deeply entrenched in the battle at Waterloo. He recalled being run through with a sword, and then struck on the head. Since then, there had only been this room, the pain as his wound oozed an unpleasant pus before finally healing, near starvation, and the bone-deep cold. At first, he had been sure his friends would find him, and he would be rescued from this living hell. But he no longer held out that hope, knowing they must all believe him to be dead. He had been abandoned, and was now forgotten. Even, it seemed, by the woman he had loved so deeply he would gladly have given his life for her. Had she mourned him? Cried for his loss? Or had she moved on when all hope had been lost? One thing he knew, when he was free, and he was determined he would escape, all who had wronged him would suffer the full measure of his fury.

The Sinners have all gathered in Kent at the estate of the Duke and Duchess of Stonewell, and the house is full of adults and children enjoying a time of joy and happiness, but most of all peace, following all they suffered through together the previous year. But peace has never been something the Sinners have been able to enjoy for very long, and in amongst falling in love, marrying, and having their children, they had forgotten to account for the one person they had believed to be insignificant but who was in fact as much responsible for Napoleon's escape from Elba the previous year, and the battles and deaths that followed, as the person who was hanged for the crime. Will the Sinners discover their mistake in time or will another one of them suffer the devastation of losing someone they love?

*Obsession (Regency Lovers 2)* Carole Mortimer, 2018-09-14 OBSESSION (Regency Lovers 2) is the 2nd book in Amazon #1 & USA Today Bestselling Author, Carole Mortimer's, NEW Regency series, Regency Lovers. Author's note: The books in the Regency Lovers series are steaming hot! Three years ago Lord Alexander Stirling, younger brother of the Duke of Hawkwood, had been shocked to learn he had been made the guardian of fifteen-year-old Miss Amanda Fullerton, the daughter of a man he had once served with in the army. Having absolutely no room in his bachelor life for a young ward Alex immediately enrolled Amanda into Miss Marchmont's School for Young Ladies, and apart from paying the school fees, had

promptly forgotten about her. Unfortunately, he has now received a letter from Miss Marchmont informing him Amanda Fullerton is now past the age for continuing as a pupil at her school. The headmistress now requires Alex's instruction as to whether Amanda should remain at the school as one of the teachers or be returned to him. There was no question in Alex's mind that Amanda Fullerton should remain at the school. Having spent the past three years languishing in the strict confines of Miss Marchmont's school Amanda had no intention of remaining there a moment longer that she had to. Nor did she intend being forced to do so, by the headmistress, or the man who was her guardian but had not so much as visited her at the school once nor requested she ever join him for the holidays. As far as Amanda is concerned Lord Alexander Stirling has avoided his responsibilities for quite long enough. She was completely unprepared for the shock of arriving at Lord Stirling's London home and finding him in bed with an equally naked and beautiful red-haired woman. Alex is furious at the manner in which his ward has chosen to take it upon herself to arrive completely unannounced and uninvited at his residence in London. That anger is added to by his feeling completely wrong-footed by the timing of Amanda's intrusion into that bachelor establishment. But having arrived, Amanda Fullerton refuses to leave, and without resorting to actually physically removing her, Alex has no choice but to accept his beautiful and disobedient ward is here to stay. An acceptance that is immediately complicated by the unexpected desire Alex quickly realizes he feels for his ward. When a series of "accidents" put Amanda's life in danger Alex finds himself stepping up to the role of guardian and protector when he would far rather be Amanda's lover. Then two weeks ago he had received a letter from a solicitor telling him that he was now the guardian of nineteen-year-old Lady Lydia Montague, the daughter of his one-time friend, Lord Michael Montague, the Earl of Chessington. Quite what Gideon is to do with that young woman, once she is residing in his household with him, he has no idea. Until he sees her for the first time and knows that the only thing he desires of Lydia is to have her beneath him, in his bed, as he claims her for his own. Lady Lydia Montague. She had never even heard of the Gideon Rhodes before her father's solicitor informed her the duke was to be her guardian now that her father had succumbed to the wounds he had received during the Battle of Waterloo. Unfortunately, once it became public knowledge Lydia was to be Esher's ward until her twenty-first birthday, she was bombarded with information about the man. Rumour said he had been a cruel husband. All Lydia knew of him for certain was that she was to be his ward and live with him for the next two years. Then she sees him for the first time. Gideon is tall, dark, and indeed scarred. The moment Gideon looks at her his eyes seem to darken with that same desire. But what of his dead wife? Is it possible Gideon did kill her? And if he did, will Lydia receive the same fate if she allows the attraction between them to deepen?

To add to the scandal, five years ago Andrew's only sister, Elena, eloped with a man she had only known for a week. But at least she had chosen to remain in Scotland with her husband after the wedding, rather than bring that scandal back to London. As a result, Andrew holds himself aloof from all possibility of scandal. He does so by choosing his friends carefully and otherwise remaining aloof from Society and any romantic involvements. He is suitably saddened when he receives a letter from a Miss Catriona McGregor, informing him that his

sister, and Miss McGregor's brother, have both been killed in a boating accident. He is shocked when Miss McGregor then adds that the custody of the couple's four-year-old son, Malcolm, now lies with him. Cat has no idea what to make of the aloof gentleman who arrives in Scotland claiming to be the brother of her now deceased sister-in-law, Elena. Oh Andrew Belgrade, the Duke of Essex is aristocratic enough to bear that title, but he is also cold and arrogant. Or for him, albeit reluctantly, to return that attraction...
