The Ancients lived by a feminine cosmology of creation, where everything was birthed and dissolved through a sacred universal Womb. Within each of us, whether female or male, lies a holographic blueprint of this Womb of Creation, connecting us to the Web of Life. By awakening your spiritual Womb, the holy of holies within the temple of your body, you can reconnect to the transformative energy of Womb Consciousness and reclaim your sacred powers of creation and love. Drawing on mythical and spiritual traditions from almost every culture, Dr. Azra and Seren Bertrand reconstruct the moon-based feminine mystery teachings of a lost global Womb religion, tracing the tradition all the way back to the Neanderthals and beyond. They explore how these teachings were encoded in the symbolism of folk and fairy tales; the legends of the Holy Grail; the traditions of Mary Magdalene and Sophia; the maiden, queen, and crone archetypes; and the teachings of alchemy and the chakras. They show how sages and shamans across the globe all secretly spoke of the Cosmic Womb and the sacred creative powers of Moon Blood. The authors look at the power of the Moon and its connection to sacred Womb Consciousness, offering meditations and practices to help awaken your spiritual Womb and activate its sacred magic of creation and manifestation. They explain how to activate the energetic gateways of the Womb and merge the heart and Womb to make sexual union the highest sacrament of love. Revealing how we must reconnect with the Divine Feminine to rebirth the Divine Masculine and restore balance to our world, they show how, as we reawaken the powerful ancient path of the Womb Mysteries, we help return our world to harmony with the wild, untamed creative flows and cyclical rhythms of the cosmos.

Kissing the Hag by Emma Restall Orr is based upon the old tale of The Marriage of Sir Gawain, and carries us from girlish innocence through to the nauseating horror of the hag - the raw side, the dark side, the inside of a woman's.

What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary? "This book could not have come at a more auspicious time, and the message is mystical perfection, not to mention a courageous one. I adore this book."—Caroline Myss, author of *Anatomy of the Spirit* Before a vision of a mysterious "Lady" invited Clark Strand and Perdita Finn to pray the rosary, they were not only uninterested in becoming Catholic but finished with institutional religion altogether. Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse. But this Lady barely even referred to the Church and its proscriptions. Instead, she spoke of the miraculous power of the rosary to transform lives and heal the planet, and revealed the secrets she had hidden within the rosary's prayers and mysteries—secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet. She told Strand and Finn: The rosary is My body, and My body is the body of the world. Your body is one with that body. What cause could there be for fear? Weaving together their own remarkable story of how they came to the rosary, their discoveries about the eco-feminist wisdom at the heart of this ancient devotion, and the life-changing revelations of the Lady herself, the authors reveal an ancestral path—available to everyone, religious or not—that returns us to the powerful healing rhythms of the natural world.

Throughout time, people have turned to goddesses as symbols of what they seek -- from abundance to healing, from protection to passion. Building on the resurgence of interest in the Divine Feminine, Julie Loar presents the qualities and origins of an international array of these deities, along with powerful suggestions for putting their attributes to practical use. In a daily-reflection format, she gracefully aligns the goddesses with the cycles of nature and the signs of the zodiac. If you are struggling to attain a goal, call on the Nepalese goddess Chomolungma, as the sherpas climbing Mount Everest have done for generations. Or, for good luck, invoke the Roman goddess Fortuna, the inspiration behind gambling's wheel of fortune. With 366 goddesses to choose from, you will find a deity to call upon for every aspiration and need. Discover the Womb Rites and initiatory magic of Mary Magdalene, who was revered as a Priestess and human embodiment of the Goddess • 2020 Nautilus Gold Award • Reveals how Mary Magdalene was a sacred priestess of the ancient Womb Mysteries, connected to moon wisdom, sacred harlot archetypes, and goddesses in many traditions, including Sophia, Isis, Inanna, Asherah, Lilith, Jezebel, and Witches • Explains how the Magdalene Mysteries have been encoded in Gnostic texts, sacred art, and literature and unveils the secret Grail heresy of the Ghent Altarpiece • Offers rituals and practices to initiate you into the Womb magic of the ancient priestesses and access deeper dimensions of sexuality and feminine power A sacred priestess of the ancient Womb Rites, Mary Magdalene was at the center of a great and enduring Mystery tradition, one that touched on a stream of perennial spiritual wisdom as old as humanity. Worshipped as the human embodiment of the Goddess, the earthly Sophia, her womb was the spiritual luminatrix that anointed and empowered Jesus, transforming him into the Christ. As a priestess of the Goddess, Mary Magdalene knew how to embody the light and the dark, how to harness the magic potency of sacred sexual energy, and how to cleanse, awaken, and resurrect the soul. Yet, even though she sparked the creation of a worldwide religion, her story and teachings have been forgotten. Unveiling the lost left-hand path of the Magdalene, the Feminine Christ, authors Seren and Azra Bertrand explore how this underground stream of knowledge has been carried forward over the millennia through an unbroken lineage of Womb Shamans, Priestesses, Oracles, and Medicine Women. They explain how the Magdalene Mysteries, symbolized by the Rose, have been encoded in Gnostic codices and gospels and in the highest art, literature, and architecture of many ages, including most significantly the Ghent Altarpiece. They examine Mary Magdalene's connection to moon wisdom, sacred harlot archetypes, and goddesses in many traditions, including

Isis, Inanna, Asherah, Lilith, and Jezebel, and look at shamanic, tantric, and Cathar expressions of sacred feminine mysteries as well as the Witch and Templar roots of Robin Hood and Maid Marian. In this revelatory and magical text on the lost feminine mystery traditions of Mary Magdalene and the lineage of Sophia, the authors present encompassing theological, historical, mythological, and archetypal wisdom, with rituals and practices to initiate you into the Womb magic of the ancient priestesses and the path of the wild feminine.

Do you have a real relationship with God, or do you just have a religion? Do you know God, or do you just know about God? Tools to awaken the creative powers of the womb • Contains exercises to open the womb's energetic pathways, release toxic emotions, and harness creative potential • Reveals how the womb's energies are crucial for the spiritual shift of 2012: birthing a new civilization • Shows how the awakened womb can also bring about male spiritual transformation  
In the past and in present-day indigenous traditions, women have known that the womb houses the greatest power a woman possesses: the power to create on all levels. Utilized in the process of giving birth, this power of creation can also be tapped in the birth of projects, careers, personal healing, spirituality, and relationships. However, because the womb stores the energetic imprint of every intimate encounter--loving or not--the creative voice of the womb is often muffled or absent altogether, affecting the emotional, mental, and spiritual health of women and their relationships. Drawing on sacred traditions from ancient India, Tibet, Egypt, Gnostic Christianity, and Judaism, the practice of Womb Wisdom empowers women to become aware of the intuitive voice of the womb outside of pregnancy and the moon cycle to unlock this potent inner source for creativity, birthing the new conscious children, spiritual growth, and transformation not only for themselves but also for their male partners. The authors include exercises to clear the past, release toxic emotions, open the womb's energetic pathways, activate the sacred sensual self, bring balance to relationships, and harness creative potential. Including intimate, individual stories of women experiencing the opening of the womb, this book also explores the forgotten sacred sites of the womb around the world as well as how the womb's energies are crucial to birth a new civilization in the spiritual shift of 2012.

world during our modern Burning Times. These burning words were written for women who burn with passion, have been burned with shame, and who at another time, in another place, would have been burned at the stake.

With such groundbreaking bestsellers as *Women's Bodies*, *Women's Wisdom* and *The Wisdom of Menopause*, Dr. Christiane Northrup is one of today's most trusted and visionary medical experts. Now she presents her most profound and revolutionary approach to women's health. . . . The mother-daughter relationship sets the stage for our state of health and well-being for our entire lives. Because our mothers are our first and most powerful female role models, our most deeply ingrained beliefs about ourselves as women come from them. And our behavior in relationships—with food, with our children, with our mates, and with ourselves—is a reflection of those beliefs. Once we understand our mother-daughter bonds, we can rebuild our own health, whatever our age, and create a lasting positive legacy for the next generation. *Mother-Daughter Wisdom* introduces an entirely new map of female development, exploring the "five facets of feminine power," which range from the basics of physical self-care to the discovery of passion and purpose in life. This blueprint allows any woman—whether or not she has children—to repair the gaps in her own upbringing and create a better adult relationship with her mother. If she has her own daughter, it will help her be the mother she has always wanted to be. Written with warmth, enthusiasm, and rare intelligence, *Mother-Daughter Wisdom* is an indispensable book destined to change lives and become essential reading for all women.

The first comprehensive look at the groundbreaking field of energy medicine and how it can be used to diagnose and treat illness, from one of the world's foremost practitioners of Traditional Chinese Medicine. Today, more of us than ever are discovering the curative powers of energy medicine. Scientific studies continue to confirm its validity, and medical doctors are regularly prescribing treatments such as acupuncture to their patients. But even for those of us who have benefitted from such treatments, the question remains: what exactly is energy medicine, and how does it work? Acupuncturist and Traditional Chinese Medicine (TCM) scholar Jill Blakeway has been treating patients for more than twenty-five years. For Jill, the term "energy medicine" refers to the wide range of healing modalities used to diagnose and treat illness by manipulating the energy—the vital life force referred to as "qi" in TCM—that pulses through the cells of our bodies. But even this seasoned practitioner admits she doesn't truly understand how some of her patients are healed under her care, and retains a healthy skepticism about her own abilities as well those of her peers. In *Energy Medicine*, Jill invites us on her global journey to better understand, apply, and explain this powerful healing force. Moving from her own clinic to the halls of academia, she talks to top healers, researchers, and practitioners—from the Stanford and Princeton professors researching the physics behind energy medicine and healing; to a Chinese Qi Gong master who manifests healing herbs

directly from her palm; to a team of skeptical scientists who use “hands on” healing to repeatedly cure mammary cancer in mice. She also tells the story of how she discovered energy medicine and became one of the most sought-after healers in the world. Lively, entertaining, and informative, told in Jill’s funny, relatable, and wholly grounded voice, *Energy Medicine* bridges the gap between science and spirituality and offers a persuasive, evidence-based case that advances this ancient healing practice.

What this book is about is the spiritual Divine Feminine approach to overcoming self-doubt, the other half of the story where the root to our self-doubts actually comes from. My training in holistic nutrition taught me not to just treat a symptom. For a cure you have to reverse engineer and get to the root of the problem. My intent is to get to the roots of your self-doubts and for you to have a spiritual awakening to your true self and purpose which will wipe away any lies you have believed and self-doubts they have caused. A spiritual awakening may happen all at once by learning information that will instantly change your life forever or it may happen little by little over time. When we undergo a spiritual awakening, we literally “wake up” to a feeling of more possibilities for our life. We may feel like we have outgrown our current life. We begin to question our old beliefs, habits, and social conditioning, and see that there is much more to life than what we have been taught or allowed to experience. You are more powerful than you have been allowed to believe. Your Divinity, your specialness, your femaleness, and your self worth, once revealed will wipe away any self doubt you ever had about yourself. You will be fearless and never feel you have to bow down to anyone or feel second rate to anyone again. Whether you are walking down the Goddess path for the first time, or you are already enjoying a sacred relationship with your Divine Feminine self, you will learn to eliminate self-doubt, find and fulfill your personal calling, and ultimately your inner happiness. We each have our own divine purpose and specialness which we need to find and contribute to the betterment of the world.

By embodying this archetype and using tantra--not just in the bedroom, but also to build intimate connections to our senses and physical movements--we can break harmful psychological patterns. In *The Wild Woman's Way*, Michaela Boehm shares practical rituals and exercises drawn from years of experience as a celebrity relationship and life counselor and an expert in tantric yoga. She reveals the power of different types of touch, while also training you in forms of meditation and stretching that increase activity and sensual pleasure.

*Feminine Empowerment Path of the Goddess: At the dawn of religion, God was a Woman. The Divine Feminine is known by innumerable names and symbol-rich manifestations across the world's cultures. Examining the female archetypes--the Andro Woman, the Cougar, the Good Doer and others--this fascinating book explores how modern-day women have overdeveloped their masculine attributes, resulting in complications and consequences, and reveals what it truly means to be feminine. Original.

Women face many challenging transitions on the pilgrimage from girlhood through womanhood: menses, love and heartbreak, motherhood, menopause. Devoid of a central narrative, these rites of passage too often happen in shame and secrecy,

leaving women doubting their personal power and self-worth. Bestselling author and founder of The Way of the Happy Woman®, Sara Avant Stover saw how women erroneously viewed these initiations as “curses” and sought to present a new model that reflected the power and wisdom unique to the feminine path. The Book of SHE celebrates all that it means to be a woman, from mythological underpinnings to the cycles of our day-to-day lives. Drawing on archetypes including Mary Magdalene, the Dark Goddess, and Green Tara, Stover will guide you on a journey home to psychological wholeness, personal empowerment, and, ultimately, full feminine spiritual Awakening. Brimming with mystery and magic, this provocative book makes ancient wisdom and healing practices accessible to every woman who is ready to revel in her full femininity — the dark and the light — through joyfully becoming the heroine of her own life.

Exploring the dire consequences of cultural conditioning and feminine suppression, *Woman Be Wild* takes readers on a healing journey to wholeness by reconnecting women to their natural sexuality and true Wild nature. Indigo examines the demands and effects of our culture and how it has severed our fundamental connection to the Earth, the feminine, our sexuality, and our spirituality. Detailing the process of shedding limiting beliefs and oppressive conditioning, she provides encouragement, support, and a gentle push for her readers to return to their Wild, natural state of being. Readers will learn how to cultivate a deeper relationship with their physical bodies and sexuality, their subtle senses and intuition, the Earth and their spiritual connection to all of life. Indigo reveals how by healing this connection and restoring balance in ourselves, we unlock our individual keys and become vessels for creating a New Earth. *Woman Be Wild* is a journey of feminine awakening, empowerment, and freedom. It dissolves the shaming of sex and commands that we put an end to patriarchal rule and feminine suppression. The text explains that to do this, we must un-define what it means to be a woman and free women to express themselves fully, diversely, and authentically so they can embrace who they really are and reclaim their Wild, feminine power.

Most women have no access to the power of their pelvis. The pelvic floor is the often misunderstood and neglected centerpiece of our musculoskeletal system: it is crucial for healthy, elegant movement and for our sensuality. Any numbness and blockage in this area can make us feel out of balance, lost, or stuck in our life. Women who are sensuously aware of their pelvic floor and know how to use it are authentic, powerful, and sexy. They're aligned with themselves. They know what they want, and they have the mental clarity and the physical energy to achieve whatever they desire. They express their sexuality with passion and enjoy life to the fullest. They sparkle with vitality and maintain that fresh radiance their entire lives. Through satisfying sex, orgasms, and the resulting emotional intimacy, these women hold the essential elements for fulfilling and intimate romantic relationships in the palms of their hands. This power is available to every woman, but for many of us, it's been locked away. You will find the keys to unlock it in this book.
