Dhandha, meaning business, is a term often used in common trade parlance in India. But there is no other community that fully embodies what the term stands for than the Gujaratis. Shobha Bondre's Dhandha is the story of a few such Gujaratis: Jaydev Patel—the New York Life Insurance agent credited with having sold policies worth \$2.5 billion so far; Bhimjibhai Patel—one of the country's biggest diamond merchants and co-founder of the ambitious 'Diamond Nagar' in Surat; Dalpatbhai Patel—the motelier who went on to become the mayor of Mansfield County; Mohanbhai Patel—a former Sheriff of Mumbai and the leading manufacturer of aluminium collapsible tubes; and Hersha and Hasu Shah—owners of over a hundred hotels in the US. Travelling across continents—from Mumbai to the United States—in search of their story and the common values that bond them, Dhandha

showcases the powerful ambition, incredible capacity for hard work, and the inherent business sense of the Gujaratis.

After graduation from college and eight years of separation, Jay and Lilo were reunited during a fashion and graphics designing conference in Las Vegas, Nevada. Both were faring well in their careers until the economy took a nosedive. Lilo continued going strong in his career, but Jay began experiencing problems at work when her company brought in a new manager who had an agenda of his own. Ultimately, Jay was laid off, and she and Lilo endeavored to stretch and act on their imagination. They fulfilled their destiny while tunneling through the frustrations.

Jayson and Dave employed tactical assassin styled moves, and committed murder to remove the potential of threat from their turf. In this game, however, what goes around can come around. Jay soon found himself in an interesting twist resulting in his brief incarceration for a murder that due to the absence of a self-defense provision in the state law, he could not be convicted as charged under the law in effect.

Accordingly, by arrangements in place between the U.S. Attorney's office, and the office of the district attorney, conviction was guaranteed at the federal level, and the case was moved on the basis of federal offense committed by Jayson at the time he had to defend himself from deadly force.

It had been almost a year since Todd and I decided to go our separate ways. It was a mutual decision to break up. We had simply grown apart. We still loved each other very much, but we just couldn't seem to get past the differences that grew between us the last year that we were together. It wasn't an easy decision for either one of us. We did, however, remain friends through the break up. We still talked to each other all the time, and in the first few months after the breakup, I found it hard to talk to him and not ask if he wanted to try and work things out only because I didn't want to be alone. I was learning firsthand what the word lonely really meant. There were a couple of other boyfriends before Todd, but I knew that they weren't going to last. They had simply been someone to hang out with and have fun with, someone to go out to dinner with or a movie. I had no intentions of getting too serious with them, like I had with Todd. I had always thought that Todd was the one for me, my true and everlasting soul mate. He made me feel special, and he didn't obsess over me or what I did. I felt that I could be myself—a free spirit—with him. He was soft and loving toward me; he was protective but not overbearing. He made me feel safe. I knew that I didn't have to worry about anyone hurting me. Todd would stand back and let things happen till he sees that I needed his help. Then he would step in and take over. No one messed with me while I was with Todd.

When Jessica Simon began her career with the school board in Cleveland after leaving the small town where she had grown up in Georgia; she had no way of knowing that one day, she would desperately have to run back to that small town in the south, to seek the comfort and safety that she could only find in her Grandmother's arms. Jessica had to run away from the life she had built for herself because a jealous ex lover that she had broken up with after she learned he was a married man and also involved in the drug trade,

wanted to see Jessica dead because she had been with another man, and sent syndicate 'Hit' men after her when he realized that she knew he was the one who had killed her new lover.

Customers trust Lilah Drake to keep her mouthwatering meals under wraps, but when a millionaire meets his untimely end, some sinister secrets become the main course...Spring is right around the corner, and with the warmer temperatures come plenty of food requests from Lilah Drake's covered-dish clients. Lilah pulls out all the stops with a sweet new casserole for the birthday party of Marcus Cantwell, a wealthy curmudgeon who has some angry ex-wives and more than a few enemies. When he's found facedown in Lilah's casserole, it's anyone's guess as to who might have wanted the old man dead. A possible new heir to Marcus's fortune adds some unexpected spice to the investigation, but Lilah fears that the old adage is true, and "the proof is in the pudding."

Ashley Savage grew up in a troubled home with a competitive, pampered sister and an abusive mother who played at being a Christian when she needed to...and led Ashley to more addictions than one child could handle. As an adult, Ashley tells herself she's put the extreme fears of the past behind her, but she spends most of her time repairing the crumbling wall holding back the horrors she's not willing to face ever again. The one man who has the annoying habit of getting through her defenses is Jay Samuels, a military chaplain and soon-to-be pastor. Much as Ashley wants to leave him behind, Jay is ambitious to a fault where she's concerned. He hears only what he wants to hear-and he doesn't want to hear that she doesn't love him as much as he loves her. But even Jay doesn't realize the extent of all she's buried...and what keeps her from giving herself willingly to the God she knows is drawing her inexorably to Himself, to the one place she can't run, where she can no longer hide...

Rose Parker passed quietly one night, never having required custodial or hospice care. The support Ray received from his father and his adopted son, Manny Morris, was admirable. Erin and Miller weathered the gossip and had three normal children and a wonderful life together. Gaye and Jay were married and gloried in their "second lives," based on (of all things) love. Nora and Jaque did not marry but continued to love each other. Vanessa hadn't asked if Jaque were her biological father. When and if she did . . . Gino Capetti declined to press charges against his captors. Before his trial was to begin, he feigned the symptoms of acute appendicitis. Though in a lock ward at the hospital, his visiting doctor looked enough like Gino that Gino rendered him unconscious, changed into the doctor's clothes, and was released unknowingly. Ten minutes later, when the doctor stumbled out of the room, Gino had disappeared. Gino's guard was given a new assignment, walking a beat in an obscure part of town. Gino's plan was to get to Mexico, have his face changed, and return to Jacksonville to repay the Ortegas for their "hospitality." Before leaving town, he managed to get an old bicycle, which he left at the gate entry to the Ortega complex. Nora correctly interpreted the implication.

"Professor Batchelor Calwood leaves his university campus, torn by the riots of Vietnam protesters, to search for an ancient library buried near a monastery at Gaza in Israel. Unknown to him, an assistant has concealed in their luggage a new and deadly device that will allow terrorists to highjack and destroy airplanes. As the Professors archeological discoveries about the

origins of Christianity begin to cause alarm in the Vatican, his accidental involvement with terrorists puts his own life at risk on the eve of the six day war between Israel and her neighbors."

When his wealthy lover dies, Jack Erikson, now penniless, embarks on a crusade to once again be pampered and so becomes involved in a male escort service where, as the money comes rolling in, he finds himself attracted to fellow hustler Ray.

A Wolf Song is a healing story about a multidimensional, dual-life journey of tragedy, gratitude and forgiveness. Its key characters—Hanna and Margaret; their “spirit” wolves, Nano and Nala; family members; and teacher Trudy Goodenough—meet every ten years under Trudy’s guidance and the wolves’ whims. The story begins at childbirth; the girls meet nearing their tenth birthday and discover their wolf spirits under a jump rope. Each chapter contains a verse which reveals the lessons of each chapter. Ordered to meet every ten years by the wolves, Hanna and Margaret meet at twenty in Wales and in New York City at thirty. Nano and Nala are not necessarily balanced. Their karmic rites spill over into the young women’s lives. One of the wolf spirits wreaks havoc at a public event, and a battle between light and darkness ensues. “Lisa Osina’s book brings you into an enduring balance between the physical world and the world of spirit.” Lynn Andrews, shaman and author of *Medicine Woman* and 27 other spiritual and self-empowerment books.

Jack lost his job and no employer would even talk to him. Joanne lost her job, too. They were blacklisted. They were informed that a warrant had been issued for their arrest, the charge being terrorism. They hit the road in an act of survival. They spent time in a native-American commune for a few months and then on to Texas, Louisiana and Tennessee. They were being chased everywhere. Finally, the law in Texas informed them that was never a warrant for their arrest. The whole time they depended on God for their protection as their faith grew stronger with every episode they encountered.

forbidden four ever since she first step foot at her high school. Every one of the boys in the forbidden four is perfect, but something is telling her to stay away from them. For ever since they moved into town weird things have happened. Bonnie hopes it can't be because of them, who seem too perfect for such crimes, but they may look like the perfect guys though they are anything but and once Bonnie finds out just what the forbidden four really are her life will be in their hands.

As a guardian angel, Samuel has a duty to watch over and protect a lot of human beings. And he loves each and every one of them dearly. He never gets bored, because his humans are always in need of his help or guidance. One night, police officer Jay Reynolds is part of a special team involved in an organised drug-raid in New Cross, south-east London. During a violent and bloody shootout, Jay is shot in the head, but he's still breathing. He's rushed to hospital and put into a medically induced coma to minimise any further damage to his brain. Seeing Jay is in a critical state, Samuel is compelled to make Jay his priority. He constantly communicates with him telepathically to offer words of encouragement and give him strength. The longer Samuel watches over Jay, the harder he finds it to block out his secret desires. He longs to be with Jay so he can nurse him back to health and fill his life with the love he desperately needs. When he sees Jay regaining consciousness, his heart rules his head, and he returns to Earth in human form to make both their dreams come true. Trigger warning: This story includes a scene that may appear to be dubious consent while one main

character is in a medically induced coma. However the other main character has always been able to read that person's mind and knows he is more than willing.

Jaycen Alan Ford was an ordinary rich teenager living an ordinary rich teenager's life... until he wrecked his brand new Corvette. Not only did he total his car, but he escaped the vehicle as it was in mid-air and watched the rest of the devastating crash take place in slow motion. As it turned out, Jaycen was fast. Really fast. And he wasn't the only one. Soon afterwards, his parents, along with many other people, were killed in a mass murder by another speedster. On a quest to take down his parents' killer, Jaycen learns of an entire secret society of people with special abilities, and through thick and thin, has to work with them and the U.S. government to bring down a man who moves twice as fast as he does, and somehow knows twice as much about his life - past, present, and even future - than he should.

including a new love after the death of her former boyfriend, a college internship as a tutor that ends with one of her students fighting for his life in a hospital and another fleeing a criminal investigation, and an attempted sexual assault. Throughout, Brandi struggles to balance realism and idealism in the aftermath of her earlier struggles to escape what has threatened to become a dead-end street for her. —Edward J. Rielly, Professor of English and Director of the Writing and Publishing Program, St. Joseph's College of Maine

Run, Professor, Run chronicles the journey of Lynda Stuart from a manipulative miserable childhood, as part of a large family, until she is swallowed whole by mental illness as an adult. It is about chaos and murder, and the lives that she deliberately destroys along the way. No one is safe. Her marriage to her college professor, Dr. Bill Brunson, became a time bomb. Only a few lucky people are left standing at the end. Try to understand her – pity – her – but at your own risk.

A friend named Jay is a book about a young male, who has become a vile product of his sordid surroundings. The once kind, caring, and loving Michael has finally succumbed to the drugs that surround his grotesque world, and is losing himself within. Alone again, Michael sees an incongruous cloud floating out of the sky toward him. He then meets a stranger with an unshaved face and long hair. Since then, things just have not been the same.
