Top designers—including Joanna Wilczyncka, Daniel Rouse, and Ayumi Takahashi—share their valuable tips and fail-proof paper-piecing techniques. **Playful Little Paper-Pieced Projects** by Fat Quarterly Magazine cofounder Tacha Bruecher is a collection of paper-pieced projects featuring some of the best work from today's most talented modern quilters. You can learn everything you need to know about foundation paper piecing, and then test your skills with 37 projects ranging in difficulty and complexity. Bursting with ideas and ingenuity, this book will inspire you to include paper piecing in all your sewing projects. Find designs from Ayumi Takahashi, Charise Randell, Lynne Goldsworthy,

Cheryl Arkison, Amy Lobsiger, and many more. Includes 2 quilts, 17 small projects and a 12-block calendar quilt, plus a project from each of the monthly block patterns. There's something for everyone, from quilts and aprons to a backgammon board and a camera bag.

"Compilations are one of our favorite types of books because we get to see one thing presented in many different ways by some of the most talented peeps in our industry. And boy, do we love this one! . . . There are bags, a game board, home dec items and even a chair cushion!"
—Generation Q Magazine

Windows 8 rappresenta una vera rivoluzione, un totale cambiamento di paradigma: da un lato prefigura i futuri sistemi operativi touch e dall'altro mantiene un'interfaccia tradizionale. Il primo impatto è sorprendente. Tutti gli elementi del desktop sono spariti, soppiantati da una schermata Start minimale, piena di grossi pulsanti quadrati e rettangolari che ricorda il display di un cellulare o di un tablet. Questo è il punto di partenza: considerare il computer come un oggetto sempre più mobile, un tablet che ci segue ovunque andiamo e che all'occorrenza trova una sua collocazione sulla scrivania. Windows 8 Espresso è la guida ideale per capire questa rivoluzione e per sfruttare al massimo i vostri computer, laptop e tablet.

The "Los Angeles Times" calls "Berkeley Guides" "veritable fonts of information about budget hotels and motels, cheap restaurants, grocery stores, discounts, and the like. "These guys go to great lengths to point out safe attractions and routes for women traveling alone, gays, and minorities . . . I'm glad someone finally thought of it".--"Sassy".

In addition to tourist attractions such as the Fisherman's Wharf, this guide presents the authentic Northern California experience. Explorer's Guide Northern California offers the most up-to-date information on the region, from Big Sur to Yosemite, north to the Oregon Border while, urging travelers to understand the impact of their footprint on the land. With detailed descriptions of lodging options, honest reviews of restaurants, from taco trucks to upscale bistros, cultural attractions, natural wonders, recreation, transportation, history scattered throughout each listing, over 100 photos, and maps, readers will feel like they are getting a tour around this beautiful land from an old friend.

The ex-Yugoslav region of Serbia is experiencing a re-launch of tourism that has opened up the country. Serbia covers fundamentals such as getting there, a range of local travel options and accommodation for all budgets and styles. Now a prime destination for winter sports, mountain resorts and a range of health spas in spectacular settings are also covered.

Describes the towns and local attractions of the three areas, and offers recommendations for hotels, restaurants, shopping, and leisure activities.

Coffee in Health and Disease Prevention presents a comprehensive look at the compounds in coffee, their reported benefits (or toxicity risks) and also explores them on a health-condition specific level, providing researchers and academics with a single-volume resource to help in identifying potential treatment uses. No other book on the market considers all the varieties of coffee in one volume, or takes the disease-focused approach that will assist in directing further research and studies. The book embraces a holistic approach and effectively investigates coffee and its specific compounds from the biochemical to the nutritional well-being of geographical populations. This book represents essential reading for researchers in nutrition, dietetics, food science, biochemistry, and public health. Presents one comprehensive, translational source for all aspects of how coffee plays a role in disease prevention and health Experts in nutrition, diet, and food chemistry (from all areas of academic and medical research) take readers from the bench research (cellular and biochemical mechanisms of vitamins and nutrients) to new preventive and therapeutic approaches Focuses on coffee composition; nutritional aspects of coffee; protective aspects of coffee-related compounds; specific coffee components and their effects on tissue and organ systems Features sections on both the general effects of coffee consumption on the body as well as the effects of specific coffee compounds on specific organ systems

Bernardo Bellotto is considered to be one of the greatest topographical and landscape painters of the eighteenth century. Trained as a painter of cityscapes, he produced vivid and memorable images of many of the greatest cities of Europe, including Venice, Florence, Rome, Dresden, Munich, Vienna, and Warsaw. He also ventured successfully into genre, portraiture, allegory, and history painting. This beautiful book, written by leading specialists on Bellotto, examines his career and artistic development, places his work in the context of the political needs of central European monarchs, and presents a selection of his major paintings from each of his principal periods and genres. Bellotto began as a painter of conventional views of Venice in the manner of his more famous uncle, Canaletto. However, his quest for new subject matter led him to visit half a dozen cities in northern and central Italy in the early 1740s, and at twenty-five he left Italy for northern Europe, where he spent the rest of his life working for royal and aristocratic patrons. In Dresden he was engaged in the service of Augustus III, where he created many glorious canvases and was awarded the title of Court Painter. He then moved to Vienna and recorded its attractions for Empress Maria Theresa. He ended his career as Court Painter in Warsaw, and his detailed paintings of the city played an important role in its reconstruction after the Second World War. The book demonstrates that in each of the places Bellotto lived, he was able to capture the particular light and life with sensitivity and imagination.

Written by the trio that has spawned a renewal of interest in Cuban cuisine, this guide to the flavors of Cuba reveals the island as a tasty confluence of Spanish spices, tropical ingredients, and African influence.

Windows 8.1, from the basics to such complex topics as networking, security, and customization, and includes troubleshooting tips.

Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

The ingredients are simple -- beer, cheese, and spices -- and the result is delicious. Still, beer cheese is a rarefied dish not common in cookbooks or on menus. Since the 1940s, this creamy appetizer with a kick, traditionally served with pretzels, has quietly found its way into pubs and restaurants throughout the South and Midwest. The original recipe is cloaked in a mystery nearly as deep as the JFK assassination. Ask most makers and they'll act demure about the contents of their dip. Some refuse to disclose what kind of beer or cheese they use or which extra spices they add. Others keep their preparation instructions secret. Garin Pirnia traces the history of beer cheese from its beginnings at the Driftwood Inn in Winchester, Kentucky, to today, situating it alongside other dishes such as the German cheese spread obatzda, queso dip, and pimento cheese. She surveys the restaurants that serve this distinctive dip, highlights points of interest along the Beer Cheese Trail, and includes dozens of recipes, from the classic original, to new twists like Pawpaw Beer Cheese, to dishes that incorporate the spread, such as Crab Broccoli, Beer Cheese Casserole, and Beer Cheese Buttermilk Biscuits. Packed full of interviews with restaurateurs who serve it, artisans who process it, and even home cooks who enter their special (and secret) recipes in contests, The Beer Cheese Book will entertain and educate, all while making your mouth water. Fortunately, it will also teach you how to whip up your own batch.

Indianapolis Monthly is the Circle City's essential chronicle and guide, an indispensable authority on what's new and what's news. Through coverage of politics, crime, dining, style, business, sports, and arts and entertainment, each issue offers compelling narrative stories and lively, urbane coverage of Indy's cultural landscape.

Ideal for use as a self-paced training guide or for instructor-led training, this book offers fast-paced tutorials and learning exercises for quickly grasping spreadsheet basics and building proficiency.
