"There's something about the disappearance of a beautiful young attorney--she leaves a Georgetown restaurant after a dispute with her husband, and is never seen alive again--that grips television news producer Virginia Knightly from the moment the 'MISSING' notice lands on her desk. A brilliant producer, but also a tormented soul and an isolated workaholic, Virginia--the only woman of power at her station--has an instant and eerie sense of connection to, indeed becomes obsessed with, the haunting eyes of the unnamed woman in this grainy photo. Despite skepticism from her peers, Knightly suspects this ambitious young lawyer may be at the heart of something far more sinister, which prompts her to abandon-- only momentarily she tells herself-- her producer role to go back into the field to investigate just what happened to Evelyn Carney. Risking her career, her sanity, and perhaps even her own life, Knightly dives deep into the dark underbelly of Washington D.C. only to find it's a place where politics and business restfully, sometimes criminally, collide-- a place where ambition can be lethal") --

A lively husband and wife team recounts their twenty-year climb from amateur winemakers to recipients of an almost unheard-of perfect score from Robert Parker's Wine Advocate. Kathryn and Craig Hall launched themselves head first into Napa Valley 20 years ago with the purchase of an 1885 winery and never looked back. Since the couple's purchase of their debut winery, their critically acclaimed HALL Wines and WALT Wines have become fixtures of the California wine industry, winning numerous accolades including a coveted 100-point "perfect score." A PERFECT SCORE weaves a vibrant tale of the HALL brand's meteoric rise to success, Napa Valley's tug-of-war between localism and tourism, and the evolving nature of the wine industry as a whole. Readers who love a good glass of wine will find much to savor in the Halls' expert account of the art, soul, and business of a modern winery.

"Thoughtfully conceived and very well written, this is essential somm reading."—The Somm Journal "This is the most important wine book of the year, perhaps in many

years."—The Seattle Times "Crisply written, impeccably researched, balanced if fundamentally enthusiastic, scholarly but accessible, and full of unexpected details and characters."—The World of Fine Wine No wine category has seen more dramatic growth in recent years than American Rhône—variety wines. Winemakers are devoting more energy, more acreage, and more bottlings to Rhône varieties than ever before. The flagship Rhône red, Syrah, is routinely touted as one of California's most promising varieties, capable of tremendous adaptability as a vine, wonderfully variable in style, and highly expressive of place. There has never been a better time for American Rhône wine producers. American Rhône is the untold history of the American Rhône wine movement. The popularity of these wines has been hard fought; this is a story of fringe players, unknown varieties, and longshot efforts finding their way to the mainstream. It's the story of winemakers gathering sufficient strength in numbers to forge a triumph of the obscure and the brash. But, more than this, it is the story of the maturation of the American palate and a new republic of wine lovers whose restless tastes and curiosity led them to Rhône wines just as those wines were reaching a critical mass in the marketplace. Patrick J. Comiskey's history of the American Rhône wine movement is both a compelling underdog success story and an essential reference for the wine professional.

truths in all His teachings. And if we simply keep our eyes open, we could observe that God is still teaching us in the same manner. We could also be aware that even many well known Scriptures may contain beautiful truths that are often overlooked by the casual student. In this study, a lifelong Bible teacher with an unusual passion for searching out these little hidden lessons, not only by observing and applying everyday happenings to illustrate the meanings of various Scriptures, but also looking at several familiar Scriptures through different lenses in an effort to find additional truths. Peter M. F. Sichel, a fourth-generation wine merchant, found the path he was destined to walk interrupted by the Nazis while growing up as a Jew in Germany. He moved to France in 1939 but was imprisoned as an enemy alien at the outbreak of World War II. When he was released, he hid in the Pyrenees before reaching the United States in 1941. After joining the Army, he served with the U.S. Office of Strategic Services, sending spies into Germany, before becoming a senior official with the Central Intelligence Agency, where he served in key positions in Berlin, Hong Kong, and Washington. In this memoir--which needed to be cleared by the CIA--he describes how the Nazis took over Germany, the odd attitude of German Jews to being Jewish, the fault lines in U.S. intelligence during the Cold War, and the life lessons he learned in the wine business. "Peter Sichel was a true insider during the heyday of the CIA during the late 1940s and 1950s. From Berlin to Hong Kong, he served in a global secret war that was, by turns, gallant, necessary, dangerous, and wrongheaded. ... His memoir is clear-eyed, charming, and fascinating." --Evan Thomas, author of The Very Best Men: The Daring Early Years of the CIA "Peter Sichel is an iconic figure in the history of wine. With his European upbringing and early years in the CIA, his story is both fascinating and compelling. His success with Blue Nun is nothing short of classic marketing." --Marvin R. Shanken, Editor & Publisher, Wine Spectator

From acclaimed author Jamie Brenner comes a stunning new novel about three generations of women who discover that the scandalous books of their past may just be the key to saving their family's future. For decades, the Hollander Estates

winery has been the premier destination for lavish parties and romantic day trips on the North Fork of Long Island. But behind the lush vineyards and majestic estate house, the Hollander family fortunes have suffered and the threat of a sale brings old wounds to the surface. For matriarch Vivian, she fears that this summer season could be their last—and that selling their winery to strangers could expose a dark secret she's harbored for decades. Meanwhile, her daughter, Leah, who was turned away from the business years ago, finds her marriage at a crossroads and returns home for a sorely needed escape. And granddaughter Sadie, grappling with a crisis of her own, runs to the vineyard looking for inspiration. But when Sadie uncovers journals from Vivian's old book club dedicated to scandalous novels of decades past, she realizes that this might be the distraction they all need. Reviving the "trashy" book club, the Hollander women find that the stories hold the key to their fight not only for the vineyard, but for the life and love they've wanted all along. *Blush* is a bighearted story of love, family, and second chances, and an ode to the blockbuster novels that have shaped generations of women.

At a local poetry performance one night, they meet a well-known photographer, and as the girls are then gradually drawn into her world, Frances is reluctantly impressed by the older woman's sophisticated home and handsome husband, Nick. But however amusing Frances and Nick's flirtation seems at first, it begins to give way to a strange—and then painful—intimacy. Written with gemlike precision and marked by a sly sense of humor, *Conversations with Friends* is wonderfully alive to the pleasures and dangers of youth, and the messy edges of female friendship.

"Sharp, funny, thought-provoking . . . a really great portrait of two young women as they're figuring out how to be adults."—Celeste Ng, "Late Night with Seth Meyers Podcast"

"The dialogue is superb, as are the insights about communicating in the age of electronic devices. Rooney has a magical ability to write scenes of such verisimilitude that even when little happens they're suspenseful."—Curtis Sittenfeld, *The Week*

"Rooney has the gift of imbuing everyday life with a sense of high stakes . . . a novel of delicious frictions."—New York

"A writer of rare confidence, with a lucid, exacting style . . . One wonderful aspect of Rooney's consistently wonderful novel is the fierce clarity with which she examines the self-delusion that so often festers alongside presumed self-knowledge. . . . But Rooney's natural power is as a psychological portraitist. She is acute and sophisticated about the workings of innocence; the protagonist of this novel about growing up has no idea just how much of it she has left to do."—Alexandra Schwartz, *The New Yorker*

"This book. This book. I read it in one day. I hear I'm not alone."—Sarah Jessica Parker (Instagram)

Wine serves an important role both in Scripture and in the Christian church, but its significance has received relatively little theological attention in modern times. This book fills that gap. Viewing wine as a gift of God's created bounty and as a special symbol used pervasively throughout Scripture, Kreglinger canvasses the history of wine in the church, particularly its use in the Lord's Supper, discusses the fascinating process of winemaking, and considers both the health benefits of wine and the dangers of alcohol abuse. Describes the 1985 purchase of a bottle of 1787 Châateau Lafite Bordeaux for \$156,000, the mysterious background of the wine, and the enigmatic wine collector who discovered the bottle, once supposedly owned by Thomas Jefferson, in a bricked-up Paris cellar.

Inspired by Jules Verne's classic adventure tale, celebrated editor-in-chief of The Wine Economist Mike Veseth takes his readers Around the World in Eighty Wines. The journey starts in London, Phileas Fogg's home base, and follows Fogg's itinerary to France and Italy before veering off in search of compelling wine stories in Syria, Georgia, and Lebanon. Every glass of wine tells a story, and so each of the eighty wines must tell an important tale. We head back across Northern Africa to Algeria, once the world's leading wine exporter, before hopping across the sea to Spain and Portugal. We follow Portuguese trade routes to Madeira and then South Africa with a short detour to taste Kenya's most famous Pinot Noir. Kenya? Pinot Noir? Really! The route loops around, visiting Bali, Thailand, and India before heading north to China to visit Shangri-La. Shangri-La? Does that even exist? It does, and there is wine there. Then it is off to Australia, with a detour in Tasmania, which is so cool that it is hot. The stars of the Southern Cross (and the title of a familiar song) guide us to New Zealand, Chile, and Argentina. We ride a wine train in California and rendezvous with Planet Riesling in Seattle before getting into fast cars for a race across North America, collecting more wine as we go. Pause for lunch in Virginia to honor Thomas Jefferson, then it's time to jet back to London to tally our wines and see what we have learned. Why these particular places? What are the eighty wines and what do they reveal? And what is the surprise plot twist that guarantees a happy ending for every wine lover? Come with us on a journey of discovery that will inspire, inform, and entertain anyone who loves travel, adventure, or wine.

When Wine Tastes Best 2010A Biodynamic Calendar for Wine Drinkers

A 2018 Pura Belpré Author Honor Book The First Rule of Punk is a wry and heartfelt

exploration of friendship, finding your place, and learning to rock out like no one's watching. There are no shortcuts to surviving your first day at a new school—you can't fix it with duct tape like you would your Chuck Taylors. On Day One, twelve-year-old Malú (María Luisa, if you want to annoy her) inadvertently upsets Posada Middle School's queen bee, violates the school's dress code with her punk rock look, and disappoints her college-professor mom in the process. Her dad, who now lives a thousand miles away, says things will get better as long as she remembers the first rule of punk: be yourself. The real Malú loves rock music, skateboarding, zines, and Soyriso (hold the cilantro, please). And when she assembles a group of like-minded misfits at school and starts a band, Malú finally begins to feel at home. She'll do anything to preserve this, which includes standing up to an anti-punk school administration to fight for her right to express herself! Black and white illustrations and collage art throughout make *The First Rule of Punk* a perfect pick for fans of books like *Roller Girl* and online magazines like *Rookie*.

Most rational people don't pay \$40 for \$20 items. And yet with wine, it happens all the time. Wine can be an expensive hobby. Founder of the popular site *ReverseWineSnob.com*, Jon Thorsen is an unapologetic frugal wine consumer. He flips wine snobbery on its head by pushing a \$20 or less mantra. *Reverse Wine Snob* is designed to help wine drinkers stop wasting money and get the most satisfaction out of their drinking dollars. It reveals Thorsen's Ten Tenets of Reverse Wine Snobbery—ten beliefs that eliminate myths about wine—as well as a unique rating system that includes the cost of the bottle so that there is satisfaction in both taste and price. In Jon's unique system, the more expensive a wine, the better it must taste. *Reverse Wine Snob* explains: The number one rule all wine drinkers should follow, no matter what the wine snobs say. How to shop for wine at stores like the nation's #1 wine retailer Costco and Trader Joe's. The regions and varieties of wine that give the best value. Why the price of a wine has nothing to do with its taste. Why the distribution system in the US is broken which costs you money and limits your wine choices. Tons of Jon's very favorite wine picks. Jon dapples in every kind of wine from \$10 kitchen sink blends to the \$20 "Saturday Night Splurge," so delicious it's worth twice the price. *Reverse Wine Snob* brings plain old common sense to the wine industry and encourages wine lovers to explore the world of inexpensive quality wine.
