

## Winning From Within A Breakthrough Method For Leading Living And Lasting Change

Every day the world loses innovative inventions, new businesses, books, ideas, and world-changing contributions because of fear. Many don't overcome their fear because they haven't completed the work to breakthrough their own limiting beliefs to reach their level of excellence. To truly breakthrough to excellence(TM), not just as entrepreneurs, but as women. we need to courageously show up and play the game. Not as we think anyone else wants us to be, but as we truly are. Jasmin Haley, Founder of the Breakthrough to Excellence(TM) Network, a community that coaches women who want to overcome their fear, get their business organized, and scale to six-figures or more, has pushed past her own fears & traumas to be the woman you see here today. This book will guide the reader through the initial stages of overcoming self-doubt, fear and acquiring professional prosperity. In this book, you will take a dive through research, science, and real-life stories of women who courageously push past the fear to conquer their goals. We will examine ways to break out of stagnation by creating an environment to shift into dynamic action. Inside you will learn: - The cost of allowing fear to take the driver's seat in your life and business - Why your mindset is seismically important and how to alter it to fully believe in yourself - How to identify your unique strengths and purpose to take massive action - The science behind negative thinking and how it contributes to decision making - How to set your intention to conquer your goals in life or in business - Why removing toxicity in your life and business is crucial to you reaching your breakthrough - Strategies to build your confidence, trust yourself, and face your fears head on to fully live your life with joy and abundance Now's the time to be bold, stake your claim on your purpose, and dare to live your life with joy!

"Author and popular speaker, André Taylor provides readers with concrete solutions to overcoming tough times. Using his own life, career, and entrepreneurial experiences as lessons Taylor provides straight talk on why you can endure during the most challenging moments in life and come back in a big way. Written in a direct and powerful way, Taylor connects with readers creating the feeling of having a personal guide through roadblocks and obstacles. He has personally faced everything from losing everything when his house burned to the ground in the dead of winter, launching a successful company from scratch in a tough competitive market, where he had to compete with well-financed giants, and dealing with paralyzing personal and business reversals. Yet he discovered the magic in difficult times and now teaches individuals and businesses worldwide how to win even in situations where it doesn't seem possible. In *You Can Still Win!* you'll learn lots of creative techniques that will help you deal with problems mentally, emotionally, and strategically enabling you to quickly get past hurdles and get back on track."--

Relationships: you start out madly in love and somehow end up just mad, angry, lonely, discouraged, frustrated or even heartbroken. Why do relationships have to be so hard? In *How to Win Her & Influence Him*, Genie Goodwin unveils the most common reasons relationships can be so difficult and the miraculous strategies you can easily do that can melt the troubles away. Men and women live in two different worlds, expecting totally different things from each other. Because of that we misinterpret and misunderstand most signals. When we give each other the "wrong" things, we think we aren't loved and it causes conflict and massive pain. Transform your relationships with practical and powerful secrets of walking in love. You can create a whole new, long-lasting, passionate relationship with the one you love instead of being angry, frustrated, and lonely. Improve communication, connection and cooperation to create a legendary love affair.

The Breakthrough Blueprint changes the way leaders think about breakthroughs and innovative thinking. Rather than relying on lone geniuses, lightbulb moments, "creative types," or long battering-ram sessions approaching the 'how' of the challenge, they will learn how any individual can structure their days to unobtrusively create the mindset and environment where breakthroughs are not only consistent occurrences but can be immediately acted upon to create the optimal desired impact. The book provides an actionable, clearly delineated, architectural structure for optimizing the impact of breakthrough ideas—something that has always been treated as an intangible, "fuzzy" topic. It includes illustrative case studies of each element as employed by NBA players and widely admired business leaders. The Breakthrough Blueprint breaks down the components of breakthrough thinking into a formula that is so easily employed, it can be pegged to the hours in your day. Rather than focusing on the challenge of the 'how' that requires an innovative solution, these tools clarify 1) who you are and how to establish the Breakthrough Confidence you need to achieve the specific breakthrough you are targeting, 2) where your team is and how to build the Breakthrough Cooperation required to act upon your breakthrough, 3) the potential of your breakthrough in service to others, and 4) why your goals inspire you to innovate and solve larger questions with purpose and relentless consistency. Although the formulas and methods are all backed with both scientific data and anecdotal case studies, the material is presented to appeal to elite performers in any industry, with relatable examples and entertaining, clear language.

There have been countless books written on Success. The word success implies a desirable outcome from someone's actions. As we know, success is the satisfaction we receive from attaining our goals. . . and most of us have different goals. The methods used to attain goals are typically multi-faceted. They could be some combination of knowledge, inventing a product or developing a service, helping a cause that is near and dear to your heart, fame and fortune, or maybe coaching and guiding others to their goals in life. Then again, your success breakthrough may be in accomplishing something totally different that will serve others in good stead. Note that in every case, success has a beginning and an end, and nothing starts without action. Thomas Edison's quotation that he had not failed, but rather found 10,000 ways that didn't work, serves to remind us that perseverance and action are two of the essential qualities needed for Success Breakthroughs. Then again, you can start with a goal in mind, but if you never finish, the unattained-goal is like yet another asteroid floating in space - matter without a home or meaning to us. The *CelebrityExperts(R)* in this book have enjoyed their successes and learned from their failures. They have found a path to Success Breakthroughs. With guidance from them, you can pursue your own goal while using their experiences to light the way. They have a track record and, as Tony Robbins says: ..".success leaves clues " There are no secrets to success. It is the result of preparation, hard work, and learning from failure. Colin Powell

Featuring the expertise and wisdom of eight of America's most renowned experts on coaching and counseling, this text teaches readers how to be winners and how to teach others to be winners, tap the hidden strengths in each person on the team, be a coach who inspires peak performers to even greater productivity, mentor employees to move them from good to great, prevent team problems before they happen, and much more.

If you want to succeed in today's hyper-competitive market, you want your brand to buzz. You want it to be a brand that people can't stop talking about, one that customers love to support. With their expertise through working on some of the biggest brands in the market, Adrienne and Greg Weiss offer their industry secrets on how to best create buzz within and around your brand. *Brand Buzz* lays out the 3 rules Adrienne and Greg have uncovered through their career in the branding industry: storytelling, club making, and country building. Storytelling: no one will care what your product is if you don't sell them why it is, who you are, and how this will change their lives for the better Clubmaking: creating an exclusive, just-for-you feel to your brand will make consumers crave to be a part of the magic Country Building: once you've established yourself as a product people need and want to be a part of, make your company one that is fun to be a part of! Establish a voice for your brand, cohesive marketing, and fun details Gain

notoriety, generate excitement, and earn loyal customers--start building your brand's buzz now!

The students of Bryant High School's Retail Work Program were classified as losers exiled from regular classes for disruptive, undisciplined behavior. Nobody-least of all the students-thought they would ever succeed. We proved everyone wrong. As the program's hands-on approach, which included subject related employment, gave them confidence, the students built lasting, positive relationships with each other, their parents, employers, and faculty. These bonds inspired them, encouraging them to remain in the program with phenomenal results. One hundred percent of students enrolled in the Retail Work Program graduated high school. An unprecedented 90 percent went on to college. While the program was praised by the board of education, the secret of its success lay in the students themselves-their determination and their mutual support. From Losers to Winners relates the stories of these students-kids who found purpose and motivation in spite of personal, family, and legal problems in their lives, transforming themselves into successful adults. A former member of the Bryant High School faculty, it was Marvin Findling's privilege as originator and director, to help the students of the Retail Work Program discover and develop their passions and channel them into lifelong skills.

A National Science Teachers Association Best STEM Book of 2017! For the first time, teen innovator and scientist Jack Andraka tells the story behind his revolutionary discovery. When a dear family friend passed away from pancreatic cancer, Jack was inspired to create a better method of early detection. At the age of fifteen, he garnered international attention for his breakthrough: a four-cent strip of paper capable of detecting pancreatic, ovarian, and lung cancers four hundred times more effectively than the previous standard. Jack's story is not just a story of dizzying international success; it is a story of overcoming depression and homophobic bullying and finding the resilience to persevere and come out. His account inspires young people, who he argues are the most innovative, to fight for the right to be taken seriously and to pursue our own dreams. Do-it-yourself science experiments are included in each chapter, making Breakthrough perfect for STEM curriculum. But above all, Jack's memoir empowers his generation with the knowledge that we can each change the world if we only have the courage to try.

Winning from Within A Breakthrough Method for Leading, Living, and Lasting Change Harper Collins

The phenomenon of uncertainty is not new; what is new is its intensity and potential to change industries and destroy companies. Business leaders can be on the defensive, or they can be on offense, prepared to lead decisively. The ability to deal with uncertainty is perhaps the paramount skill leaders must have to be successful in this era. Without it they risk becoming personally obsolete and driving their companies off a cliff. In *The Attacker's Advantage*, renowned business expert and bestselling author Ram Charan shows what skills are needed to be able to spot the disruption that is coming, and what actions are necessary to take advantage of these changes. While many leaders know how to cope with operational uncertainty—when, for example, revenue fluctuates—the same cannot be said for dealing with structural uncertainty that can alter the money-making patterns of a company, industry or entire economic sector. Charan demonstrates the huge upside offered by structural uncertainty and provides the concepts and tools—such as being able to spot the catalysts of disruption, building organizational preparedness, developing a financial understanding of the consequences—to take advantage of forces that are creating new customer needs, market segments and ways to make money. Uncertainty is now ubiquitous. The sources of structural change are so varied and fast moving, and their convergence so unpredictable. Digitization and the integration of technologies through software and hardware has already impacted many businesses, but much more is to come. With his unparalleled ability to cut through complexity and provide workable solutions, Ram Charan provides his readers with the ability to anticipate and deal with the biggest threats facing their business.

What's the secret to superior execution? Is it brilliant strategy? Better processes? Superior technology? No. None of these suffices individually, or even in combination. To perform well over the long term, to make everyone's valiant efforts work and “stick,” you need another ingredient, something basic and seemingly ordinary: behavior. New results require new behavior. It's that simple—and that difficult. *The Behavior Breakthrough* reveals the quiet revolution that is underway in pioneering and successful organizations. Their people routinely focus on “move the needle” priorities, they skillfully identify the new actions that are required to win, and they consistently perform them. In this compelling book, organizational behavior expert Steve Jacobs and his colleagues explain how these companies do it, presenting the game-changer for new business results. They offer lessons on identifying high-impact behavior, fostering it, and building new and lasting competitive advantage. Moreover, they share the important implications of behavioral leadership for breakthroughs in executing business plans, coaching for elite performance, guiding large-scale change, building culture, and accelerating talent strategies. Distilling decades of research and experience, the authors deliver a career-changing and life-changing book that will give you “new eyes,” simple models for everyday use, and inspiring and instructive stories of Fortune 500 leaders who have won big results.

Shayla had no idea her life would turn out like it did. She had two kids, independent, a college degree, owns a Top Business Consulting firm in Buckhead, Atlanta and a Non-profit organization for the community, but in the midst of it all she was Trapped. Trapped in love, hate, lust and PAIN!! She had a natural body that these women would die for, her personality made her beautiful, her presence was unreal and she had a smile that would lighten up your darkest days. Shayla wasn't your average chick she was street and book smart, but had one problem men was her weakness. She picked the men she had the weakness for. Shayla was living a triple life and the walls were starting to close in on her fast.. Shayla was focused on her businesses, but on the flip side enjoyed herself, She never meant to hurt anyone feelings, so she tried to be as upfront as possible when they would ask, which was never so, she never offered the information. She is about to go for the ride of her life, she's a street girl by nature, maybe she can get herself out it. Her

best friend Kisha is by her side to support her until Shayla finds out her secret. Shayla is into deep.....

Mansourou comes out of the gate firing and does not relent in this criticism of religious notions and influence. Rather than refer to religion in general terms or acts in the name of religion, Mansourou attacks religious undertones and what is not often looked at in religious subtext along with modern religious theology for their shallow and vacant themes in today's complex society.

Have you EVER wondered how you can truly WIN in every area of your life ? Would you like to move from ordinary to EXTRA-ordinary starting right now ? It is quite easy to get lost in the crowd of men and women within the corporate world as you're seeking to establish a satisfying career. This also poses as a concern for business owners in crowded industries who want to WIN BIG. Specific principles need to be implemented in order to stand out from the sea of other professionals. Grab a copy today!

Why Americans have never elected a woman president, how we changed to make it possible, and why it matters. From Hollywood to the halls of Congress, a lively conversation about women's leadership, equal pay, and family-work balance is underway. On the cusp of a historic breakthrough—the potential election of America's first woman president—Nancy L. Cohen takes us inside the world of America's women political leaders. Drawing on hundreds of hours of interviews with women governors and senators from both parties, experts, political operatives, and a diverse array of voters, Breakthrough paints an intimate portrait of the savvy women who've built an alternative to the old boys club and are rewriting the playbook for how women succeed in politics. In this accessible and often surprising story, Cohen introduces us to the inspiring women behind the women who have brought us to this threshold, and to a dynamic group of young leaders who are redefining how we think about leadership, feminism, and men's essential role in achieving gender equality. Breakthrough takes on our cultural assumptions to show that the barriers that once blocked a woman's ascent to the presidency have fallen, even more than we realize.

There is no gainsaying that God's plan concerning every man on earth is that he prospers and be in health. Unfortunately, many people suffer lack, and most times, are not successful in whatever they lay their hands on. This is not the will of God for such people. Satan - the age long enemy of man is responsible for this, using his emissaries to afflict his victims in the kingdom of darkness. This book is specially packaged to put an end to such afflictions from the kingdom of darkness, as it offers over 200 inspired Prayers that will attract money, financial ideas and favor of God and man into your life. The prayers in this book are not meant to be prayed casually, they are highly spiritual. There is no other book like this book. Why? This is because the prayers were released by the Holy Spirit while meditating on over 150 special scriptures that will command financial release over your life. Friend, As I read each passage, by virtue of my gifts of prophecy and healing, the Holy Spirit instantly released those prayers, and I put them down as I heard the Holy Spirit spoke to my spirit. So you can see clearly that these prayers were not formulated or guessed. This is why I'm fully convinced that this book will be of immense blessings to you. The prayers in this book covers all areas of your life, you will only be able to appreciate the book when you go through all the prayers. This is because the prayers are spiritually discerned and arranged. You are to pray the prayers in this book with all seriousness. Pray most of them repeatedly before moving to the next prayer. These prayers would be very great during your special midnight prayers. Furthermore, since these prayers were released while meditating on God's word, you can pray this prayer perfectly even if you don't have access to the Holy Bible during your prayers. I look forward to your arrays of testimonies as you read this book and add the wisdom and Grace in it to your life and family.

With its use of football stories, Gridiron Leadership provides a fresh, new approach to capturing and understanding the concepts and practice of leadership, strategy, and execution. \* Includes a foreword by Pittsburgh Steelers president and co-owner, Art Rooney II \* Presents four diagrams and illustrations that summarize leadership models \* Offers a bibliography of approximately 100 scholarly and other citations that support the authors' view of leadership and performance

This is NOT a leadership book. If you want to be the leader of a growing, profitable business that positively impacts the lives of employees and clients, it'll take more than leveling up your capacity and capabilities as leader. It will require a leadership team of A-players who can work with you to create a vibrant, winning environment that cascades down through the organization. Or, as Mike Goldman calls it: a breakthrough leadership team. In this book, Mike shows you how to structure your team now and plan for future growth,

get the right people on the team and the wrong people off the team, craft the right culture, develop your talent, and execute with discipline and accountability. This is a hands-on book you'll want to use with your leadership team and keep on your shelf to reference as your business grows and new challenges arise. It's your key to enjoying greater and more consistent top and bottom-line growth, creating a fulfilling environment for your employees, adding more value to your clients, and having a greater impact on society.

Synopsis coming soon.....

The Impossible reveals prayer's immediate and powerful impact through the true account of a family whose son died and was miraculously resurrected. Through the years and the struggles, when life seemed more about hurt and loss than hope and mercy, God was positioning the Smiths for something extraordinary-the death and resurrection of their son. When Joyce Smith's fourteen-year-old son John fell through an icy Missouri lake one winter morning, she and her family had seemingly lost everything. At the hospital, John lay lifeless for more than sixty minutes. But Joyce was not ready to give up on her son. She mustered all her faith and strength into one force and cried out to God in a loud voice to save him. Miraculously, her son's heart immediately started beating again. In the coming days, John would defy every expert, every case history, and every scientific prediction. Sixteen days after falling through the ice and being clinically dead for an hour, he walked out of the hospital under his own power, completely healed. The Impossible is about a profound truth: prayer really does work. God uses it to remind us that He is always with us, and when we combine it with unshakable faith, nothing is impossible.

Do you want more for you life? Would you like to happier, more successful, have stronger relationships and live an extraordinary life? Michael W. McLaughlin (Mill Valley, CA) has been a partner with Deloitte Consulting since 1994.

Life can be viewed as a roller coaster, full of ups and downs, thrills and chills. How we handle our circumstances determines our success. Throughout my misfortunes I learned that it is not our mistakes, it is what we do after that mistake which matters the most. Even the Apostle Paul was once considered a bad and sinful person who persecuted people trying to spread the word of God; before he eventually saw the light. I have been in the darkness of neglect, abuse, and abandonment, which caused me to be violent, spiteful, and criminal minded. But through my trials and tribulations, I was able to overcome adversity. Similar to Apostle Paul, a school social worker was my Barnabas. Being confined was my Damascus. And constantly escaping death was my confirmation. Now I'm devoted to be the best Christian I can be. I'm looking forward to helping, encouraging, and guiding others, especially our youth. Some may say this is a sad story. Others may claim it's violent or dramatic. But best of all... this is a story of success.

Breakthrough Your Barriers and Dare to Live an Authentic Life You can live the life of your dreams, and Breakthrough! Inspirational Strategies for an Audaciously Authentic Life will show you how. Contributors: Roger Seip, Ellen Rogin, Nancy Falconi, Gina Calvano, Susie Steadman, Jane Cavanaugh, Una Panting, Dr. Shannon South, Cliff Thomas MD, Shan McLean, Scott Werner, Leslie A. Klocek Pencak, Barbara Edie, Inger Pols, Josephine Auicello, Mary Knight, Maggie Dillon Katz, Wendy Nichols

Success is measured not by the size of your brain, but rather by the size of your thinking. This intrigues a lot of people, and if you observe how people behave, you will have a clear understanding of what success really means. Time and time again, history and experience have proved that the degree of our general satisfaction and happiness is dependent on how we think. There is magic in thinking big! Positive thinking helps accomplish so much in our life, but unfortunately not everyone thinks that way. We are all products of our thinking that goes within and around us. There is an environment around us that exerts all sorts of forces on your thinking; some will push you up the ladder while others will pull you down. We have been told many times that opportunities to lead are no longer there; hence we should be content with who we are without having positive aspirations on leadership. The petty environment surrounding us also has its own narrative concerning our lives. It constantly tells us that whatever is destined will eventually happen and we have no control over it. Leaving your fate in the hands of chance can potentially ruin your life and make you miserable. Therefore, before you start giving up your dreams of a finer home or giving a better life for your children, stand firm and resist resigning to fate. Do not lie down and wait to die. Success is worth every effort you expend, and every step you make pays a dividend. Even in an environment where competition is intense, you still can succeed as long as your thinking is in the positive quadrant of your mind frame. The basic concepts and principles that underlie the power of thinking big are drawn from the highest-pedigree sources and the finest thinking minds such as Emerson who said "Great men are those who see that thoughts rule the world." Milton who wrote in his book Paradise Lost, "The mind is its own place and in itself can make a heaven of hell or a hell of heaven." Shakespeare made an interesting observation about thinking which he summarized and said "There is nothing either good or bad except that thinking makes it so." Proof is everywhere that thinking big indeed works. When you look at the lives of people who you consider as big thinkers, you will be amazed at their winning success, happiness and achievements. This book will show you proven strategies from different life situations that will turn your life around.

Winning from Within by leadership and negotiation expert Erica Ariel Fox presents a contemporary approach for getting more of what you want, improving relationships, and enjoying life's deeper rewards. With principles developed while teaching negotiation at Harvard Law School and coaching executives around the world, Fox provides a map for understanding your inner world and a method for sorting yourself out. Fox uses insights from Western psychology and Eastern philosophy to resolve the gap between what people know they should say and what they actually do. She explains how to master your "inner negotiators," whether working with a difficult client, struggling with a stubborn spouse, or developing your highest leadership potential. With a Foreword by William Ury, coauthor of the classic bestseller

Getting to Yes, Winning from Within: A Breakthrough Method for Leading, Living, and Lasting Change is your guide to greatness.

Lark isn't your normal princess. She's the princess of Myrinor, an influential kingdom with a rich history. Along with that title come great responsibilities, such as learning swordplay, trying her best to be the perfect role model, and most importantly, hiding her deepest secret. As days go by, she discovers that her best friend, Julian, is not what he seems. An ancient curse resurfaces from the past and drags them both into the heart of a forgotten kingdom. The fates of both kingdoms rest in their hands. The quest begins to end it all.

A simple-to-understand, practical and proven model for any individual, team leader or senior executive concerned by how well their business relationships stand up to conditions of change and stress.

Author Arlene Karian opens the door to success for millions of parents now – and in the future. In "Mentoring Your Child To Win: The 7 Breakthrough Keys How A Single Former Welfare Mom Raised A Multi-Millionaire Kid", Arlene – “The Parenting Mentor” – provides you with a proven plan she created for herself and is now available to all who shape a child's consciousness. Easy and enjoyable to follow, parents will find the tools to create a bond with their children in an exciting new way. Recently validated by science, Arlene's system will open a whole new world of possibilities, empowering you to raise extraordinary children and also uplift you and your entire life in the process. The simple secret: Arlene became a mentor to her son by following a simple original system. Now you can use Arlene's "Road Map to 21st Century Parenting" system to help your children avoid negative outside influences and achieve great things, so they become what they were meant to become. In "Mentoring Your Child To Win: The 7 Breakthrough Keys How A Single Former Welfare Mom Raised A Multi-Millionaire Kid," you'll discover:

- The 7 Keys to 21st Century Parenting
- The 3 Scientific Research Secrets about Parenting
- How To Mentor Your Child to Excel
- How to Raise an Extraordinary Child
- How To Get Your Kid To Say 'No' to Outside Influences

Plus a lot more detailed, step-by-step guidance, inspiration, and help for parents and guardians to modernize parenting with a new breakthrough approach to interface with these troubled times. In addition, the book reveals:

- Detoxing Your Mind: An Innovative Way to De-stress
- How To Effortlessly Organize Your Day
- Keeping The Love Alive In Spite Of Dishes, Laundry and Texting

“Mentoring is the new way,” Arlene says. “I raised my son to excel while on welfare. It's because I blended parenting with mentoring that my son became so extraordinary, successful, and a living role model of my work. Helping all parents bring out the best in their children, whatever that might be, is now my passion.” Arlene believes that true wealth comes from the wisdom of the one who is shaping a child's life. Her book will guide you on an incredible new journey toward that end. *Mentoring Your Child To Win: The 7 Breakthrough Keys – How A Single, Former Welfare Mom Raised A Multi-Millionaire Kid* brings solutions for parenting in the 21st Century.

The enhanced digital edition of *Winning from Within* features twelve exclusive video exercises not available in other editions of the book. In each video, negotiations and leadership expert Erica Ariel Fox offers practical tips, techniques, and stories to help you internalize this breakthrough method for creating lasting change in both your professional and your personal life. Whether you run a Fortune 500 company or serve as CEO of your household, negotiating effectively is crucial to leading wisely and living well. Leading and living are a series of constant negotiations. Consider what goes on during your typical week: Can you influence your client to accept your proposal? Will you persuade colleagues to give you the resources you need to finish your project? How will you ask your neighbor to switch carpool days so that you will finally have time to get to the gym? According to conventional wisdom, a "win-win" outcome is the hallmark of success. However, until now, advice on getting there has overlooked one crucial element. It turns out that the most important negotiations you have, the ones that drive the impact of your leadership and the quality of your life, are the ones you have with yourself. What does negotiating with yourself mean? It's what happens when you want to stay at the office, but also want to keep your promise to the family to get home in time for dinner. Or when one side of you votes to roll the dice and go for your dream job, while another worries about paying the mortgage. It's what you do when one part of you wants to give your relationship every chance to work, while another knows that this time it's really over. When you're of more than one mind about what to do, negotiating with yourself is an essential skill. Should you say yes or no, or should you stall for time? Offer an olive branch or lay down the law? Speak your mind or hold your peace? When you know how to win the tug-of-wars inside of you, then you can "get to yes" in lasting and transformational ways. With honesty, humor, and fresh ideas, *Winning from Within* gives you a clear road map for knowing your inner world and a method for sorting yourself out. Whether you're struggling with a difficult customer or arguing with your spouse, by understanding what leadership and negotiation expert Erica Ariel Fox calls your "inner negotiators," you'll learn to turn breakdowns into breakthroughs. With the insight and tools to get out of your own way, you'll find new avenues to realizing your dreams.

Life is indeed a game that we all play to pass time; simply a series of days strung together, made up of how you planned or decided to spend the moments. Like any game how well it is played or whether life's circumstances are interpreted accurately, then used to the best advantage, makes losers and winners to varying degrees. Senseless insanity is alive and well within the world. The world is awash with unruly forces, that if not intent upon harming you do desire to become a destabilising force, either temporarily or over the long term. We are all participants in a charade, how life evolves and turns out all depend on how well the game is played. It is not wise or ideal to treat life like a game of chance, a random roll of the dice that can determine unpredictable outcomes. The cost of success is the careful application of well thought out concepts and ideas. Like any game preparation is critical; understanding the rules, knowing how to manipulate the dynamics at play efficiently to ones own advantage, understanding the intricacies of the rules and how to capitalise upon or create opportunities, pursuing whatever circumstances are present to maximise whatever potential exists to the best advantage. The potential opportunities in life are only limited by the inability to firstly comprehend them and secondly to fully utilise personal abilities to maximise the potential that is available. Don't wait for special times to evolve, rather create them in accordance with your true desires to experience what you wish to make real. Much like any game, the game of life has things that can be obtained, or things that can be lost. How the game is played, the value of the stakes, the opposing factions all come to dictate an outcome, be that favourable or lacking any resemblance of being lucky. A life lived based upon any reliance on luck or fate being favourable is tempting only to the over optimistic, or those extremely lucky ones or who were fortunate in the past and believe that good fortune will continue in the future. While it takes resources to control the world, the control of your own specific world environment is really within your potential to achieve. How you choose to control your world, as well as to what extent your desires are put into action, determine whether your life

will meet your wishes or not. The amount of thought and energy you exhort, the persistence of that effort, all comes to determine whether and to what degree what you want is what you actually get. In life you may win or lose at times, it's basically just like playing a game; the right mentality is chancing the wheel of life by trusting and ensuring you will win just the same.

While everyone may not have reached their creativity potential, Levesque debunks the myth that creativity belongs to only a few. MITE (Book One) is the first of this gripping, thought provoking, Young Adult story of how a seemingly positive, beneficial breakthrough in medical technology with many wonderful applications can be corrupted for unscrupulous use by powerful companies and their corporate leaders and top scientists. MITE is a cautionary tale loaded with drama, corporate conspiracy, exciting adventures and a little teenage romance. Readers of author M.S. Antonucci's novel will be drawn to the charismatic characters and their thrilling conflict. The very real possibilities of MITE's fantasy technology and this absorbing story of its ominous effects on its innocent subjects will inspire readers of all ages to ask, "What if?" A father walking towards the lifeless body of his daughter, Kailey, a fate brought on by his own doing. He never thought that by enrolling her in a program meant for protection it would become her biggest source of danger. MITE tells a story of a young couple driven into the scientific community by their inability to naturally conceive. Once given a chance by a doctor with interests in a new form of surveillance, their fears of the world around them leads the young parents to enroll in his program; a decision that will change their lives and the life of their daughter. Spinning out of control, Allen begins a drunken overprotective surveillance over the course of his daughter's adolescence. As tragic events unfold, he is driven into an alcohol-induced madness which sends his daughter seeking freedom from his parental control. Soon, an overlooked stipulation in the contract between him and the doctor shifts Kailey from a patient to prey as the misguided program seeks to tie up loose ends. Now Kailey finds herself part of a hidden resistance of like-fated former patients coping with a life of lies and the reality of being hunted and their only option; to fight back.

Effective leadership is a product of selflessness and sacrifice. I wrote this book to help leaders become better. Where you are just starting your journey, or you be on this course for a decade or more, after reading the Frontrunner, you'll become a more effective manager-and leader, Guaranteed! The Frontrunner's leadership strategies explore research areas and practical skills that encompass an individual, group, or organization's ability to "lead," influence, or guide other individuals, teams, or entire organizations. Strong leadership skills will help you build confidence, influence cultures, and critical decisions. Frontrunner will help you improve as a leader, train others and increase leadership impact throughout your community. Frontrunner 365 provides feedback and insight on the fortes and positive aspects of the leader's actions and styles. This book is also a great resource and valuable complement to our Frontrunner 365 Executive and Business Seminars. They are customized to connect with people and achieve collaborative goals. Frontrunner 365 will accelerate your leadership goals, emotional intelligence and help you build a thriving organization. The Frontrunner materials ensure those strengths are explored and mastered, building a well-rounded and effective mentor to those surrounding them in the workplace.
