Hattie Lawton was a young Pinkerton detective who with her partner, Timothy Webster, spied for the U.S. Secret Service during the Civil War. Working in Richmond, the two posed as husband and wife. A dazzling blonde from New York and a handsome Englishman, both with checkered pasts, they were matched in charm, cunning, duplicity and boldness. Betrayed by their own spymaster, Allan Pinkerton, they fell into the hands of the dictator of Richmond, the notorious General John H. "Hog" Winder. This lively history, scrupulously researched from all available sources, corrects the record on many points and definitively answers the long-standing question of Hattie Lawton's true identity.

People say 'love never dies'... but love might be the death of Seraphina. Seraphina has been alive since the Middle Ages, when her boyfriend, Cyrus, managed to perfect a method of alchemy that lets them swap bodies with any human being. She doesn't want to die, so she finds young people who are on the brink of death, and inhabits their bodies. When we meet Sera, she has landed in the body of a girl named Kailey who was about to die in a car accident. For the first time, Sera falls in love with the life of the person she's inhabiting. Sera also falls for the boy next door, Noah. And soon it's clear the feelings are returned. Unfortunately, she can never kiss Noah, because for her to touch lips with a human would mean the human's death. And she has even more to worry about: Cyrus is chasing her, and if she stays in one place for long, she puts herself -and the people she's grown to care for - in danger.

"Stunning... The intelligent, cerebral plot finds contemporary parallels in Euripides's tragedies, Jacobean dramas such as *The Duchess of Malfi*, and Tennyson's poetry. The devastating ending shows just how little the troubled Mariana knows about the human psyche or herself. Michaelides is on a roll." —Publishers Weekly, starred review "A deliciously dark, elegant, utterly compulsive read—with a twist that blew my mind. I loved this even more than I loved *The Silent Patient* and that's saying something!" —Lucy Foley, New York Times bestselling author of *The Guest List* From the #1 New York Times bestselling author of *The Silent Patient* comes a spellbinding tale of psychological suspense, weaving together Greek mythology, murder, and obsession, that further cements "Michaelides as a major player in the field" (Publishers Weekly). Edward Fosca is a murderer. Of this Mariana is certain. But Fosca is untouchable. A handsome and charismatic Greek tragedy professor at Cambridge University, Fosca is adored by staff and students alike—particularly by the members of a secret society of female students known as The Maidens. Mariana Andros is a brilliant but troubled group therapist who becomes fixated on The Maidens when one member, a friend of Mariana's niece Zoe, is found murdered in Cambridge. Mariana, who was once herself a student at the university, quickly suspects that behind the idyllic beauty of the spires and turrets, and beneath the ancient traditions, lies something sinister. And she becomes convinced that, despite his alibi, Edward Fosca is guilty of the murder. But why would the professor target one of his students? And why does he keep returning to the rites of Persephone, the maiden, and her journey to the underworld? When another body is found, Mariana's obsession with proving Fosca's guilt spirals out of control, threatening to destroy her credibility as well as her closest relationships. But Mariana is determined to stop this killer, even if it costs her everything—including her own life.

"...an engaging and enlightening account from which we all can benefit."—The Wall Street Journal A better way to combat knee-jerk biases and make smarter decisions, from Julia Galef, the acclaimed expert on rational decision-making. When it comes to what we believe, humans see what they want to see. In other words, we have what Julia Galef calls a "soldier" mindset. From tribalism and wishful thinking, to rationalizing in our personal lives and everything in between, we are driven to defend the ideas we most want to believe—and shoot down those we don't. But if we want to get things right more often, argues Galef, we should train ourselves to have a "scout" mindset. Unlike the

soldier, a scout's goal isn't to defend one side over the other. It's to go out, survey the territory, and come back with as accurate a map as possible. Regardless of what they hope to be the case, above all, the scout wants to know what's actually true. In *The Scout Mindset*, Galef shows that what makes scouts better at getting things right isn't that they're smarter or more knowledgeable than everyone else. It's a handful of emotional skills, habits, and ways of looking at the world—which anyone can learn. With fascinating examples ranging from how to survive being stranded in the middle of the ocean, to how Jeff Bezos avoids overconfidence, to how superforecasters outperform CIA operatives, to Reddit threads and modern partisan politics, Galef explores why our brains deceive us and what we can do to change the way we think. If you could have anything, what would you wish for? For broken-hearted Olivia Larsen, nothing can change the fact that her twin sister, Violet, is gone... until a mysterious, beautiful gown arrives on her doorstep. The dress doesn't just look magical; it is magical. It has the power to grant her one wish, and the only thing Olivia wants is her sister back. With Violet again by her side, both girls get a second chance at life. And as the sisters soon discover, they have two more dresses—and two more wishes left. But magic can't solve everything, and Olivia is forced to confront her ghosts to learn how to laugh, love, and live again.

A novel about the end of days full of surprising beginnings The world is living in the shadow of oncoming disaster. Against this stark backdrop, three island teens wrestle with intertwining stories of love, friendship and family—all with the ultimate stakes at hand. Alexandra Coutts's *TUMBLE & FALL* is a powerful story of courage, love, and hope at the end of the world. Fran and Francesca have been friends forever but now Francesca's morphing into someone super-sophisticated. She's hanging out with the cool crowd, including school pin-up Quinn Adams. Fran's getting tired of being left in the background and wishes that just once someone would notice her wit, talent and all-round greatness.

This book explores the variety of types of complementation found across the languages of the world and their grammatical properties and meanings. It shows how languages differ in the grammatical properties of complement clauses and in the types of verbs which take them, and explores the complement strategies deployed by languages which lack a complement clause construction. The book includes detailed studies of particular languages, including Akkadian, Israeli, Jarawara, and Pennsylvania German. These are framed by R. M. W. Dixon's introduction, which sets out the range of issues, and his conclusion, which draws together the evidence and the arguments.

John Banville's works waver indecisively between modernism and postmodernism. This study offers a hitherto unexplored vista on his works and argues that Banville is a post-/modern pastoralist. The pastoral lens opens new vistas to Banville's central concerns: the collusion of ethics and aesthetics, self-identification in narrative, and the topography of the troubled mind. Banville's characters harbour an Arcadia of the unconscious conditioned by a subtext of nostalgia. Caught in a crisis, his characters explore, subvert and transform the pastoral mode into an ambiguous quest for a stable self.

Lana used to know what was real. That was before, when her life was small and quiet. Her golden stepbrother, Ben was alive. She could only dream about bonfiring with the populars. Their wooded island home was idyllic, she could tell truth from lies, and Ben's childhood stories were firmly in her imagination. Then came after. After has Lana boldly kissing her crush, jumping into the water from too high up, living with nerve and mischief. But after also has horrors, deaths that only make sense in fairy tales, and terrors from a past Lana thought long forgotten. Love, blood, and murder.

Bringing together historians and political scientists, this unique collaboration compares nineteenth-century civil societies that failed to develop lasting democracies with civil societies that succeeded. Much of the current literature on the connection between civil society and consolidating democracy focuses exclusively on single, contemporary polities that are ever-changing and uncertain. By studying historical cases, the authors are able to demonstrate which civil societies developed in tandem with lasting democracies and which did not. Contrasting these two sets of cases, the book both enlightens readers about individual countries and extracts lessons about the connections between civil society and democracy in contemporary times. Above all, the authors ask the vital but under-researched question, OHow and why does democratic civil society develop?O

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE, THE HUFFINGTON POST, AND SHELF AWARENESS • “In Hausfrau, Anna Karenina goes Fifty Shades with a side of Madame Bovary.”—Time “A debut novel about Anna, a bored housewife who, like her Tolstoyan namesake, throws herself into a psychosexual journey of self-discovery and tragedy.”—O: The Oprah Magazine “Sexy and insightful, this gorgeously written novel opens a window into one woman’s desperate soul.”—People Anna was a good wife, mostly. For readers of *The Girl on the Train* and *The Woman Upstairs* comes a striking debut novel of marriage, fidelity, sex, and morality, featuring a fascinating heroine who struggles to live a life with meaning. Anna Benz, an American in her late thirties, lives with her Swiss husband, Bruno—a banker—and their three young children in a postcard-perfect suburb of Zürich. Though she leads a comfortable, well-appointed life, Anna is falling apart inside. Adrift and increasingly unable to connect with the emotionally unavailable Bruno or even with her own thoughts and feelings, Anna tries to rouse herself with new experiences: German language classes, Jungian analysis, and a series of sexual affairs she enters with an ease that surprises even her. But Anna can’t easily extract herself from these affairs. When she wants to end them, she finds it’s difficult. Tensions escalate, and her lies start to spin out of control. Having crossed a moral threshold, Anna will discover where a woman goes when there is no going back. Intimate, intense, and written with the precision of a Swiss Army knife, Jill Alexander Essbaum’s debut novel is an unforgettable story of marriage, fidelity, sex, morality, and most especially self. Navigating the lines between lust and love, guilt and shame, excuses and reasons, Anna Benz is an electrifying heroine whose passions and choices readers will debate with recognition and fury. Her story reveals, with honesty and great beauty, how we create ourselves and how we lose ourselves and the sometimes disastrous choices we make to find ourselves. Praise for Hausfrau “Elegant . . . There is much to admire in Essbaum’s intricately constructed, meticulously composed novel, including its virtuosic intercutting of past and present.”—Chicago Tribune “For a first novelist, Essbaum is extraordinary because she is a poet. Her language is meticulous and resonant and daring.”—NPR’s Weekend Edition “We’re in literary territory as familiar as Anna’s name, but Essbaum makes it fresh with sharp prose and psychological insight.”—San Francisco Chronicle “This marvelously quiet book is psychologically

complex and deeply intimate. . . . One of the smartest novels in recent memory.”—The Dallas Morning News “Essbaum’s poignant, shocking debut novel rivets.”—Us Weekly “A powerful, lyrical novel . . . Hausfrau boasts taut pacing and melodrama, but also a fully realized heroine as love-hateable as Emma Bovary.”—The Huffington Post “Imagine Tom Perrotta’s American nowheresvilles swapped out for a tidy Zürich suburb, sprinkled liberally with sharp riffs on Swiss-German grammar and European hypocrisy.”—New York

Judas and Jewish leaders. Continually tried and condemned for Jesus' death. This book exonerates them and ends the longest running witch trial in history. The search for the true circumstances of Jesus' death is an intellectual detective story. The clues are all in words in the texts of the well-known Gospels and they're in the prejudices that blinded us to the obvious answer. This is not a tale about intrigue in the antiques market. Nor is it about looking for secret documents buried in a cave. This is rather a tale about scholarly self-deception in reading the Gospels, Jewish history, and themselves. If the historical, Jewish Jesus has been buried at all, it is beneath our prejudices and fears. Uncover these and he stands before you, hidden in plain sight. That may not be the usual sort of detective story but it is as genuine a mystery as ever there was. It's worth solving. If you're dying to know the complete solution, it's all there in a nutshell in Chapter 5. If you feel a need to wade into this more slowly, start with Chapter 1. I'll meet up with you again at the end of the book.

Gómez-Peña Unplugged is an anthology of recent and rewritten classic writings from Guillermo Gómez-Peña, a figure who stands alone as unique and ground-breaking in the history of performance art and as the artistic director of transdisciplinary performance troupe La Pocha Nostra. Throughout this collection, Gómez-Peña tackles literature, theory, pedagogy, activism and live art in an eclectic mix that demonstrates how the process of writing is simultaneously a performative exercise in embodied language. The writing stands as a call for action, utilizing what Gómez-Peña terms “imaginary activism” and “radical citizenship”; it invites the reader to embrace a borderless, polygendered, crossgenerational and race-literate ethos. This timely anthology comes straight from the heart of a troubled Trump-era United States and a crime cartel-ridden Mexico. Artists and writers are prompted to engage in radical performance pedagogy within the civic realm and to think of themselves as public intellectuals and “artists” participating in the great debates of our times. By encouraging emerging artists and writers to wildly imagine their practice beyond the normative art world and academia, this book is a fundamental read for scholars and students of performance art, political theatre, cultural studies, literature, poetry, activism and race and gender politics.
