murderer that it seems like it's an open and shut case. But is it really? Mercy's not so sure. Convincing Alba and the rest of the girls to help her figure out the truth may not only land them in hot water with Sorceress Stone once again, but it may also put their lives in danger. Sure, everyone in town might feel secretly relieved she's no longer with us, but they're missing the bigger picture. Cassandra didn't die of old age. She was murdered. And now I've got to figure out the why, how, and who, before the killer strikes again. Because until I do, no one in Holiday Hills is safe, especially not us witches.

There's a New Witch in Town Christmas Edition Carolyn Ridder Aspenson, 2023-11-10 USA TODAY BESTSELLING AUTHOR Carolyn Ridder Aspenson's *Witches of Holiday Hills Cozy Mystery Series* is a world of wonder and magic, but Cooper, her Burmese familiar cat, steals the show! RECIPES INCLUDED! Welcome to Holiday Hills, where the festive season is wrapped in magic and mystery, and my first Christmas as a witch is as enchanting as it is haunting without my mother's presence. I'm Abby Odell, a cozy mystery ghost writer, and while I'm decking the halls with boughs of holly, I'm also burying my mother, and discovering my own bewitching talents. A triple play of spectacular sorts if you will. As the snowflakes dance and the scent of peppermint and mocha fills the air, Holiday Hills transforms into a winter wonderland full of quirky and magical characters, characters I thought only existed in fiction. From mystical shapeshifters to the ever-curious folks next door, everyone brings their own brand of holiday spirit to the Enchanted, the local bookstore and coffee shop where I've made my home for my writing and my witchcraft. This yuletide, the festive joy is tinged with a twist of fate, a murderous twist where not only have two family members I didn't know existed are killed, but I'm targeted by the murderer as well. With my mother's best friend stirring hot cocoa and spells alike, and the sexy police chief too swamped with holiday crimes to notice me, it's up to me to unravel the tinsel-tangled mysteries. How I wish my best friend, Stella could help, but she's human, and as I've been told repeatedly, magicals aren't allowed to share their secrets. You read that right. I can't share my biggest secret with my best friend. I hope I can keep that promise. And let's not forget my sidekick, a sassy talking cat named Cooper, who's traded his usual cynicism for a Santa hat and a sleigh-load of sass. He may prefer his Christmas tuna to crime-solving, but together we're an unstoppable force. With the ghost of Christmas past guiding me through a special long-lost memory and the town's lights glowing warm against the chill, I'm ready to write my own story of magic, mayhem, and mistletoe kisses. After all, in Holiday Hills, miracles may just come with a witch's broom. Okay, maybe not the kisses. I'll save that for my next book.

Bizarre Love Potion Carolyn Ridder Aspenson,2024-06-19 Welcome back to Holiday Hills, a magical town where good always trumps evil, even if it's a little late to the game. Oh, how I love Bessie's place, the hub of Holiday Hills, the Enchanted Bookstore and Café. I spend my days there, sweet aroma of cinnamon lattes, the gentle rustle of book pages, and the soft tapping of my laptop keys as I spin tales of witchy whodunits. That was, until reality decided to give my fiction a run for its money. Again. My regular table, nestled in a cozy corner beneath an antique chandelier, has always been my sanctuary - until Hansen, a male witch finishing high school, and one of Bessie's part-time employees, dropped dead right in the middle of delivering a tray of pumpkin spice lattes to a gaggle of wide-eyed high school magicals. Now, instead of weaving fictional tales of intrigue and whimsy, I'm embroiled in a bona fide mystery. I have to be. Bessie is the closest thing I have to family, and I owe her my life. At least I'm not alone in this. I've got Cooper, my snarky cat familiar who's got an opinion on everything, my best friend, Stella, who just wants to conjure calorie-free cupcakes on the regular, and her pup familiar, Pony, who, bless his heart, has a nose as sharp for sniffing out clues as it is for finding hidden snacks. Together, we've formed an unlikely and unofficial detective squad, one my police chief significant other swears will be the death of him, even though he'll never die. Literally. You see, in our little town, things are never as simple as they seem. Hansen's death wasn't an unfortunate accident. It was murder. As I dig deeper, juggling interviews with suspects and book deadlines, I began to uncover secrets that would make even my most scandalous characters blush. From love potions gone awry to ancient grudges simmering beneath polite smiles, everyone's got something to hide. But I need to catch this killer quickly. Not only for Bessie, but because it's becoming alarmingly clear that I might be next on their list. It's a race against the clock, and if I don't write the final scene on my terms, I could end up the final draft of my own book.

At least not until recently. Something's happening and it's not good. Magic is no longer hidden, and people are starting to witness events that aren't humanly possible. And that's a big problem. Now my friends and neighbors are on edge, and some residents are even ready to turn Holiday Hills into the next Salem, Massachusetts. Someone's changing the way Holiday Hills works, and it's my job to fix things before they change humanity and magic forever. The problem is, I don't know the who, what, when or why...just the where. The combination makes for some interesting and humorous mysteries, and the witches are always at the center of the action!
