

## With This Man This Man 4

Results from world-renowned relationship expert John Gottman's famous Love Lab have proven an incredible truth: Men make or break relationships. Based on 40 years of research, *The Man's Guide to Women* unlocks the mystery of how to attract, satisfy, and succeed with a woman for a lifetime. For the first time ever, there is a science-based answer to the age-old question: What do women really want in a man? Dr. Gottman, author of the New York Times bestseller *The Seven Principles for Making Marriage Work*, and his wife and collaborator, clinical psychologist Julie Schwartz Gottman, PhD, have pored over the research along with bestselling coauthors Douglas Abrams and Rachel Carlton Abrams, MD. Together, they have written this definitive guide for men, providing answers on everything from how to approach a woman and build a connection with her to how to truly satisfy her in bed and know when the relationship is on the right track. *The Man's Guide to Women* is a must-have playbook for how to play—and win—the game of love.

Although prostate cancer is a disease that strikes nearly 200,000 men every year, it is a disease that has been shrouded in silence, in part because it strikes at the very core of masculine identity. But in *Man to Man*, bestselling author Michael Korda breaks that silence, turning the story of his illness and recovery into a candid and instructive book that speaks not only to every man and woman whose life has been touched by prostate cancer but to everyone who lives in fear of it. With unsparing frankness, Korda describes how he survived the ordeal of prostate surgery and its painful and humiliating aftereffects. He tells us how tumors are graded, evaluates different treatments, and makes sense of prostate cancer's mystifying "numbers." Practical, immensely readable, filled with information, and, above all, hopeful, *Man to Man* is literally a life-saver.

Somewhere along the way, our culture lost its definition of manhood, leaving generations of men and men-to-be confused about their roles, responsibilities, relationships, and the reason God made them men. It's into this "no man's land" that New York Times bestselling author Mark Batterson declares his mantra for manhood: play the man. In this inspiring call to something greater, he helps men understand what it means to be a man of God by unveiling seven virtues of manhood. Mark shares inspiring stories of manhood, including the true story of the hero and martyr Polycarp, who first heard the voice from heaven say, "Play the man." Mark couples those stories with practical ideas about how to disciple the next generation of men. This is more than a book; it's a movement of men who will settle for nothing less than fulfilling their highest calling to be the man and the father God has destined them to be. Play the man. Make the man.

Held prisoner by the Germans during World War II, a wealthy French lawyer is chosen to die but makes a cowardly trade for his life, a decision that he must pay for as a free man. Reprint.

Eighteen science fiction stories deal with love, madness, and death on Mars, Venus, and in space.

What is your true purpose in life? What do women really want? What makes a good lover? If you're a man reading this, you've undoubtedly asked yourself these questions but you may not have had much luck answering them. Until now. In *The Way of the Superior Man* David Deida explores the most important issues in men's lives from career and family to women and intimacy to love and spirituality to offer a practical guidebook for living a masculine life of integrity, authenticity, and freedom. Join this bestselling author and internationally renowned expert on sexual spirituality for straightforward advice, empowering skills, body practices, and more to help you realize a life of fulfillment, immediately and without compromise.

**INSTANT NEW YORK TIMES BESTSELLER** An urgent primer on race and racism, from the host of the viral hit video series "Uncomfortable Conversations with a Black Man" "You cannot fix a problem you do not know you have." So begins Emmanuel Acho in his essential guide to the truths Americans need to know to address the systemic racism that has recently electrified protests in all fifty states. "There is a fix," Acho says. "But in order to access it, we're going to have to have some uncomfortable conversations." In *Uncomfortable Conversations With a Black Man*, Acho takes on all the questions, large and small, insensitive and taboo, many white Americans are afraid to ask—yet which all Americans need the answers to, now more than ever. With the same open-hearted generosity that has made his video series a phenomenon, Acho explains the vital core of such fraught concepts as white privilege, cultural appropriation, and "reverse racism." In his own words, he provides a space of compassion and understanding in a discussion that can lack both. He asks only for the reader's curiosity—but along the way, he will galvanize all of us to join the antiracist fight.

**THE #1 NEW YORK TIMES BESTSELLING SERIES THIS MAN (Book 1)** Young interior designer Ava O'Shea has no idea what awaits her at the Manor. A run-of-the-mill consultation with a stodgy country gent seems likely, but what Ava finds instead is Jesse Ward—a devastatingly handsome, utterly confident, pleasure-seeking playboy who knows no boundaries. Ava doesn't want to be attracted to this man, and yet she can't control the overwhelming desire that he stirs in her. She knows that her heart will never survive him and her instinct is telling her to run, but Jesse is not willing to let her go. He wants her and is determined to have her. **BENEATH THIS MAN (Book 2)** Jesse Ward drowned her with his intensity and blindsided her with his passion, but he kept her away from his dark secrets and broken soul. Leaving him was the only way Ava O'Shea could survive. She should have known that Jesse Ward is impossible to escape—and now he's back in her life, determined to remind her of the sensual pleasures they had shared. Ava is equally determined to get at the truth beneath this man's steely exterior. That means letting herself get close to the Lord of the Manor once more. And it's exactly where Jesse wants her—within touching distance... **THIS MAN CONFESSED (Book 3)** The Manor, the very place where their passionate love affair began, fills with guests on what should be the happiest day of Ava and Jesse's lives. She has accepted that she'll never tame the fierceness in Jesse—and she doesn't want to. Their love is profound, their connection powerful, but just when she thinks that she's finally gotten beneath his guarded exterior, more questions arise, leading Ava to believe that Jesse Ward may not be the man she thinks he is. He knows too well how to take her to a place beyond ecstasy . . . but will he also drive her to the brink of despair? It's time for this man to confess.

What does it mean to be male in the 21st Century? Award-winning artist Grayson Perry explores what masculinity is: from sex to power, from fashion to career prospects, and what it could become—with illustrations throughout. In this witty and necessary new book, artist Grayson Perry trains his keen eye on the world of men to ask, what sort of man would make the world a better place? What would happen if we rethought the macho, outdated version of manhood, and embraced a different ideal? In the current atmosphere of bullying, intolerance and misogyny, demonstrated in the recent Trump versus Clinton presidential campaign, *The Descent of Man* is a timely and essential addition to current

conversations around gender. Apart from gaining vast new wardrobe options, the real benefit might be that a newly fitted masculinity will allow men to have better relationships—and that's happiness, right? Grayson Perry admits he's not immune from the stereotypes himself—yet his thoughts on everything from power to physical appearance, from emotions to a brand new Manifesto for Men, are shot through with honesty, tenderness, and the belief that, for everyone to benefit, updating masculinity has to be something men decide to do themselves. They have nothing to lose but their hang-ups.

A journalist's provocative and spellbinding account of her eighteen months spent disguised as a man. Norah Vincent became an instant media sensation with the publication of *Self-Made Man*, her take on just how hard it is to be a man, even in a man's world. Following in the tradition of John Howard Griffin (*Black Like Me*), Vincent spent a year and a half disguised as her male alter ego, Ned, exploring what men are like when women aren't around. As Ned, she joined a bowling team, took a high-octane sales job, went on dates with women (and men), visited strip clubs, and even managed to infiltrate a monastery and a men's therapy group. At once thought-provoking and pure fun to read, *Self-Made Man* is a sympathetic and thrilling tour de force of immersion journalism.

'Compelling. What does it mean to be a man? Finally, we're talking about it. This book is the conversation we need to have-with each other, our sons and fathers.' Peter FitzSimons, bestselling author of *Kokoda* 'A terrific read-gutsy, plain-speaking and personal, addressing almost every aspect of Australian men's lives today . . . This book will greatly help the growing avalanche of masculine change.' Steve Biddulph, psychologist and bestselling author of *Manhood* The performance of being a man, from the moment we open our eyes, until we gasp our last breath, is damaging us, and those around us. Phil Barker has written thousands of words about being a man in these strange and terrible times. As a journalist, he has spent years investigating the modern epidemics of suicide, domestic violence, pornography and misogyny, but also the essential bonds of male friendship, fatherhood and men's relationships with women. During this time, Phil found himself seeing what it is to 'be a man' in a completely new light. Men are forced into a performance of masculinity that is suffocating, limiting and damaging. *The Revolution of Man* shows us how to rethink what it means to be a man and urges men to reconnect with their emotions so they, and the people they love, can start leading happier, healthier and more meaningful lives. 'Phil Barker skewers toxic masculinity and provides a manifesto for modern manhood. This well-researched, engaging and thought-provoking book explains why positive masculinity is good for men, women and children. We need more male allies like Phil to create a safer future for the post #MeToo generation.' Tracey Spicer, journalist and bestselling author of *The Good Girl Stripped Bare*

"This crazy, gorgeous family novel" written at the end of the Great Depression "is one of the great literary achievements of the twentieth century" (Jonathan Franzen, *The New York Times*). First published in 1940, *The Man Who Loved Children* was rediscovered in 1965 thanks to the poet Randall Jarrell's eloquent introduction (included in this ebook edition), which compares Christina Stead to Leo Tolstoy. Today, it stands as a masterpiece of dysfunctional family life. In a country crippled by the Great Depression, Sam and Henny Pollit have too much—too much contempt for one another, too many children, too much strain under endless obligation. Flush with ego and chilling charisma, Sam torments and manipulates his children in an esoteric world of his own imagining. Henny looks on desperately, all too aware of the madness at the root of her husband's behavior. And Louie, the damaged, precocious adolescent girl at the center of their clashes, is the "ugly duckling" whose struggle will transfix contemporary readers. Named one of the best novels of the twentieth century by *Newsweek*, Stead's semiautobiographical work reads like a Depression-era *The Glass Castle*. In the *New York Times*, Jonathan Franzen wrote of this classic, "I carry it in my head the way I carry childhood memories; the scenes are of such precise horror and comedy that I feel I didn't read the book so much as live it."

Read the *New York Times* bestseller that has taken the world by storm In this "charming debut" (*People*) from one of Sweden's most successful authors, a grumpy yet loveable man finds his solitary world turned on its head when a boisterous young family moves in next door. Meet Ove. He's a curmudgeon--the kind of man who points at people he dislikes as if they were burglars caught outside his bedroom window. He has staunch principles, strict routines, and a short fuse. People call him "the bitter neighbor from hell." But must Ove be bitter just because he doesn't walk around with a smile plastered to his face all the time? Behind the cranky exterior there is a story and a sadness. So when one November morning a chatty young couple with two chatty young daughters move in next door and accidentally flatten Ove's mailbox, it is the lead-in to a comical and heartwarming tale of unkempt cats, unexpected friendship, and the ancient art of backing up a U-Haul. All of which will change one cranky old man and a local residents' association to their very foundations. A feel-good story in the spirit of *The Unlikely Pilgrimage of Harold Fry* and *Major Pettigrew's Last Stand*, Fredrik Backman's novel about the angry old man next door is a thoughtful exploration of the profound impact one life has on countless others. "If there was an award for 'Most Charming Book of the Year,' this first novel by a Swedish blogger-turned-overnight-sensation would win hands down" (Booklist, starred review).

"THE STUNNING CONCLUSION TO THE THIS MAN TRILOGY IS A #1 NEW YORK TIMES BESTSELLER! The Manor, the very place where their passionate love affair began, fills with guests on what should be the happiest day of Ava and Jesse's lives. She has accepted that she'll never tame the fierceness in Jesse-and she doesn't want to. Their love is profound, their connection powerful, but just when she thinks that she's finally gotten beneath his guarded exterior, more questions arise, leading Ava to believe that Jesse Ward may not be the man she thinks he is. He knows too well how to take her to a place beyond ecstasy. but will he also drive her to the brink of despair? It's time for this man to confess"--

Book 1 of the #1 *New York Times* bestselling *This Man* series! Young interior designer Ava O'Shea has no idea what awaits her at the Manor. A run-of-the-mill consultation with a

stodgy country gent seems likely, but what Ava finds instead is Jesse Ward--a devastatingly handsome, utterly confident, pleasure-seeking playboy who knows no boundaries. Ava doesn't want to be attracted to this man, and yet she can't control the overwhelming desire that he stirs in her. She knows that her heart will never survive him and her instinct is telling her to run, but Jesse is not willing to let her go. He wants her and is determined to have her.

Ambitious. Intense. Irresistible. I never wanted to fall for a man. And definitely not two men. They tear me apart until I don't know how I'll ever be whole again. Until I'm not sure I want to be. How can I choose between two halves of myself? THE EVOLUTION OF MAN is the second novel in the USA Today bestselling duet, which begins with Survival of the Richest. \* \* \* \* \* "Pure writing gold filled with heartmelting swoons, angst and a lovestory of the ages." - Bookgasms Book Blog "I think this book nearly broke me and I'm not even mad about it. From start to finish, the emotion in this one is intense." - Courtenay B, Goodreads reader "Skye Warren delivers a story of strength, perseverance, and the effects of a cannonball through the heart! Not at all what I expected and everything I wanted." - Di, Twisted Book Reviews

This is the guidebook for the newly emerging paradigm of masculinity. One that includes and celebrates both the primal and divine aspects of men.

A novel describes the last week of Jesus' life as he enters triumphantly into Jerusalem, is crucified, and ultimately rises on the third day.

At the age of twelve, Eve Black was the only member of her family to survive an encounter with serial attacker the Nothing Man. Now an adult, she is obsessed with identifying the man who destroyed her life. Supermarket security guard Jim Doyle has just started reading The Nothing Man—the true-crime memoir Eve has written about her efforts to track down her family's killer. As he turns each page, his rage grows. Because Jim's not just interested in reading about the Nothing Man. He is the Nothing Man. Jim soon begins to realize how dangerously close Eve is getting to the truth. He knows she won't give up until she finds him. He has no choice but to stop her first ...

WHAT IT MEANS TO BE A MAN Raising up men has never been easy, but today it seems particularly tough. The young and old need heroes to embody the eternal qualities of manhood: honor, duty, valor, and integrity. In The Book of Man, William J. Bennett points the way, offering a positive, encouraging, uplifting, realizable idea of manhood, redolent of history and human nature, and practical for contemporary life. Using profiles, stories, letters, poems, essays, historical vignettes, and myths to bring his subject to life, The Book of Man defines what a man should be, how he should live, and to what he should aspire in several key areas of life: war, work, leisure, and more. "Whether we take up the sword, the plow, the ball, the gavel, our children, or our Bibles," says Bennett, "we must always do it like the men we are called to be." The Book of Man shows how.

The author of Counseling Victims of Violence identifies the types of men women should avoid, including physical abusers, men who want mothers, men who prey on lonely women, men who are emotionally unavailable, and dangerously clingy men. Original.

With This Man Forever

Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In Act Like a Lady, Think Like a Man, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, Act Like a Lady, Think Like a Man is a book you must read if you want to understand how men think when it comes to relationships.

The Use of Man starts with an unexpected discovery. World War II is ending. Sredoje Lazuki? has been fighting all through it. Now, as one of the victorious Partisans, he has come home to Novi Sad. He visits the house he grew up in. Strangers nervously show him around. He looks up the mother of Milinko, his best friend. Milinko's girlfriend, Vera, was the daughter of a Jew, a bookish businessman. Her house stands empty and open. Venturing in, Sredoje is surprised to find the diary of the German tutor that Milinko, Vera, and he all shared, Fräulein, who died on the operating table just before the war. Here, however, in a cheap notebook in Vera's old room, is a record of Fräulein's lonely days, with the sentimental caption Poésie. . . . The diary survived. Sredoje survived. Vera and Milinko have survived too. But what survives? A few years back Sredoje, Vera, and Milinko were teenagers, struggling to make sense of life. Life, they now know, can be more bitter than death. A work of stark poetry and illimitable sadness, The Use of Man is one of the great books of the 20th century.

You've fallen in love reading about Christian Grey; you've seen the Fifty Shades movie. Now it's time for your next fix. Beyond undeniable passion is fierce love... Jesse Ward drowned her with his intensity and blindsided her with his passion, but he kept her away from his dark secrets and broken soul. Leaving him was the only way Ava O'Shea could survive, but she should have known that Jesse Ward is impossible to escape. Now he's back in her life, determined to remind her of the sensual pleasures they had shared, but Ava is equally determined to get at the truth beneath this man's steely exterior. That means letting herself get close to the Lord of the Manor once more. And it's exactly where Jesse wants her - within touching distance . . . Includes a brand-new bonus scene from Jesse's perspective.

These days, it's harder than ever to know how to act like a real man. We're not talking about the touchy-feely, ultra-sensitive, emotion-sharing, not-afraid-to-cry version of manhood that Oprah and Dr. Phil have been spouting for years. We're talking about the tough, smart, confident, charming, classy, all-around good fella that upholds the true ideal of what is known as "a man's man." Now, renowned actor and true-life man's man Frank Vincent, famed for his unforgettable tough-guy roles in such classic films as Raging Bull, Goodfellas and HBO's The Sopranos, is going to show how any man can be all that he can be in love, work, play, and life. Everything you need to know is covered here, including, getting the best women by being the best man, dressing like a champ and taking on the world, winning big money and big respect in Las Vegas, selecting, smoking, and savoring a great cigar, and much more. If you want to learn how to be a man's man, you gotta learn from a man's man. And with the great Frank Vincent vouching for you, you'll be on your way to getting everything you ever wanted outta life.

In this Hugo Award-winning alternative history classic—the basis for the Amazon Original series—the United States lost World War II and was subsequently divided between the

Germans in the East and the Japanese in the West. It's America in 1962. Slavery is legal once again. The few Jews who still survive hide under assumed names. In this world, we meet characters like Frank Frink, a dealer of counterfeit Americana who is himself hiding his Jewish ancestry; Nobusuke Tagomi, the Japanese trade minister in San Francisco, unsure of his standing within the bureaucracy and Japan's with Germany; and Juliana Frink, Frank's ex-wife, who may be more important than she realizes. These seemingly disparate characters gradually realize their connections to each other just as they realize that something is not quite right about their world. And it seems as though the answers might lie with Hawthorne Abendsen, a mysterious and reclusive author, whose best-selling novel describes a world in which the US won the War... The Man in the High Castle is Dick at his best, giving readers a harrowing vision of the world that almost was. "The single most resonant and carefully imagined book of Dick's career." —New York Times

In a world where no girls had been born in fifty years, Eve arrived and, having been protected from the dangers of a ruined world, is now sixteen and expected to renew the human race.

Masculinity in America has never been under attack the way it is today. We have reached the point where the term itself is considered toxic or offensive to many. American men are conflicted as to what their role is in society. The consistent message that has proliferated in our nation is that masculinity, by nature, is bad and is the root cause of many of the problems plaguing our society. Everything from racism to pedophilia has been blamed on "toxic masculinity." Some colleges and universities are now offering classes on how to overcome or be delivered from this very "threatening" phenomenon called "masculinity." If men take up biblical mandates ordained by their Creator—no matter their color, nationality, station, upbringing, or education—a new vision can be cast and executed that will restore a civil and prosperous America for all.

Four alternate selves from radically different realities come together in this "dazzling" and "trailblazing work" (The Washington Post). Widely acknowledged as Joanna Russ's masterpiece, *The Female Man* is the suspenseful, surprising, darkly witty, and boldly subversive chronicle of what happens when Jeannine, Janet, Joanna, and Jael—all living in parallel worlds—meet. Librarian Jeannine is waiting for marriage in a past where the Depression never ended, Janet lives on a utopian Earth with an all-female population, Joanna is a feminist in the 1970s, and Jael is a warrior with claws and teeth on an Earth where male and female societies are at war with each other. When the four women begin traveling to one another's worlds, their preconceptions on gender and identity are forever challenged. With "palpable anger . . . leavened by wit and humor" (The New York Times), Russ both employs and upends genre conventions to deliver a wickedly satiric and exhilarating version of when worlds collide and women get woke. This ebook includes the Nebula Award-winning bonus short story "When It Changed," set in the world of *The Female Man*.

"Want to read something good? . . . If you like my stuff, you'll like this."—Stephen King • WINNER OF THE ITW THRILLER AWARD • WINNER OF THE STRAND MAGAZINE AWARD FOR BEST DEBUT NOVEL A riveting psychological suspense debut that weaves a mystery about a childhood game gone dangerously awry, and will keep readers guessing right up to the shocking ending In 1986, Eddie and his friends are on the verge of adolescence, spending their days biking in search of adventure. The chalk men are their secret code, stick figures they draw for one another as hidden messages. But one morning the friends find a chalk man leading them to the woods. They follow the message, only to find the dead body of a teenage girl. In 2016, Eddie is nursing a drinking problem and trying to forget his past, until one day he gets a letter containing a chalk man—the same one he and his friends saw when they found the body. Soon he learns that all his old friends received the same note. When one of them is killed, Eddie realizes that saving himself means figuring out what happened all those years ago. But digging into the past proves more dangerous than he could have known. Because in this town, everyone has secrets, no one is innocent, and some will do anything to bury the truth. Praise for *The Chalk Man* "Wonderfully creepy—like a cold blade on the back of your neck."—Lee Child "An assured debut that alternates between 1986 and 2016 with unpredictable twists. *The Chalk Man* fits well with other stories about troubled childhoods such as Stephen King's novella *Stand by Me*. . . . Tudor never misses a beat in showing each character as both a child and an adult while also exploring the foreboding environs of a small town."—Associated Press "Utterly hypnotic. *The Chalk Man* is a dream novel, a book of nightmares: haunted and haunting, shot through with shadow and light—a story to quicken the pulse and freeze the blood. A dark star is born."—A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* "If you can't get enough of psychological thrillers with sharp twists and turns, you need to read *The Chalk Man*"—Hello Giggles "I haven't had a sleepless night due to a book for a long time. *The Chalk Man* changed that."—Fiona Barton, New York Times bestselling author of *The Widow*

Recently single, Danny Wallace was falling into loneliness and isolation. When a stranger on a bus advises, "Say yes more," Wallace vows to say yes to every offer, invitation, challenge, and chance. In *Yes Man*, Wallace recounts his months-long commitment to complete openness with profound insight and humbling honesty. Saying yes takes Wallace into a new plane of existence: a place where money comes as easily as it goes, nodding a lot can lead to a long weekend overseas with new friends, and romance isn't as complicated as it seems. Yes eventually leads to the biggest question of all: "Do you, Danny Wallace, take this woman . . ." *Yes Man* is inspiring proof that a little willingness can take anyone to the most wonderful of places.

INSTANT NEW YORK TIMES BESTSELLER Two brothers meet in the remote Australian outback when the third brother is found dead, in this stunning new standalone novel from Jane Harper Brothers Nathan and Bub Bright meet for the first time in months at the remote fence line separating their cattle ranches in the lonely outback. Their third brother, Cameron, lies dead at their feet. In an isolated belt of Australia, their homes a three-hour drive apart, the brothers were one another's nearest neighbors. Cameron was the middle child, the one who ran the family homestead. But something made him head out

alone under the unrelenting sun. Nathan, Bub and Nathan's son return to Cameron's ranch and to those left behind by his passing: his wife, his daughters, and his mother, as well as their long-time employee and two recently hired seasonal workers. While they grieve Cameron's loss, suspicion starts to take hold, and Nathan is forced to examine secrets the family would rather leave in the past. Because if someone forced Cameron to his death, the isolation of the outback leaves few suspects. A powerful and brutal story of suspense set against a formidable landscape, *The Lost Man* confirms Jane Harper, author of *The Dry* and *Force of Nature*, is one of the best new voices in writing today.

**A GRIPPING, FEARLESS EXPLORATION OF MASCULINITY** The effects of traditionally defined masculinity have become one of the most prevalent social issues of our time. In this engaging and provocative new book, beloved actor, director, and social activist Justin Baldoni reflects on his own struggles with masculinity. With insight and honesty, he explores a range of difficult, sometimes uncomfortable topics including strength and vulnerability, relationships and marriage, body image, sex and sexuality, racial justice, gender equality, and fatherhood. Writing from experience, Justin invites us to move beyond the scripts we've learned since childhood and the roles we are expected to play. He challenges men to be brave enough to be vulnerable, to be strong enough to be sensitive, to be confident enough to listen. Encouraging men to dig deep within themselves, Justin helps us reimagine what it means to be man enough and in the process what it means to be human.

Social sciences.

**THE SECOND BOOK IN THE BESTSELLING EVE OF MAN TRILOGY AND NO. 1 SUNDAY TIMES BESTSELLER - EVE AND BRAM HAVE ESCAPED, BUT CAN THEY SURVIVE?** Eve is the last girl on earth. For the last sixteen years, Eve has been a prisoner. Guarded by the Mothers. Trapped by her fate. Watched by the world. Until she took her chance, and escaped. Eve finally has the freedom she has wanted for so long, and with Bram she has the love. But both come at a price. In this dangerous new world beyond the Tower, the regime is only ever one step behind. And, together with the desperate rebel group fighting against them, Eve has found herself in more danger than she ever could have imagined. With everything stacked against them, can Eve and Bram survive? Praise for *Eve of Man* 'A Hunger Games-esque novel . . . a compelling read' *The Mail on Sunday* 'Set in a dystopian future that has seen no girls born for 50 years . . . This promises to be one of the big books of the year. You'd be a fool to miss it' *Heat* 'This chilling dystopia is at heart a love story, and the vivid characterisation has you rooting for the duo from page one' **CHILDREN'S BOOK OF THE MONTH** *Mail on Sunday* 'A thoughtful, and excellent read' *The Sun*

Driving straight to the heart of the most contentious issue in American history, Sean Wilentz argues controversially that, far from concealing a crime against humanity, the U.S. Constitution limited slavery's legitimacy—a limitation which in time inspired the antislavery politics that led to Southern secession, the Civil War, and Emancipation.

Jesse Ward is back in the newest novel in the #1 New York Times bestselling *This Man* series! "The raw emotion and vulnerability is breathtaking." - RT Book Reviews "Super steamy, emotionally intense" - *Library Journal* Life is good for Jesse "The Lord" Ward. Perfect, actually. He still has the charm, he's in great shape, and he still reduces his wife, Ava, to a pool of desire with a mere look. He's in full control, just how he likes it. But Jesse's perfect world falls apart when a terrible accident lands Ava in the hospital with a life-threatening head injury. Devastated and angry, he feels like his entire existence hangs in the balance. He cannot survive without this woman's love. So when she finally comes around, his shaking world begins to level out. But his nightmare doesn't end there. It's only just begun. Because his wife can't remember the last sixteen years of her life. That's all of him. All of their time together. He is a stranger to her. Now Jesse must do whatever it takes to find her memories . . . and help her fall madly, passionately in love with him all over again.

Chuck Swindoll now brings us *Man to Man*, a book that takes the best of his writings for men and puts them under one cover.

O, *The Oprah Magazine's 20 Best Titles of the Year* *Time Magazine's 100 Books to Read in 2020* *Financial Times' Best Books of 2020* *Esquire's Best Books of 2020* *New York Times Editors' Choice* *Lit Hub's Best Books of 2020* *Bustle's Best Short Story Collections of 2020* *Electric Literature's Favorite Short Story Collections of 2020* *Library Journal's Best Short Stories of 2020* "Superb. . . . Krauss's depictions of the nuances of sex and love, intimacy and dependence, call to mind the work of Natalia Ginzburg in their psychological profundity, their intellectual rigor. . . . Krauss's stories capture characters at moments in their lives when they're hungry for experience and open to possibilities, and that openness extends to the stories themselves: narratives too urgent and alive for neat plotlines, simplistic resolutions or easy answers." —Molly Antopol, *New York Times Book Review* "From a contemporary master, an astounding collection of ten globetrotting stories, each one a powerful dissection of the thorny connections between men and women. . . . Each story is masterfully crafted and deeply contemplative, barreling toward a shimmering, inevitable conclusion, proving once again that Krauss is one of our most formidable talents in fiction." —*Esquire* In one of her strongest works of fiction yet, Nicole Krauss plunges fearlessly into the struggle to understand what it is to be a man and what it is to be a woman, and the arising tensions that have existed from the very beginning of time. Set in our contemporary moment, and moving across the globe from Switzerland, Japan, and New York City to Tel Aviv, Los Angeles, and South America, the stories in *To Be a Man* feature male characters as fathers, lovers, friends, children, seducers, and even a lost husband who may never have been a husband at all. The way these stories mirror one other and resonate is beautiful, with a balance so finely tuned that the book almost feels like a novel. Echoes ring through stages of life: aging parents and new-born babies; young women's coming of age and the newfound, somewhat bewildering sexual power that accompanies it; generational gaps and unexpected deliveries of strange new leases on life; mystery and wonder at a life lived or a future waiting to unfold. *To Be a Man* illuminates with a fierce, unwavering light the forces driving human existence: sex, power, violence, passion, self-discovery, growing older. Profound, poignant, and brilliant, Krauss's stories are at once startling and deeply moving, but always revealing of all-too-human weakness and strength.
