In this sequel to *A Plague of Giants*, these characters and more will become the voices of a new generation bringing hope and revolution to a war-torn world. Don't miss any of Kevin Hearne's action-packed *Seven Kennings* series **A PLAGUE OF GIANTS • A BLIGHT OF BLACKWINGS • A CURSE OF KRAKENS** (Coming Later!)

In *The Fifth Sorceress*, Robert Newcomb conjures a time and place wrought with exquisite detail, characters vividly drawn and deeply felt, and a history rich in glory and horror, splendor and secrets. . . . "We gave them a chance once, long ago. . . . We offered to share power equally, and in peace. But they refused and chose war. With them it was all or nothing. Wizard against Sorceress. Male against female. Light against dark." It is more than three centuries since the ravages of a devastating war nearly tore apart the kingdom of Eutracia. In its wake, those who masterminded the bloodshed—a quartet of powerful, conquest-hungry Sorceresses—were sentenced to exile, with return all but impossible and death all but inevitable. Now a land of peace and plenty, protected and guided by a council of immortal wizards, Eutracia is about to crown a new king. And as the coronation approaches, the spirit of celebration fills every heart. Except one. Prince Tristan is a reluctant monarch-to-be. Though born with the "endowed" blood that will give him the power to master magic, and destined by tradition to succeed his father as ruler, he is a rebel soul. And when he discovers the ancient, hidden caves where strange red waters flow—possessed of their own mysterious magic—it only makes him yearn all the more to escape his future of duty . . . and succumb to the stirrings of enchantment within him. But more than tradition compels Tristan to ascend the throne. The very existence of Eutracia depends upon it. For after these long centuries of peace, dreadful omens have begun to appear, heralding something too unspeakable to ponder. And if indeed the old evil has returned, hungry to wreak vengeance, Tristan's role in an ages-old prophecy must be fulfilled—or the cost to his kingdom and his people will be beyond imagination. It will be a battle like none ever known, against an enemy whose thirst for blood and domination is depthless and unyielding. And for Tristan, it will be the ultimate challenge: facing an adversary whose greatest weapon is the person he loves most—transformed into the instrument of his annihilation . . . and the catalyst that will doom Eutracia forever to darkness.

A gripping and groundbreaking account of how all but one of FDR's ambassadors in Europe misjudged Hitler and his intentions As German tanks rolled toward Paris in late May 1940, the U.S. Ambassador to France, William Bullitt, was determined to stay put, holed up in the Chateau St. Firmin in Chantilly, his country residence. Bullitt told the president that he would neither evacuate the embassy nor his chateau, an eighteenth Renaissance manse with a wine cellar of over 18,000 bottles, even though “we have only two revolvers in this entire mission with only forty bullets.” As German forces closed in on the French capital, Bullitt wrote the president, “In case I should get blown up before I see you again, I want you to know that it has been marvelous to work for you.” As the fighting raged in France, across the English

Channel, Ambassador to Great Britain Joseph P. Kennedy wrote to his wife Rose, "The situation is more than critical. It means a terrible finish for the allies." Watching Darkness Fall will recount the rise of the Third Reich in Germany and the road to war from the perspective of four American diplomats in Europe who witnessed it firsthand: Joseph Kennedy, William Dodd, Breckinridge Long, and William Bullitt, who all served in key Western European capitals—London, Berlin, Rome, Paris, and Moscow—in the years prior to World War II. In many ways they were America's first line of defense and they often communicated with the president directly, as Roosevelt's eyes and ears on the ground. Unfortunately, most of them underestimated the power and resolve of Adolf Hitler and Germany's Third Reich. Watching Darkness Fall is a gripping new history of the years leading up to and the beginning of WWII in Europe told through the lives of five well-educated and mostly wealthy men all vying for the attention of the man in the Oval Office.
