

Women Writers On The Bible

Sue Monk Kidd

Out of the Garden Christina Buchmann, Celina Spiegel, 2012-06-13 By turns witty, erudite, probingly serious and sparkingly irreverent, these essays refresh our readings of the Bible, and deepen our vision of foundational feminist figures. A wonderfully thought-provoking and readable collection. EVA HOFFMAN Author of EXIT INTO HISTORY This is the first collection of essays in which women read and respond to the Bible out of pleasure and curiosity--reclaiming the Bible for women and showing readers that the Bible is a source we can return to again and again. Drawing on their own experiences and interests, Louise Erdrich, Cynthia Ozick, Fay Weldon, Phyllis Trible, Rebecca Goldstein, June Jordan, Ursula Le Guin, and twenty-one other writers boldly imaginatively--and sometimes reproachfully--address the Old Testament stories, characters, and poetry that mean the most to them. As with all great works of literature, it is a book that changes as we change, a garden in its own right whose pleasures are there for the taking, as are its surprises and thorny byways.

Rewriting the Word Amy B. Brown, 1999-05-30 Women writers have often felt alienated from both the Bible and the canonical literary tradition that has been built on its foundation. Yet contemporary American women writers seem to be as haunted by the Bible as their nineteenth-century predecessors. This study of feminist biblical revision argues that women writers' contentious dialogues with the Bible ultimately reconstruct the writers' own basis of authority. The author traces the evolution of this phenomenon from the mid-nineteenth century to the present and analyzes biblical revision in works by Emily Dickinson, H.D., Anne Sexton, Sylvia Plath, Gloria Naylor, and Toni Morrison.

Transforming Scriptures Katherine Clay Bassard, 2011 Transforming Scriptures is the first sustained treatment of African American women writers' intellectual, even theological, engagements with the book Northrop Frye referred to as the "great code" of Western civilization. Katherine Clay Bassard discusses how such texts respond as a collective "literary witness" to the use of the Bible for purposes of social domination.

Reading the Women of the Bible Tikva Frymer-Kensky, 2008-12-18 Reading the Women of the Bible takes up two of

the most significant intellectual and religious issues of our day: the experiences of women in a patriarchal society and the relevance of the Bible to modern life.

J-The Woman Who Wrote the Bible Mary F. Burns, 2017-06-10 Like the women of the Red Tent, even the daughter of King David lived in a world ruled by men. But this woman was born to break the rules of both men and God in order to learn the art of writing, and with it, a power that could reveal the hidden truth, or slay a man with a single word. Secretly initiated into the magic of writing, Janaia finds she must master the sublime powers and visions that come with this knowledge of good and evil -- a journey that reveals the secrets of life and death through heartbreak and sacrifice.

Let Her Speak for Herself Marion Ann Taylor, Heather E. Weir, 2006 The women of Genesis - Eve, Sarah, Hagar, Rebekah, Leah, and Rachel - intrigued and informed the lives of nineteenth-century women. These women read the biblical stories for themselves and looked for ways to expand, reinforce, or challenge the traditional understanding of women's lives. They communicated their readings of Genesis using diverse genres ranging from poetry to commentary.

The Remarkable Women of the Bible Elizabeth George, 2003-08-15 In this inspiring look at the lives of women in the Bible, bestselling author Elizabeth George reveals refreshing models of faith for today. Stories about Eve, Deborah, Sarah, Ruth, Mary, and other women from Scripture offer testimonies of changed lives and reflections on the remarkable strengths God cultivates in women who love Him—Jocebed is an example of a remarkable mother, Deborah's life is an illustration of wisdom, Ruth and Naomi model pure devotion, and Hannah demonstrates sacrifice. Conveying the assurance of God's love, *The Remarkable Women of the Bible* provides nourishment from a woman's point of view and connects today's woman with the source of fulfillment that sustained her sisters in Bible times—a relationship with God. Adapted from *Women Who Loved God*.

Literary Theology by Women Writers of the Nineteenth Century Dr Rebecca Styler, 2013-04-28 Examining popular fiction, life writing, poetry and political works, Rebecca Styler explores women's contributions to theology in the nineteenth century. Female writers, Styler argues, acted as amateur theologians by use of a range of literary genres. Through these, they questioned the Christian tradition relative to contemporary concerns about political ethics, gender identity, and personal meaning. Among Styler's subjects are novels by Emma Worboise; writers of collective biography, including Anna Jameson and Clara Balfour, who study Bible women in order to address contemporary concerns about 'The Woman Question'; poetry by Anne Bronte; and political writing by Harriet Martineau and Josephine Butler. As Styler considers the ways in which each writer negotiates the gender constraints and opportunities that are available to her religious setting and literary genre, she shows the varying degrees of frustration which these writers express with the inadequacy of received religion to meet their personal and ethical needs. All find resources within that tradition, and within their experience, to reconfigure Christianity in creative, and more earth-oriented ways.

Two Views on Women in Ministry Zondervan,2010-02-23 The role of women in positions of worship and church leadership is one of the most divisive and inconclusive biblical debates. Two Views on Women in Ministry furnishes you with a clear and thorough presentation of the two primary exegetical arguments so you can better understand each one's strengths, weaknesses, and complexities. Egalitarian - equal ministry opportunity for both genders (represented by Linda L. Belleville and Craig S. Keener) Complementarian - men and women fill distinctive ministry roles (represented by Craig L. Blomberg and Thomas R. Schreiner) This revised edition brings the exchange of ideas and perspectives into the traditional Counterpoints format. Each author states his or her case and is then critiqued by the other contributors. The fair-minded, interactive Counterpoints forum allows you to compare and contrast the two different positions and form your own opinion concerning the practical and often deeply personal subject of women in ministry. The Book of Longings Sue Monk Kidd,2020-04-21 "An extraordinary novel . . . a triumph of insight and storytelling." —Associated Press "A true masterpiece." —Glennon Doyle, author of Untamed An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of The Secret Life of Bees and The Invention of Wings In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected

to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

She Speaks Michele Clark Jenkins, 2013 *She Speaks* helps African-American women find relevance, purpose, and identity in the Word of God. Each chapter offers a complete list of references to help the reader locate the stories of these inspirational women in the Bible with ease.

Women's Lives in Biblical Times Jennie R. Ebeling, 2010-04-07 This volume describes the lifecycle events and daily life activities experienced by girls and women in ancient Israel examining recent biblical scholarship and other textual evidence from the ancient Near East and Egypt including archaeological, iconographic and ethnographic data. From this Ebeling creates a detailed, accessible description of the lives of women living in the central highland villages of Iron Age I (ca. 1200-1000 BCE) Israel. The book opens with an introduction that provides a brief historical survey of Iron Age (ca. 1200-586 BCE) Israel, a discussion of the problems involved in using the Hebrew Bible as a source, a rationale for the project and a brief narrative of one woman's life in ancient Israel to put the events described in the book into context. It continues with seven thematic chapters that chronicle her life, focusing on the specific events, customs, crafts, technologies and other activities in which an Israelite female would have participated on a daily basis.

Courageous Women Stacy Mitch, 2002 *Courageous Women*, Stacy Mitch's newest Bible study, will help you see the women of the Bible as elder sisters in faith. Meet Me at the Well Jane Yolen, Barbara Diamond Goldin, 2018-01-16 Old Testament stories center around men. Leaders, prophets, kings, and priests are all male. But hidden in the background are strong-willed, daring females. Jane Yolen and Barbara Diamond Goldin's masterful retellings pairs eloquent profiles with stunning art, answering one question:

What makes these women heroes? From first woman, Eve, to Deborah the judge, to Queen Esther, savior of her people, females in the Hebrew bible are resourceful and courageous. Each chapter is devoted to a single story with text complemented by sidebars, known in Jewish tradition as midrashim, that pose questions, provide more information, and include nondenominational interpretations.
