

Workplace Conflict And Resolution

New ways of managing conflict are increasingly important features of work and employment in organizations. In the book the world's leading scholars in the field examine a range of innovative alternative dispute resolution (ADR) practices, drawing on international research and scholarship and covering both case studies of major exemplars and developments in countries in different parts of the global economy. This Handbook gives a comprehensive overview of this growing field, which has seen an explosion of programmes of study in university business and law schools and in executive education programmes.

Over recent years, many companies have developed an awareness of the importance of an active, rather than passive, approach to wellbeing at work. Whilst the value of this approach is widely accepted, turning theory into effective practice is still a challenge for many companies. The Routledge Companion to Wellbeing at Work is a comprehensive reference volume addressing every aspect of the topic. Split into five parts, it explores different models of wellbeing; personal qualities contributing to wellbeing; job insecurity and organizational wellbeing; workplace supports for wellbeing; and initiatives to enhance wellbeing. The international team of contributors provide a solid foundation to research and practice, including contemporary topics such as architecture, coaching, and fitness in the workplace. Edited by two of the world's leading scholars on the subject, this text is a valuable tool for researchers, students, and practitioners in HRM and organizational psychology.

Reframing Resolution provides an original, accessible and critical point of reference for students, practitioners and

Get Free Workplace Conflict And Resolution

scholars interested in the management of workplace conflict. Drawing on contemporary empirical evidence from the UK, USA, Ireland and Australia, the book explores the front-line challenges facing organizations and individuals in addressing and responding to conflict. In particular, it examines the extent to which conflict management is treated as a strategic issue and discusses the development of mediation and its impact on employment relations culture, the experiences of participants in mediation and the relationship between ADR and workplace justice. Crucially, the book also assesses key innovations in the management of workplace conflict, and discusses the future potential of more integrated and systemic approaches.

Problems that "just won't go away" can be settled through methods developed by one of America's leading experts in conflict resolution. In clear language, Weeks shows readers how to turn conflict into lasting partnerships and ensure a fruitful outcome.

Conflict in the workplace is a perennial problem for organizations. Whether it's a disagreement between colleagues, a dispute with management or large-scale industrial action, conflict negatively affects both people and profits as employee morale and productivity fall. *Managing Conflict* is an essential guide for HR professionals needing to tackle these problems by not only resolving current issues but also preventing future instances of conflict. Going beyond interpersonal conflict, the book also looks at resolving board room disputes, disputes with shareholders, in the supply chain, commercial disputes and customer complaints. The first part of *Managing Conflict* covers the causes and costs of conflict, the impact of the psychological contract and the legal framework for managing workplace disputes both in the UK and internationally. The second part of the book provides a blueprint for redefining resolution and building a culture of

Get Free Workplace Conflict And Resolution

constructive conflict management, from designing a conflict management strategy and developing a formal resolution process to embedding mediation, engaging stakeholders and training managers in resolution skills. It also includes conflict resolution toolkits for managers, HR teams, employees and unions to help tackle conflict and bullying at work. Packed with best practice case studies from major UK and global organizations, this is an indispensable guide for all HR professionals looking to resolve conflict in the workplace. In this thought-provoking, passionately written book, Bernard Mayer—an internationally acclaimed leader in the field—dares practitioners to ask the hard questions about alternative dispute resolution. What's wrong with conflict resolution? Why aren't more individuals and organizations using conflict resolution when they have a problem? Why doesn't the public know more about it? What are the limits of conflict resolution? When does conflict resolution work and when does it not? Offering a committed practitioner's critique of the profession of mediation, arbitration, and alternative dispute resolution, *Beyond Neutrality* focuses on the current crisis in the field of conflict resolution and offers a pragmatic response.

The hidden brain is the voice in our ear when we make the most important decisions in our lives—but we're never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral

Get Free Workplace Conflict And Resolution

science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.

Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom line. Let The Big Book of Conflict-Resolution Games help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in The Big Book of Conflict-Resolution Games delivers everything you need to make your workplace more efficient, effective, and engaged.

The classic text on resolving workplace conflicts, fully revised and updated Resolving Conflicts at Work is a guide for preventing and resolving conflicts, miscommunications, and misunderstandings at work, including dozens of techniques for revealing how the inevitable disputes and divisions in the workplace are actually opportunities for greater creativity, productivity, enhanced morale, and personal growth. In the

Get Free Workplace Conflict And Resolution

third edition of this text, all chapters are completely infused with additional content, updated examples, and new case studies. Like its predecessors, it identifies core strategies for preventing and resolving both intermittent and chronic conflicts in the workplace. In addition, the book includes a new foreword by Warren Bennis, which represents his most recent thinking about judgment calls and candid communications in the workplace. Presents new chapters on leadership and transformational conflict coaching, and organizational systems design. This definitive and comprehensive work provides a handy guide for managers, employees, union representatives, human resource experts, and consultants seeking to maintain stable and productive workplaces.

In real-life conflict resolution situations, one size does not fit all. Just as a mechanic does not fix every car with the same tool, the conflict resolution practitioner cannot hope to resolve every dispute using the same technique.

Practitioners need to be comfortable with a wide variety of tools to diagnose different problems, in vastly different circumstances, with different people, and resolve these conflicts effectively. The Conflict Resolution Toolbox gives you all the tools you need: eight different models for dealing with the many conflict situations you encounter in your practice. This book bridges the gap between theory and practice and goes beyond just one single model to present a complete toolbox - a range of models that can be used to analyze, diagnose, and resolve conflict in any situation. It shows mediators, negotiators, managers, and anyone needing to resolve conflict how to simply and effectively understand and assess the situations of conflict they face. And it goes a

Get Free Workplace Conflict And Resolution

step further, offering specific, practical guidance on how to intervene to resolve the conflict successfully. Each model provides a different and potentially useful angle on the problem, and includes worksheets and a step-by-step process to guide the reader in applying the tools. Offers eight models to help you understand the root causes of any conflict. Explains each model's focus, what kind of situations it can be useful in and, most importantly, what interventions are likely to help. Provides you with clear direction on what specific actions to choose to resolve a particular type of conflict effectively. Features a detailed case study throughout the book, to which each model is applied. Additional examples and case studies unique to each chapter give the reader a further chance to see the models in action. Includes practical tools and worksheets that you can use in working with these models in your practice. The Conflict Resolution Toolbox equips any practitioner to resolve a wide range of conflicts. Mediators, negotiators, lawyers, managers and supervisors, insurance adjusters, social workers, human resource and labour relations specialists, and others will have all the tools they need for successful conflict resolution.

While some of us enjoy a lively debate with colleagues and others prefer to suppress our feelings over disagreements, we all struggle with conflict at work. Every day we navigate an office full of competing interests, clashing personalities, limited time and resources, and fragile egos. Sure, we share the same overarching goals as our colleagues, but we don't always agree on how to achieve them. We work differently. We

Get Free Workplace Conflict And Resolution

rub each other the wrong way. We jockey for position. How can you deal with conflict at work in a way that is both professional and productive—where it improves both your work and your relationships? You start by understanding whether you generally seek or avoid conflict, identifying the most frequent reasons for disagreement, and knowing what approaches work for what scenarios. Then, if you decide to address a particular conflict, you use that information to plan and conduct a productive conversation. The HBR Guide to Dealing with Conflict will give you the advice you need to:

- Understand the most common sources of conflict
- Explore your options for addressing a disagreement
- Recognize whether you—and your counterpart—typically seek or avoid conflict
- Prepare for and engage in a difficult conversation
- Manage your and your counterpart's emotions
- Develop a resolution together
- Know when to walk away

Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

Get the Key to the Boardroom with Powerful Executive Presence! “This book can be a key aid in helping you make it to the next level! Great coaching for anyone who is even thinking of becoming an executive!” Marshall Goldsmith, New York Times bestselling author of *What Got You Here Won't Get You There* “On the corporate battlefield a true leader's success is based upon his or her ability to communicate effectively, persuade others to follow a goal, and execute it. This leads to success for

Get Free Workplace Conflict And Resolution

all. When the stakes are high, you're well advised to read this book first." Scott A. Gaines, vice president, Hertz Corporation "If you are seriously looking to be perceived in the light you choose, Executive Presence is the book that not only answers the question, but shows you how to apply the answers." Kevin Hogan, author of The Psychology of Persuasion "Harrison Monarth is a first-rate thinker who writes as clearly as he thinks. No matter where you are on the career ladder, Executive Presence will put you a step ahead of your competition." T. Scott Gross, author of Positively Outrageous Service "Most people know that to move up in your career, you need to have self-awareness and the ability to manage the perceptions of those whose opinions count. . . . Executive Presence is your comprehensive guide to help you become more proficient at self-marketing and the art of ethical persuasion to achieve your personal and professional goals." Larina Kase, PsyD, MBA, author of The Confident Leader and coauthor of the New York Times bestseller The Confident Speaker About the Book An expert in coaching high-level players in the art of perception management, Harrison Monarth reveals the critical difference between CEOs and those of us who wish to be CEOs. It's not a matter of intelligence, connections, or luck. It can be summed up in two words: executive presence. While most of us toil in obscurity and expect great things to follow, those on the path to corporate leadership spend their time perfecting the types of leadership communication skills that generate respect and get others to share their vision. They use these skills to establish how they are perceived by others

Get Free Workplace Conflict And Resolution

and to manage their reputation throughout the organization. In other words, these soon-to-be top players have developed the presence of an executive through careful image management—and they make sure they have the goods to back it up. In *Executive Presence*, Monarth shows how you can seize control of your own career using the same skills. Inside, he explains how to:

- Accurately “read” people and predict their behavior
- Influence the perceptions of others
- Persuade those of opposing views to your side
- Create and maintain a personal “brand”
- Manage and control your online reputation
- Perform damage control when things go wrong

Monarth’s conclusions aren’t based solely on his keen insight and extensive experience; they’re the result of the latest scientific research in interpersonal communication and human behavior. Talent and skills are important, but they alone won’t take you to the top of your organization. People reach highly influential positions because they deeply understand the power of perception and know how to leverage it in their favor. The good news is, anyone with the will to succeed can do it. *Executive Presence* provides all the techniques you need to take your career to the highest level of any organization.

Emerging Systems of Managing Workplace Conflict presents illustrative real-life examples as well as cutting-edge methods and tools for integrating systems of dispute resolution into standard corporate procedures. This vital resource investigates the systems organizations have developed to manage common and costly workplace conflicts involving supervisor-employee

Get Free Workplace Conflict And Resolution

relationships; race, age, and gender discrimination complaints; sexual harassment; occupational safety and health; reasonable accommodation of the disabled; and wrongful termination as well as other problems stemming from governmental regulations and court actions.

Drawing on the authors' vast research and frontline experience with a wide variety of corporations and organizations, this important book examines successful responses to universal workplace problems and conflicts. In addition, the book is filled with illuminating case examples and stories from organizations, such as Brown and Root, Kaufman and Broad, Warner Brothers, Universal-Studios, Kaiser Permanente, the United States Postal Service, Johnson & Johnson, Shell, Prudential, and others, that have instituted systems of dispute resolution in response to ongoing destructive conflict, expensive litigation, and crippling settlements. This book offers an enormously useful approach for the application of the most up-to-date systems of organizational conflict resolution and shows how this approach can work in specific situations to save time and money.

Annotation REVIEWS: One of the best books I have read on conflict resolution in my 30+ years in the field. Office of Mediation, The World Bank ... contains great ideas, simply explained. Offers clear instruction for addressing conflicts, resolving disputes and restoring peace and productivity to the workplace Helps you find a solution and explore positive means for resolving conflicts Illustrates how working through problems within your team makes the workplace the positive environment it should be Provides guidance on developing the key negotiation and mediation skills you need to create a harmonious workplace Whether you're new to managing professionals, working your way up the corporate ladder or just want to brush up on your knowledge base, *Workplace Conflict Resolution Essentials For Dummies* has everything you need to ensure your workplace environment is positive and productive!

Successful management depends on the ability to quickly and effectively manage conflicts. *Conflict Resolution* includes hands-on information for effectively communicating with employees, disciplining and even terminating employees, understanding and using organizational politics, and more.

Managing Conflict at Work provides practical guidance on how to prevent, contain and resolve conflict in the workplace. It demonstrates how effective conflict management can have a powerful impact on the way

Get Free Workplace Conflict And Resolution

organisations channel their energies; encouraging positive mindsets and building stronger and happier workforces. Putting the cost of rising conflict in context with recessionary times, it looks beyond individual cases to issues such as workforce motivation and corporate responsibility. The authors provide a wide range of practical techniques, tools and templates to support individuals who need to facilitate the resolution of employee disputes. Aimed not just at mediators and conflict practitioners, but at staff managers and anyone who needs to deal with people disputes; the book emphasises simple and practical ways for dealing with conflict situations - both when potential disputes are first emerging, and once a conflict has escalated into a formal complaint. Also including international case studies, extensive appendix of templates, tools and forms, including stakeholder analysis, mediation in-take forms and reflective questioning prompts, *Managing Conflict at Work* provides practical support to ensure that your company prevents disputes and stays within the law. The book is accompanied by an extensive range of ready-to-use templates and case studies and is supported by a dedicated website, providing information and downloads referred to in the book, as well as videos and podcasts. Become an Expert of Conflict Resolving Through Verbal and Non-Violent Methods! Have you ever been so angry at someone that you shouted mean things in his/her face just to hurt them? Or has it been done to you? Did you find yourself in a situation where you don't know how to respond to someone shouting at you and throwing false accusations? Did you ever feel bad for days after a

certain conflict, worried you've damaged the relationship with that person? If it makes you feel better, we have all went through at least one of those situations. Throughout our lives, we enter numerous conflicts with our family members, friends, work colleagues... Afterwards, we often feel drained, tired, depressed even. It might sound weird, but conflicts are a normal, common occurrence. Even if you are not a type of person that often engages in conflict, you simply can't avoid it. However, not all conflicts are the same. We should all aim to resolve our conflicts in a verbal, non-violent way. There are even methods and techniques to use conflict for our personal growth and developing emotional intelligence. This book will help you understand different types of conflict and how to emerge as a winner without disrupting your internal peace. We say mean things when we're angry, especially if we feel strongly about a certain point or if we have a stubborn streak in general. Sometimes we even say things we don't mean, only to regret it later when the person we're arguing with feels genuinely hurt. This guide will help you control your emotions, put a leash on your impulsive reactions and teach you how to resolve conflict in a calm, peaceful way, whether in the workplace, in your marriage or with family and friends. What you'll be able to do after you read this book:

- Understand where conflict comes from
- Recognize different types of conflict and deal with them accordingly
- Avoid unhealthy ways people deal with conflict
- Recognize different stages of conflict and your emotional state
- Build stronger relationships based on trust and respectfulness
- Use empathy to understand another's

Conflict Management for Managers is designed to equip managers with the skills and information they need to improve their handling of common disputes they face. Enhanced to facilitate your daily work, this updated edition incorporates a greater number of exercises that address conflicts with employees, customers, business partners and regulators.

"Managing Workplace Conflict critically analyses Alternative Dispute Resolution (ADR) in Australian workplaces. It includes coverage of: various ADR techniques and the roles played by ADR practitioners in

Get Free Workplace Conflict And Resolution

workplace conflict; the need for workplace grievance policies and the forms these can take; the suitability of ADR for various types of disputes; the effects of the Work Choices Act 2005 (Cth) on dispute resolution; and three case studies where ADR was utilised in workplace conflict and the experiences of both the human resource consultant and their clients. *Managing Workplace Conflict* is written against the background of a rapidly changing Australian labour market. It argues that ADR in the Australian workplace needs to be conducted with an understanding of the changed industrial relations environment and the power differences between key workplace stakeholders, as well as commitment to ethical practice and workplace justice. It presents the key concepts central to the practice of ADR in Australia and provides a practical, useable reference book for both the professional and the student." -- back cover

Conflict, bullying and harassment can destroy the foundations of the most enterprising organisations. Bullying is now a key complaint received by HR departments. Destructive conflict creates stress, which can lead to poor morale and performance, increased staff turnover and an overall decline in organisational effectiveness. The good news is destructive conflict can be reduced – but this is a sensitive issue, requiring managers to call on tried and tested techniques. Published for HR and line managers, *IRS Managing Conflict in the Workplace* will help employers to recognise and resolve destructive conflict issues more effectively, enabling them to become more positive, productive and efficient. It gives invaluable advice on

Get Free Workplace Conflict And Resolution

conflict prevention, mediation and negotiation; it explains how to manage conflict in a wide variety of situations; and includes guidance on the new statutory requirements for disciplinary and grievance procedures.

The handbook will enable HR professionals to:

- recognise the sectors, departments and types of individuals most prone to conflict
- measure the costs of conflict
- understand and comply with the law on the employer's duty of care
- spot potential problems, recognise bullying behaviours, understand the difference between constructive conflict and bullying and harassment, conduct a risk assessment and take preventative action
- establish, communicate and monitor effective policies and procedures
- train staff and managers in how to manage conflict effectively
- reach agreement through negotiation
- use conciliation and mediation to resolve difficult situations

Also included is best practice advice, sample conflict management policies, case studies, checklists and legal compliance.

The Essential Guide to Workplace Mediation and Conflict Resolution examines the nature, process, uses and skills for employing and using mediation. The authors examine what mediation is and how it can be successfully applied to resolve issues, by presenting a range of techniques and case studies. Applicable to not only one-on-one conflict, but also at team and board room level, this is the book for you whether you are in the front line and have to anticipate, pre-empt or defuse conflicts in support of productive working relationships, are already a mediator or are training to become one.

This work is a systematic study of the genesis, operation

Get Free Workplace Conflict And Resolution

and outcomes of alternative dispute resolution (ADR) in Ireland. ADR innovations are examined in the context of long-run changes in the pattern of conflict in the workplace and against the background of commercial and regulatory developments bearing on organizations. Volume 22 of *Advances in Industrial and Labor Relations* focuses on new approaches to managing resolving workplace disputes and alternative dispute resolution (ADR) from both theoretical and empirical perspectives and includes contributions from leading international scholars, including J. Ryan Lamare, William K Roche and Paul L. Latreille.

Resolve and prevent conflict in the workplace with this essential guide for HR professionals.

All you need to understand the dynamics of conflict -- and the joy of resolution

No one wants to go into a tenuous situation blind and fumbling for words. Rather than shy away from a difficult situation or conversation, *The Conflict Resolution Phrase Book*, is the ideal resource to help anyone prepare for and prevail in these situations. Some situations are unpredictable, and you can't plan for every conversation--but having the right words on hand empowers you to stand up to conflict rather than run from it. The more you practice confronting and even embracing conflict, the stronger that habit will become and the less likely you will feel like fleeing from a difficult situation. *The Conflict Resolution Phrase Book* is a great resource that everyone should have at their fingertips to

Get Free Workplace Conflict And Resolution

approach any difficult situation with the assurance that the words will come out right! You will learn: Positive things to say when you're initiating or responding to a difficult conversation. How to find and craft language to start a conversation. The right words for you to positively influence the situation. The Conflict Resolution Phrase Book is a natural complement to the authors' previous best-seller, *The Essential Workplace Conflict Handbook*.

Here is a completely updated edition of the best-selling *Resolving Conflicts at Work*. This definitive and comprehensive work provides a handy guide for resolving conflicts, miscommunications, and misunderstandings at work and outlines the authors' eight strategies that show how the inevitable disputes and divisions in the workplace actually provide an opportunity for greater creativity, productivity, enhanced morale, and personal growth. This new edition includes current case studies that put the focus on leadership, management, and how organizations can design systems to change a culture of avoidance into a culture of creative conflict. The result is a more practical book for today's companies and the people who work in them.

This edition tackles the issue of self-deception and provides methodologies to help people overcome it. Today's workplaces are dynamic, so it shouldn't surprise anyone that tension can develop quickly

Get Free Workplace Conflict And Resolution

and ruinously. The Essential Workplace Conflict Handbook is the ideal resource for anyone ready to confront conflict at work rather than run from it. Managed correctly, conflict can be a positive source for innovation and creativity. Using examples drawn from a wide range of corporate and entrepreneurial experiences, along with checklists and other practical tools, The Essential Workplace Conflict Handbook will help employees, managers at all levels, and business owners answer the following important questions: What's changing in the workplace and the workforce today? Are the right issues being addressed? How can we create more options to solve conflicts? What's my conflict style, and why is it important? How should I set and manage expectations? What happens when disruptive behavior gets out of control? Positive interactions are critical to successful workplaces. This vital new title gives you the confidence you need to communicate effectively, as well as a clear understanding of your individual responsibility, no matter your title or role. It also gives the organization a plan for what it can do to foster a tension-free workplace.

Presenting theories about why humankind, despite its efforts for peace, is in a perpetual state of conflict, the members of the Stanford Center on Conflict and Negotiation consider the obstacles to and processes for harmonious communication

Get Free Workplace Conflict And Resolution

A guide to conflict resolution in the workplace. Rooted in the philosophy of win/win, the book aims to help readers use conflict in ways that actually benefit both themselves and their organizations. It encourages readers to become aware of themselves and thus avoid conflict in the future.

Social Work Approaches to Conflict Resolution helps readers understand the nature and causes of conflict and offers suggestions for coping with conflict effectively. It is based on two assumptions: that conflict is a basic part of the life of normal human beings, groups, organizations, communities, and nations, and that resolving conflict is part of the ongoing interventions of all social workers. A practical text for theory-practicum courses for MSW and doctoral students, it is filled with information also useful to therapists, group workers, community workers, administrators, scholars in the social sciences, practitioners in other helping professions, and trainers in the emerging field of conflict resolution itself. Deliberately linking conflict resolution and systems analysis, *Social Work Approaches to Conflict Resolution* tackles a number of related themes to help you see the connections between topics not normally presented together in social work literature. You'll see how unmet needs may cause conflict to evolve and escalate and learn about the connections between strongly held feelings and the destructive relations that have

Get Free Workplace Conflict And Resolution

developed between diverse ethnic peoples in many parts of our planet. Author Benjamin Chetkoff-Yanoov draws on his own background of being a minority as well as his experience in Arab-Jewish reconciliation in Israel as he offers readers thorough explanations of: a systems model for analyzing conflict problem-solving versus resolving conflict how value clashes and victimization are some of the basic causes of conflict escalation 9 professional roles required for resolving conflicts the effectiveness of volunteers in conflict resolution teaching conflict resolution skills to various audiences trends in the evolution of voluntary conflict resolution efforts You can apply much of what you learn in Social Work Approaches to Conflict Resolution not only to your professional life but also to your personal relationships and experiences. Also, since victimized people and groups are major contributors to the perpetuation and escalation of conflict, the book suggests 10 steps for helping victims free themselves from repeated conflict-generating behaviors.

The Complete Guide to Conflict Resolution in the Workplace Amacom Books

“An essential addition to the conflict resolution toolkit.” —Marshall Goldsmith, #1 New York Times bestselling author of Triggers In today’s workplace, managers, leaders, and HR professionals often believe they don’t have the time to help employees

Get Free Workplace Conflict And Resolution

navigate conflict. More often than not, however, it takes more time not to address conflict than to constructively intervene. But before you can successfully guide others in managing disagreements, you must be able to manage yourself--your mindset, presence, and behaviors. Turn Enemies into Allies offers a way of working with clashing employees that is deliberate and systematic--one that draws on the author's expertise in conflict and communication skill-building and a decades-long practice in mind-body principles from the martial art aikido. Following the author's step-by-step guide, you will: Acquire the skill and confidence to coach conflicting employees back to a professional, effective working relationship, while simultaneously changing their lives for the better. Restore control and peace of mind to the workplace. Increase your leadership presence.

A fresh new approach to resolving conflicts - your own and others'. Arguing, persuading, cajoling, sulking, bullying, stamping feet - in the midst of conflict, these tactics fall on deaf ears. Literally. There's just nobody listening. And yet listening - on the part of both parties involved in the conflict - is the key to finding constructive resolutions. This unique book helps managers, team leaders, human resources professionals, and others successfully resolve conflicts by practicing and perfecting the art of listening. Filled with original models and tools, it explains how to: * Develop self-awareness, or listening to ourselves, to set the stage for better relationships *

Get Free Workplace Conflict And Resolution

Change the action/reaction cycle that leads to an impasse during a dispute * Use empathetic listening techniques to convey understanding and encourage open communication * Understand how listening fits into the collaborative resolution process * Create a culture of constructive conflict, and more.

Ideally, the workplace should be an environment free from worry and stress, where employees can feel safe, comfortable, welcome, able to get creative juices flowing, stay motivated, and be efficient and productive.

However, most of us don't actually think of our offices this way. If we did, we would never dread going to work, and we wouldn't try to negotiate working from home occasionally. Often, the thing that prevents us from feeling more positive about our workplace is the stress and conflict we experience with co-workers. It's sometimes harder to get along with office folk than say, school mates or people from the gym or church, since we don't have the luxury of choosing who we work with. We are stuck with whoever happens to work there too, unlike other social settings where we choose those close to us based on our similarities and common interests. The good news is, through better understanding and a little strategy; workplace conflict can be resolved and altogether eliminated. Throughout this book, I'm going to show you how to mediate conflicts and easily arrive at amicable solutions acceptable to all parties. More importantly, you will learn how to conflict-proof your workplace to prevent conflicts before they have a chance to get out of hand. If you are ready to take the first step to creating a stress-free and productive workplace, then

Get Free Workplace Conflict And Resolution

let's get started!

People thrive on conflict in most areas of their lives - football games, political debates, legal disputes - yet steer clear from workplace conflicts. But conflict is actually a healthy way to challenge the existing order and essential to change in the workplace. The real problem is not conflict per se, but managing conflict. This authoritative manual explains step by step how to design a complete conflict resolution system and develop the skills to implement it. Packed with exercises, case studies, and checklists, the book also supplies: * an overview of workplace conflict * diagnostic tools for measuring it * techniques for resolving conflict, such as negotiation, labor/management partnerships, third-party dispute resolution, mediation, arbitration, more." "

“Raines masterfully blends the latest empirical research on workplace conflict with practical knowledge, skills, and tools to effectively manage and prevent a wide range of conflict episodes. This is a highly applicable ‘top shelf book’ that will assist anyone from the aspiring manager to top level management and leadership in the public, private, and nonprofit sectors. It will also be a fast favorite of professors, trainers, and students of business and conflict management.” - Brian Polkinghorn, Distinguished Professor, Center for Conflict Resolution, Salisbury University. “With her broad dispute resolution, teaching, and editing experience, Susan Raines is uniquely qualified to organize what is known about conflict management in the workplace. She has succeeded in providing private, public, and nonprofit managers with accessible concepts and tools to deal

Get Free Workplace Conflict And Resolution

effectively with the internal and external conflicts they must confront every day. Essential reading for all managers!" - Alan E. Gross, senior director, training coordinator, New York Peace Institute "After reading an advance copy of Raine's impressive book, I can't wait to begin to use it as a seminal text in my classes in organizational conflict. I am amazed at her ability to cover so well such disparate subjects as systems design, public policy disputes, small and large group processes, customer conflicts, conflicts in a unionized environment, and conflicts within regulatory contexts. Her user-friendly writing style is enhanced by her salient examples of exemplary and mistake-laden practices within public and private sector organizations. A 'must-read' for scholars, students, and practitioners interested in organizational conflict." - Neil H. Katz, professor, Conflict Analysis and Resolution, Nova-Southeastern University "Conflict management skills are essential to a manager's success. Raines, a leading scholar and practitioner, provides a comprehensive and strategic new guide to these critical skills and how to use them in any organization." - Lisa Blomgren Bingham, Keller-Runden Professor of Public Service, School of Public and Environmental Affairs, Indiana University

Dialogue is typically hailed as a progressive force fostering mutual understanding and resolving conflicts. Can it really carry such a burden? Does dialogue really resolve conflicts? In this unique volume international experts critically assess the political role of dialogue, addressing its potential and limitations. Bringing fascinating insights to bear they examine the theoretical

Get Free Workplace Conflict And Resolution

underpinnings and conceptual boundaries of dialogue as a tool for conflict resolution. Major recent crises such as the Russo-Georgian war in 2008, the conflict between Western powers and Gaddafi's Libya, arguments over Iran's nuclear programme, religious tensions in Egypt after the Arab Spring, the Afghan case, the Sudanese experience and the recent Russo-Ukraine conflict are all considered and the conflict resolution attempts discussed. Using these cases the contributors explore in depth the nature of the dialogue between the actors, the extent to which it worked and what determined its impact.
