Evaluate students' progress with the printed booklet of Chapter Tests and Lesson Quizzes. Preview online test questions or print for paper and pencil tests. Chapter tests include traditional and document-based question tests.

A visual approach to world geography.

The World Today is the number one bestselling brief World Regional Geography textbook. The seventh edition continues to bring readers geographic perspectives on a fast-changing world through the regional view. Restructured chapters provide a macro review of important physical, cultural, and political characteristics, drawing upon up-to-date significant world events and crises. The cartographically superior maps have been updated for the seventh edition to offer an accurate and vast picture of the world--multi-layer, interactive, GIA maps have been added to WileyPLUS Learning Space. To complement the extensive map program, the majority of the photos have been taken by our authors during their field research, allowing the

Lexile Level 770 Reading Level 4-5 Interest Level 6-12 Student Edition, Survey

Connect to core World Geography content with an accessible, student-friendly text built on the principles of Understanding by Design.

World Regional Geography: Places, Peoples, and Cultures provides students with a fresh approach to the study of world geography through a topical exploration of ten major world regions. The text explores the landscapes and societies on Earth in order to appreciate the environmental diversity of the planet and the cultural richness of humanity from the interdisciplinary perspective of geography. The book is richly illustrated with maps, photos, and graphs. The book begins with a chapter introducing students to the geographic perspectives used to study places, people, and culture, including physical environment, human-environment interaction, population patterns and trends, systems of communication, systems of belief, political organization of space, and economic activities. Subsequent chapters build upon this knowledge and framework to help students explore North America, Europe, the Russian Realm, Southwestern Asia and Northern Africa, Sub-Saharan Africa, Latin America, East Asia, South Asia, Southeast Asia, and Australia and Oceania. Students study demographics, religion, linguistics, politics, agriculture, tourism, foreign and domestic policy, and more as they travel the world. In reading World Regional

help students navigate the AP Human Geography course by understanding the expectations involved in class, thus giving students a road map and providing them direction as they start their exploration. For many students, AP Human Geography will be their first venture into a college experience and the AP environment. In addition to this challenge, AP Human Geography may also be their first full yearlong course focused solely on geography. Therefore, it is imperative for students to have an idea of what to anticipate before the year starts"--
