Arthur the chimp is a little worried about losing his loose tooth, until his sister and their babysitter show him the real meaning of bravery.

Arthur, everyone's favourite eight-year-old aardvaark, has lost his gerbil and needs to find it before he goes to school. Lift the flaps to help Arthur find his furry friend, and discover things that Arthur lost a long time ago. Watch out for the smelly socks.

"Back to Buckhaven" is a compilation of short stories, each of which takes place in the east neuk of Fife, Scotland, where the author was born and raised. In the northeast coastal villages of Leven, Largo, Pittenweem, Windygates, Crail...Ms. DeMono stops to tell a tale intrinsic to the town and its people. There's Mrs. Brown, a stern and regimented Pittenweem primary school teacher who learns a lesson about change and adaptability from a young substitute. In Kennoway, seascape artist and resident spinster Nell McPherson finds love when a fisherman from her canvas walks into her life. And on the braes of Buckhaven, while people-watcher and sweet shop proprietress Miss Murray plays Cupid for two unsuspecting customers, wise and feisty old Daisy Bell -- who'd never been out of the county of Fife -- is introduced to the world beyond her village by a young caretaker.

Arthur, afraid of pulling his loose tooth, and his little sister, Violet, learn something about being brave in the seventh adventure about two favorite chimps.

Now an original series on HBO Max. Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look

"I dare you to read this novel and not fall in love with Arthur Truluv. His story will make you laugh and cry, and will show you a love that never ends, and what it means to be truly human."—Fannie Flagg An emotionally powerful novel about three people who each lose the one they love most, only to find second chances where they least expect them "Fans of Meg Wolitzer, Emma Straub, or [Elizabeth] Berg's previous novels will appreciate the richly complex characters and clear prose. Redemptive without being maudlin, this story of two misfits lucky to have found one another will tug at readers' heartstrings."—Booklist For the past six months, Arthur Moses's days have looked the same: He tends to his rose garden and to Gordon, his cat, then rides the bus to the cemetery to visit his beloved late wife for lunch. The last thing Arthur would imagine is for one unlikely encounter to utterly transform his life. Eighteen-year-old Maddy Harris is an introspective girl who visits the cemetery to escape the other kids at school. One afternoon she joins Arthur—a gesture that begins a surprising friendship between two lonely souls. Moved by Arthur's kindness and devotion, Maddy gives him the nickname "Truluv." As Arthur's neighbor Lucille moves into their orbit, the unlikely trio band together and, through heartache and hardships, help one another rediscover their own potential to start anew. Wonderfully written and full of profound observations about life, *The Story of Arthur Truluv* is a beautiful and moving novel of compassion in the face of loss, of the small acts that turn friends into family, and of the possibilities to achieve happiness at any age. Praise for *The Story of Arthur Truluv* "For several days after [finishing *The Story of Arthur Truluv*], I felt lifted by it, and I found myself

telling friends, also feeling overwhelmed by 2017, about the book. Read this, I said, it will offer some balance to all that has happened, and it is a welcome reminder we're all neighbors here."—Chicago Tribune "Not since Paul Zindel's classic *The Pigman* have we seen such a unique bond between people who might not look twice at each other in real life. This small, mighty novel offers proof that they should."—People, Book of the Week
