Meet Doug, an ordinary kid who doesn't like hugs, in this fun and exuberant story which aims to spark discussions about bodily autonomy and consent--from author Carrie Finison and the #1 New York Times bestselling illustrator of The World Needs More Purple People, Daniel Wiseman. Doug doesn't like hugs. He thinks hugs are too squeezey, too squashy, too squooshy, too smooshy. He doesn't like hello hugs or goodbye hugs, game-winning home run hugs or dropped ice cream cone hugs, and he definitely doesn't like birthday hugs. He'd much rather give a high five--or a low five, a side five, a double five, or a spinny five. Yup, some people love hugs; other people don't. So how can you tell if someone likes hugs or not? There's only one way to find out: Ask! Because everybody gets to decide for themselves whether they want a hug or not.

FUSION: INTEGRATED READING AND WRITING, Book 2 is a developmental English book for reading and writing at the essay level. In this New York Times bestselling series by Jessica Beck, Suzanne Hart, owner and operator of Donut Hearts in April Springs, North Carolina, combines her passion for pastries with her skill for solving crimes. Recipes included! Welcome to Donut Hearts, where the coffee is hot, the donuts are fresh, and the toppings are criminally good. . . Evil Éclairs Donuts aren't exactly health food, but that's no reason for local radio host Lester Moorefield to call for a boycott of Suzanne's shop. After he is found dead, stuffed with one of Suzanne's éclairs, she has to find out who killed him or she'll be filling a prison cell instead of a pastry. Tragic Toppings When one of Suzanne's customers disappears, the police start asking questions. But that's just the beginning of the tragic happenings. Who knew donut-making could turn out to be such dangerous business. Killer Crullers Soon after a stranger tosses a whole box of crullers at Suzanne's friend Gabby's storefront, claiming that stolen family valuables ended up in her thrift store, he turns up dead right in front of the donut shop. Can Suzanne prove that this is all a cruel, albeit sugar-coated, twist of fate?

I Hate Writing may be the only "page-turner" textbook out there. J.M. Bohannon gives her readers invaluable writing advice, using an uplifting, modern voice tinged with humor. She takes her readers through the stages of writing a paper, giving detailed advice on how to find topics, turn ideas into words, and organize those words into coherent paragraphs with seamless transitions. She shows her readers how to revise their own work and through her "Critical Q's" teaches them to become critical readers. She also explains how to find outside sources and how to include those sources in a paper. "Too many students approach writing at the university level as a scientist approaches a volatile experiment: with protective suit, goggles, gloves, and forceps. They struggle to write without contaminating that writing with anything resembling personality. Don't let that student be you. Your unique voice should blast through your writing, letting everyone know there's a person behind your words."

The 2006 Writer's Blog Anthology began as a collaborative effort by the members of the Writer's Blog Alliance, branching out to include military blogs and other writers outside of our network. This is a multi-genre collection, composed entirely of posts and reader responses. Slittin' on the Dock of Ebay, by Marti Lawrence--a satire about selling goods on EBay. Just Drop Me Off When This is Over, by Lee Kelley--An Army National Guard Officer who writes about coming home from Iraq Saturday Morning Writing Club, by Chris Howard--How he taught his grade-school daughter how to write and co-author a children's book. Humor and Humour, by Clive Allen--an essay about American vs. British sitcoms These are just a few of the stories in this collection. The writers are diverse in their careers as well as their styles. What they have in common is how they draw and entertain their readers.

Acclaimed food writer and cultural historian John T. Edge conjures nostalgia by revealing portions of our history through our most cherished foods. Donuts is the cap on a scrumptious series toting comfort food, belying calorie-counting, and embracing those cornerstone, iconic dishes that have come to define American cuisine and customs over the years. In Donuts, Edge walks us through the donut's inception as Dutch fare, the Salvation Army's wartime donuts, the invention of the donut machine, the 1950s donut-shop craze, the Krispy Kreme revolution, the appropriation by other ethnicities, and the fanatical chefs that take donuts to a new art form. Nothing encourages our sweet-tooth cravings like the donut. It is honest. It is satisfying. It is a national symbol that has survived the low carb-diet dogma and the death of the local donut shop, and it is making a comeback into the hearts of Americans.

The Atkins Diet? Phooey! The South Beach Diet? Feh! What Americans really want to eat is something deep-fried and sugar-packed . . . hence our undying love affair with the beloved donut. And if anybody knows donuts, it's Sally Levitt Steinberg, America's Donut Princess. As a member of America's royal donut dynasty (her grandfather, Adolph Levitt, invented the donut-making machine), she knows more about this sweet indulgence than anyone else. The Donut Book is the product of Sally's personal charm and life-long, in-depth donut scholarship. She covers high points in donut history: the arrival of the first donuts in America with the Dutch settlers in the 17th century, and the donut in World War I, when it became the favorite nosh of the boys in the trenches. She celebrates donut-loving celebrities, from Admiral Byrd to Bill Clinton, as well as some of the most gifted donut bakers on the planet. She visits the campus of Dunkin' Donuts

A generous but increasingly put-upon bear makes batch after batch of doughnuts for her woodland friends without saving any for herself in this delightful debut picture book about counting, sharing, and being a good friend. LouAnn (a bear) is making a doughnut feast in preparation for her long winter's nap. But just before she takes the first bite, DING DONG! Her friend Woodrow (a woodchuck) drops by. LouAnn is happy to share her doughnuts, but as soon as she and Woodrow sit down to eat, DING DING! Clyde (a raccoon) is at the door. One by one, LouAnn's friends come over--Topsy (an opossum) and then Moufette (a skunk) and then Chip and Chomp (chipmunks)--until it's one big party. LouAnn welcomes her surprise guests and makes batch after batch of doughnuts, always dividing them equally among her friends. But she makes one BIG miscalculation. Soon LouAnn's kitchen is bare, winter is near, and she's had nothing to eat at all!

A vibrant story collection about Cambodian-American life—immersive and comic, yet unsparring—that offers profound insight into the intimacy of queer and immigrant communities. Seamlessly transitioning between the absurd and the tenderhearted, balancing acerbic humor with sharp emotional depth, *Afterparties* offers an expansive portrait of the lives of Cambodian-Americans. As the children of refugees carve out radical new paths for themselves in California, they shoulder the inherited weight of the Khmer Rouge genocide and grapple with the complexities of race, sexuality, friendship, and family. A high school badminton coach and failing grocery store owner tries to relive his glory days by beating a rising star teenage player. Two drunken brothers attend a wedding afterparty and hatch a plan to expose their shady uncle's snubbing of the bride and groom. A queer love affair sparks between an older tech entrepreneur trying to launch a "safe space" app and a disillusioned young teacher obsessed with *Moby-Dick*. And in the sweeping final story, a nine-year-old child learns that his mother survived a racist school shooter. The stories in *Afterparties*, "powered by So's skill with the telling detail, are like beams of wry, affectionate light, falling from different directions on a complicated, struggling, beloved American community" (George Saunders).

In *Writing Music for Commercials: Television, Radio, and New Media*, professor, composer, arranger, and producer Michael Zager describes the process of composing and arranging music specifically for commercials across the growing variety of media formats. Writing music for commercials requires composers not only learn the craft of writing short-form compositions that can stand on their own, but also understand the advertising business. In this third edition of his original *Writing Music for Television and Radio Commercials*, Zager walks starting composers through the business and art of writing music that aims for a product's target audience and, when done well, hits its mark. Chapter by chapter, Zager covers a broad array of topics: how to approach and analyze commercials from a specifically musical perspective, the range of compositional techniques for underscoring and composing jingles, the standard expectations and techniques for arranging and orchestration, and finally the composing of music for radio commercials, corporate videos, infomercials, theatrical trailers, video games, Internet commercials, websites, and web series (webisodes). This third edition has been updated to include more in-depth analysis of the changing landscape of music writing for modern media, with critical information on composing not only for the Web but for mobile applications, from video-driven advertising in online newspapers to electronic greeting cards.

This ebook includes audio narration. A deliciously imaginative story about friendship—from the author / illustrator of *The Scrambled States of America*. Arnie was fascinated as he watched the customers stream into the bakery. One by one, doughnuts were chosen, placed in paper bags, and whisked away with their new owners. Some went by the dozen in giant boxes. "Good-bye!" Arnie yelled to each doughnut. "Have a good trip!" "This is so exciting!" Arnie beamed. "I wonder who will choose ME?" At first glance, Arnie looks like an average doughnut—round, cakey, with a hole in the middle, iced and sprinkled. He was made by one of the best bakeries in town, and admittedly his sprinkles are candy-colored. Still, a doughnut is just a doughnut, right? WRONG! Not if Arnie has anything to say about it. And, for a doughnut, he sure seems to have an awful lot to say. Can Arnie change the fate of all doughnuts—or at least have a hand in his own future? Well, you'll just have to read this funny story and find out for yourself. This title has Common Core connections Arnie, the Doughnut is a 2004 Bank Street - Best Children's Book of the Year.
