The perfect tongue-in-cheek gift for Valentine's, Weddings and Birthdays, THE POP-UP BOOK OF SEX is a clever and informative tour of the ten best ways to have sex, plus the reasons and tips behind them. Now, readers will get that in just 10 quick pops, from the ever-reliable "Missionary" and the Kama Sutra's "Lotus" as well as contemporary favorites conceived for specific effects such as G-spot stimulation and problem-solving advantages of each position (for example: big penis, small woman, or small penis, big woman). Adding to the fun are at least 2-3 alternate position-illustrations for each 'pop', special tips, and specifically selected backdrops (which span the world and a variety of sexual settings). The tour de force cover illustration depicts an intricate, fantastical world densely populated with interlinked, ecstatic, and, of course, tastefully rendered people in the throes of delight (with apologies to Heironymous Bosch): SAMPLE POP: The Mile-High Club Concept: Necessity is the mother of invention. Fasten your seat belt, it's all you need to wear. There is a new wave of thinking and action that puts people before process, choice before change, and meaning before money. We are now entering a new business, leadership and global age, with a vision, agenda and spirit born out of the realisation that there has to be a different way of success, business and leadership. One that sets us free from traditional business thinking, and takes you, your business and your life to new levels of awareness, success and achievement. This next business age is in your hands. The Naked Leader is the antithesis to the process driven mentality that has wasted so many millions, destroyed the trust between company and employee, and enabled so many companies to at best stand completely still. The Naked Leader is a distillation of David Taylor's ideas and inspiration - ideas which have made him Europe's most sought-after speaker on leadership and personal growth. David is known as the "Naked Leader" because of his extraordinary ability to strip away uncertainty and doubt, and conclusively show that everything we need to be successful, we already have. The Naked Leader shares hundreds of life-changing actions, including: * The fastest way to make any change in your life * How to build deep and lasting rapport with anyone * The 7 most powerful questions on earth * How to change how you feel, in a single heartbeat * The structure of guaranteed success * How to be an awesome presenter * Discovering who you really are, and why you are here The Naked Leader strips away the mystery, hype and jargon, to reveal the single formula for assured success that is available to everyone. The book is a journey which can be taken from beginning to end, or joined at any stage - taking you to wherever you want to be, drawing on the very best leadership thinking around the world, finally revealing the answer to the ultimate question, "who are you and why are you here?" Taylor reveals the exact, specific actions to take to predict the future, and then shape it. As a practitioner, not a theorist, Taylor knows what works, and what does not. He shows us what to do, and exactly when to do it. No matter what your vision, challenge or present position, The Naked Leader ensures that you succeed, making your future no longer a matter of chance, but rather a matter of choice. It is powerful, and the results are amazing.

The flaw in Self-Help is the notion of Self A panic-ridden schoolboy. A high school cutter. A suicidal divorced mother of two. A conflicted young man with OCD and his grieving father. Dr. Bhargave has treated children and adults who sought psychiatry as a last resort to feeling empty, misunderstood, and unworthy. None came anticipating a spiritual conquest, and each wanted relief in the quickest way possible. While there was no magic pill for a cure, what evolved time and again through patience and vulnerability was the tale of hope through adversity.The result is A Moment of Insight. We all struggle with the same dilemmas. We all question life's purpose. We all feel overwhelmed. We all doubted our worthiness. While A Moment of Insight shines the spotlight on our collective wounds, it also dispenses the collective wisdom of thousands of seekers who dared to be vulnerable within the safe space of a psychiatrist's office. Through patient stories and personal accounts, this recollection takes the reader on a journey to calm the mind, fortify the spirit, and release the burdens of life. Each chapter offers practical strategies and thought-provoking narratives to not only understand and persevere through challenging dilemmas, but to see greater purpose in these times. At the beginning of every journey is the moment that incites change...a Moment of Insight.
