Shaul Magid

Haggadah Shel Pesah Shmuel Blitz,2000 Shmuel Blitz and his brilliant children's books never cease to amaze. This is his seventh book -- and they just seem to get better and better. This time, he puts his talents to the task of creating a Children's Haggadah, and the result is one that will be enjoyed by child and grown-up alike. Specifically written for children ages 4-8, the full Hebrew text of the Haggadah is accompanied by a child-oriented, yet accurate English translation. There are clear, precise instructions that will guide the child through every stage of the Seder. And, each page contains a box that provides additional information about the Pesach narrative for the interested youngster. The breathtaking, full-color illustrations make the story come alive - this Haggadah will be an invaluable addition to your child's Seder (and to yours)! Full color soil resistant laminated cover.

You Left Mitzrayim Simcha Groffman,2006 Looking to help your children appreciate the events of Pesach and Shavuot? You Left Mitzrayim! will help you transmit the message of these times. Learn about the cruelty and hardship of the Egyptian exile, the miracles of the plagues, and the awesome experience of standing at Har Sinai. Then, connect them to our present-day routines of Pesach cleaning, matzah baking, checking for chametz, and counting the Omer -- and other topics to discuss with your children. You Left Mitzrayim! also includes a Haggadah Companion to enhance your Pesach seder. The secret to really connecting to and reliving Yetzias Mitzrayim lies in being able to relate and understand the events of Pesach. The Haggadah Companion contains selected Midrashim in story form, telling the tale of the Exodus from Egypt in vivid detail. You'll feel as if you were there! And most importantly, your children will, as well.

The Ten Makkos Shoshana Lepon,2015 Recounts in verse how God sent ten terrible plagues to Egypt to persuade the Pharaoh to let the Israelites return to their homeland.

The Kabbalah of Time Ann Helen Wainer, Rabbi Daniel Kahane, 2013-07-25 Rabbi Schneur Zalman of Liadi, the Alter Rebbe, famously stated that we must live with the times, thereby experiencing the teachings of the Torah related to each week of the year. Similar to the zodiac, where every month has its own symbolism, every week of the Jewish calendar also has a unique meaning. Kahane and Wainer explain that the calendar is the master key to unlock the hidden rationale behind the formal structure of ancient sacred texts, as well as to understand basic mystical concepts. When comprehended within the context of the Jewish calendar, these works reveal the spiritual energy of each week, serving as a practical guide for self-analysis and development. During this annual journey, we will learn to live with greater harmony, happiness and gratitude by learning from the Kabbalah, from age-old Jewish ethical teachings, and even from animals. The objective is to make the reader be in touch with the spiritual powers of each week, thereby improving ones daily conduct and rediscovering the universal song within each one of us: the song of the soul.

Freedom of the Soul Haggadah Dovid Goldwasser, 2002 This is a one-of-a-kind Haggadah Rabbi Dovid Goldwasser's insightful observations and stories offer a refreshing and profound understanding of the Haggadah text Anyone who has ever listened to Rabbi Goldwasser speak can testify to the quiet power of his Torah outlook. Anyone else--read this Haggadah. and see for yourself what everyone is talking about!

Shiurei HaRav Joseph Dov Soloveitchik, 1994 Some twenty years ago, the editors of Hamevaser, Yeshiva University's Torah student monthly, recognized the growing thirst for the late Rabbi Joseph B. Soloveitchik's teachings. In response, they published the original version of this conspectus, containing the first English version of the Rav's Hebrew and Yiddish discourses, with summaries of his shiurim and lectures. This volume substantially builds on that achievement, bringing together nineteen of the Rav's most illuminating works not published elsewhere. Subjects include The Ten Commandments, Adam and Eve, The Unique Experience of Judaism, and On the Love of Torah.

Applied Jewish Values in Social Sciences and Psychology Michael Ben-Avie, Yossi Ives, Kate Loewenthal, 2015-12-01 This volume interweaves concepts and methods from psychology and other social sciences with Jewish ideas and practices in order to address contemporary social issues. This volume brings together pioneering research from scholars in such fields as psychology, education, and religious studies. The authors integrate insights from Jewish texts and practices with the methods and concepts of the social sciences to create interventions that promote the well-being of children, adults, families, communities, and society. Divided into three sections - Education, Psychological Well-Being, Society and Beyond- this book shows how this integrationist approach can deepen our understanding and generate new insights around pressing social challenges to impact positive change in the lives of people and communities.

Haggadat Yetziat Mitzrayim Division of Neurophysiology Tim Bliss,2016-12-21 You shall tell it to your children... Every year at the Passover Seder we tell the story of the Exodus from Egypt. But do we really tell the story? The standard haggadah tells us about telling the story of the Israelites' leaving slavery in Egypt. But in reality we only talk about telling the story. And we talk about who should tell the story, and to whom. But there's very little of the actual story told. This haggadah tells the actual story from the torah. It includes all the essential elements of a seder, such as the four questions, the plagues, kadesh, rahatz, karpas, etc. but instead of all the text about what various rabbis said, this has the biblical text, in both Hebrew and a modern English translation. Children are better able to sit through a seder with this haggadah than with other haggadot, because they're involved in the story.

Meir Kahane Shaul Magid,2021-10-12 The life and politics of an American Jewish activist who preached radical and violent means to Jewish survival Meir Kahane came of age amid the radical politics of the counterculture, becoming a militant voice of protest against Jewish liberalism. Kahane founded the Jewish Defense League in 1968, declaring that Jews must protect themselves by any means necessary. He immigrated to Israel in 1971, where he founded KACH, an ultranationalist and racist political party. He would die by assassination in 1990. Shaul Magid provides an in-depth look at this controversial figure, showing how the postwar American experience shaped his life and political thought. Magid sheds new light on Kahane's radical political views, his critique of liberalism, and his use of the "grammar of race" as a tool to promote Jewish pride. He discusses Kahane's theory of violence as a mechanism to assure Jewish safety, and traces how his Zionism evolved from a fervent support of Israel to a belief that the Zionist project had failed. Magid examines how tradition and classical Jewish texts profoundly influenced Kahane's thought later in life, and argues that Kahane's enduring legacy lies not in his Israeli career but in the challenge he posed to the liberalism and assimilatory project of the postwar American Jewish establishment. This incisive book shows how Kahane was a quintessentially American figure, one who adopted the radicalism of the militant Left as a tenet of Jewish survival.

Halakhic Morality Joseph Dov Soloveitchik,2017 Nowadays a basic investigation of morality and ethos would be of great importance. There is a crying need for clarification of many practical problems, both in the individual-private and in the

social-ethical realms. There are too many uncertainties in which we live today, uncertainties about what we ought to do. We should try to infer from our ethical tradition certain standards that should govern our conduct. In particular, I notice confusion among rabbis as regards basic problems whose solution cannot be found in the Shulhan Arukh and must rather be inferred by way of deduction from ancient principles and axioms. He approaches this task through an in-depth examination of the beginning of Pirkei Avot, raising topics such as: the sources of ethics, power and persuasion, elitism and democracy, educational philosophy, study and action, freedom and coercion, and more.
