What drives you? Or what is the "motivation" or "purpose" of your life? Robert Oh has traveled to close to fifty countries in his lifetime and met hundreds of thousands of God-fearing and God-loving people who are still asking the fundamental question of life: "What does God want me to do with my life?" At the end of your life you don't want to catch yourself saying, "That was it?" You see, without God, your life will be only earthly, natural, and predictable; it won't be supernatural or godly. You reap what you sow. The Prayer Driven Life is an invitation to enter this incredible supernatural life--fashioned by God and through your own prayer. What does God want you to do with your life? Why don't you ask Him? Pray!

Do you want to learn the language of faith? Find true happiness? Improve your self-image? Build right relationships? Receive a healing? Experience God daily? You can accomplish these objectives consistently, every day. David Yonggi Cho, pastor of the world's largest church in Seoul, South Korea, shows in this power-packed, down-to-earth book, how to overcome life's difficulties, and reveals how he overcame them in his own life.

Home cell groups are becoming a necessity in the believer's life, not only for the mega-churches but also for the small corner churches, as well. This book is a how-to resource that details everything you need to know in order to make home cell groups work in your church. The plans developed here are designed to bring intimate fellowship and involvement in the Christian's life, to effectively show Christians how to evangelize their neighborhood and community, and to share their spiritual gifts with one another. Home cell groups, therefore, give church members the opportunity to participate in the ministry of their church. Dr. Cho promises that, "By following the guidelines I have presented here, you can bring the miracles of home cell groups and church growth to your own congregation." So how does a church of more than 800,000 believers grow and work? Small groups, one household at a time. Cho is careful to share both his mistakes as well as his successes. One of the prime ingredients for a successful home group program is evangelism. He insists that the cell groups focus on the neighborhoods and communities to reach the lost. Leadership, training, discipline, recognition, focus, and personal involvement by the senior pastor are other critical elements. There is a careful balance which needs to be struck between control and freedom for each group to strengthen and grow. Great wisdom is shown in relying on the Holy Spirit to strike the right balance. As a senior partner in ministry, The Holy Spirit has grown the body of Christ in a miraculous way. Recorded in this book are lessons for us all, laymen and clergy, large church and small.

If the church remains static, it will not be completely functional and it will not be salt and light to this world. God's servants play an essential role in the transformation of the church and they are the only ones that can make it happen. Christ told us we must put new wine into new wineskins. In order to hear God's message for this new generation living in a new millennium, we must first break our old mind-set and perspectives and be transformed. In the past 45 years of my ministry, I have listened to the voice of God on a daily basis and maintained a close relationship with the Holy Spirit. I have constantly sought to transform myself

according to God's will. Struggling for such a transformation is not an easy job. However, no one can afford to remain static in this ever-changing world. The 21st century requires more changes from us than ever. I have compiled this book to help servants of God become able leaders who can meet the challenges of the 21st century. This book is for all spiritual leaders. I pray that those who read it will become able leaders in the new millennium.

Revival comes from prayer. Today's church needs an outpouring of the Holy Spirit. Early church leaders like Luther, Wesley, Finney and Moody were filled and refilled with the Holy Spirit. Prayer like theirs was the powerful key to every revival throughout Christian history. Whether you're an ordained minister, a stay-at-home mom, or a new Christian, God can work through you. Join Yonggi Cho and Wayde Goodall in *Prayer*, the story of Pastor Cho's personal life and successful ministry. Readers will: understand the different types of prayer, value the importance of prayer, learn why, how, and when to pray, cultivate a lifestyle of prayer, and receive new revelations of how to listen to the Holy Spirit. Hear the secrets God desires to share with you and be immersed in His profound love.

Presents a lesson that shows the power in possibilities.

No branch of Christianity has grown more rapidly than Pentecostalism, especially in the southern hemisphere. There are over 100 million Pentecostals in Africa. In Latin America, Pentecostalism now vies with Catholicism for the soul of the continent, and some of the largest pentecostal congregations in the world are in South Korea. In *To the Ends of the Earth*, Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism. Anderson argues that its spread is so dramatic because it is an "ends of the earth" movement--pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe. His wide-ranging account examines such topics as the Azusa Street revival in Los Angeles, the role of the first missionaries in China, India, and Africa, Pentecostalism's incredible diversity due to its deep local roots, and the central role of women in the movement. He describes more recent developments such as the creation of new independent churches, megachurches, and the "health and wealth" gospel, and he explores the increasing involvement of pentecostals in public and political affairs across the globe. Why is this movement so popular? Anderson points to such features as the emphasis on the Spirit, the "born-again" experience, incessant evangelism, healing and deliverance, cultural flexibility, a place-to-feel-at-home, religious continuity, an egalitarian community, and meeting material needs--all of which contribute to Pentecostalism's remarkable appeal. Exploring more than a century of history and ranging across

most of the globe, Anderson illuminates the spectacular rise of global Pentecostalism and shows how it changed the face of Christianity worldwide.

He writes, ""For fifty years the mighty Holy Spirit has enabled us to give help to the helpless and hope to the hopeless, and by so doing He has enabled us to build the world's largest church. May it always be to the honor and glory of God our Father, our Lord Jesus Christ, and the blessed Holy Spirit.

Many of Dr. Cho's books talk about life in the fourth dimension -- a realm that is more real than the physical world in which we live. He points out that the world we know was fashioned in the invisible fourth dimensions -- the spiritual realm -- and the things we see are only temporary; whereas, spiritual things are eternal. In light of this, he wants each of us to gain entrance to the fourth dimension, the place where the God of might and miracles lives and moves.

A Bible study based upon Cho's 4th Dimensional teachings.
