All he knows is honor, violence, blood, magic, and death. Which is exactly when he finds her. A rare female Lycan, gorgeous, fierce, powerful, and with no memory of who or what she is. Now everything in Roman's blood wants to help her, protect her, and—damn it all to hell—want her. Nova woke knowing only that her leather Goth get-up was riding up in the wrong places, and that she had to find Roman. Since then, every moment is a new and unsettling insight into her gifts, her dangerous skills, who she is, and what she wants...including this daunting, muscled Lycan whose name is tattooed on her skin. But the Crown knows all about Nova. What she is, what she can do, and just how brutally dangerous a female Lycan can become. Now they want her put down for good. And they have their perfect weapon of choice... Roman.

What experts are saying about *You Can Train Your Dog!*:

Pam Dennison has done it again! She has written a fabulous book about training dogs that will benefit both the pet owner and novice or professional instructor. This in-depth volume bears Pam's signature stamp of breaking tasks into small steps that make learning effective and fun for dog and human alike. When I think of Pam, I think of someone who really "gets" dogs and who stands out in her ability to teach using practical, simple, realistic, and effective dog-friendly methods. This wonderful book is chock full of easy to follow approaches that work with family dogs, working dogs, high-performance dogs, and dogs with problems. It is precisely because of its practicality and comprehensiveness that I plan to use this book in my Animal-Assisted Play Therapy training program. This is an absolute must-read for everyone who trains their own or others' dogs!

Risë VanFleet, PhD, RPT-S, CDBC Founder, The Playful Pooch Program, Author of the award-winning *Play Therapy with Kids & Dogs* and *The Human Half of Dog Training: Collaborating with Clients to Get Results*

Wow! This book has it all. From basics and animal husbandry through to Premack and control games. If we had more well planned books like this in our stores there would be less problem dogs on our streets! Pamela does a great job of deciphering the science behind dog training in this user friendly guide to having a great dog!

You approach the front door of your first Christian singles group, stomach tied in knots. Then it hits you like a ton of bricks: "Never in my wildest dreams would I have seen this coming this..this..plan B for my life." You sigh then take a deep breath and remind yourself that the Lord brought you through a meandering path in time to be here. Thus, you reluctantly choose to embark willingly on this Christian singles group journey, your new reality. This book points out a baffling trend in Christian singles groups. Simply stated, Christian singles, an ever increasing demographic in their church, populate Christian singles groups but many end up dateless. Moreover, after several years few exit the group with a spouse that they actually met there. The solution to your singleness is quite simple but muddled by secular culture which is ever changing. This book identifies a key missing ingredient that Christian men wish women would re-

discover. It's the solution to more dates, marriages and children to fill the pews of your Christian church. Dr. Eddie B. holds a Ph.D. in Cell Biology with expertise in protein ion channel electrophysiology and interests in neuroscience. In addition he has taken introductory psychology and sociology courses in college. His favorite class was an advanced level undergraduate biology course coffered by the psychology department titled "Brain and Behavior" the content of which being self-explanatory. Yet his perspective in this book is based primarily on two sources: 1) answers to questions posed to single Christians and 2) the observed behavior of single Christians in group settings. Since 1993 he has been active in four independent singles groups sponsored by four major Christian churches in the mid-Atlantic region. The unifying theme that he observed in each of these groups inspired this book. Dr Beck's interests outside of science include creative writing on Christian themes, dabbling in original music recordings, science policy, volleyball, swingdancing, choir, swimming in natural bodies of water to name a few.

In this conversation with oral historian Charles Stuart Kennedy, Bill Lenderking discusses his long and sometimes contentious diplomatic career, from Castro's Cuba to post-9/11. The seemingly blind love of a wife for her husband as he conquers Wall Street, and her extraordinary, perhaps foolish, loyalty during his precipitous fall, is expertly explored in this "ripped-from-the-headlines story about love, ambition, and forgiveness" (PopSugar)—perfect for fans of the TV show *Billions*. Phoebe recognizes fire in Jake Pierce's belly from the moment they meet as teenagers. After they marry and he creates a financial dynasty, she trusts him without hesitation—unaware his hunger for success hides a dark talent for deception. But when Phoebe learns her husband's triumph and vast reach rests on an elaborate Ponzi scheme, her world unravels. While Jake is trapped in the web of his deceit, Phoebe is caught facing an unbearable choice. Her children refuse to see her if she remains at their father's side, but abandoning him feels cruel and impossible. From penthouse to prison, with tragic consequences rippling well beyond Wall Street, Randy Susan Meyers's latest novel exposes a woman struggling to survive and then redefine her life as her world crumbles. "An engrossing emotional journey" (Kirkus Reviews) and USA TODAY bestselling author Diane Chamberlain raves, "With all the suspense of a thriller, *The Widow of Wall Street* quickly pulled me into the story and didn't let me go until the last page."

Three classic novels of murder and suspense from "the Agatha Christie of gay mystery." A disgraced FBI agent and a small-town sheriff team up to catch a serial killer in the atmospheric thriller *Winter Kill*. Probing the enigma of legendary 1960s artist Cosmo Bari's disappearance proves deadly to his son in the traditional cozy *Murder in Pastel*. Murder and mayhem make for strange bedfellows at a mystery writing conference in the comic who-dunnit *Somebody Killed His Editor* (the first book of the *Holmes & Moriarity* series).

There's no backing down this time Lucy Everhart expected her opposing counsel to be a slick, soulless corporate lawyer. Who else would represent developers intent on turning Chicago's Safe Haven women's shelter into condos? But she never imagined it would be Dylan Hunt. Clearly, he's no longer the idealistic young man she fell for in law school. This is Dylan 2.0. The man who let her go without a fight five years ago—along with his passion for social justice, apparently. He may have compromised what he believed in, but Lucy hasn't. Dylan has no idea what kind of fight he's in for. But then again, neither does she.

Some have said that the word "scam" is too strong for a book that argues against the church's most sacred cow, but "scam" is exactly the right word because tithing has been put forth as a duty that will earn that which Christ suffered and died to freely give us. Not only is it wrong to suggest that tithing will do what Christ died to do, such as open heaven or make one right with God, but such teaching is an insult to His sacrifice and in reality, an enemy to the Cross even as circumcision was in the early church. Our ministers have been naively leading the church back under the Old Testament Law, and its curse, with imagined tithing promises that have gone way beyond even that which Malachi promised. Under the guise of "obedience, faithfulness and stewardship," we've been duped into believing we must prove ourselves without realizing that practicing the Law (tithing) blocks us from becoming sons and heirs according to Galatians 4: 5. Do you know that The book of Malachi was never intended to be instruction to the New Testament church? All the ordinances in Malachi (including tithing) were nailed to Jesus' cross, according to Colossians chapter 2? Tithing is part of the Law according to Matt. 23: 23, Malachi 3: 7, and Hebrews 7: 18? The practice of tithing, the Law, can expose you to the "curse of the Law" causing incurable sicknesses, debt, death, and many other problems, according to the Apostle Paul in Galatians 3: 10? The practice of tithing actually removes you from the state of grace and places you back the category of "sinner"? Hebrews 5: 4 Tithing causes you to "frustrate the grace of God," and causes "Christ to profit you nothing"? Galatians 2: 21 and 5: 2 Making tithing a practice today actually causes the New Testament to become "another gospel" according to Paul in Galatians 1: 6? Order The Great Tithing Scam today and find out what else tithing will or won't do.

Praise for the Portland Heat series “Tremendously charming and sexy.”—RT Book Reviews on Served Hot “A really enjoyable story.”—Joyfully Jay on Baked Fresh “Sometimes an author just gets everything right...Absolutely perfect.”—Guilty Pleasures Book Reviews on Delivered Fast In One of Us Will Be Dead by Morning, David Moody returns to the world of his Hater trilogy with a new fast-paced, and wonderfully dark story about humanity's fight for survival in the face of the impending apocalypse. The fewer left alive, the higher the stakes. Kill the others, before one of them kills you. Fourteen people are trapped on Skek, a barren island in the middle of the North Sea somewhere between the coasts of the UK and Denmark. Over the years this place has served many purposes—a fishing settlement, a military outpost, a scientific base—but one by one its inhabitants have abandoned its inhospitable shores. Today it's home to Hazleton Adventure Experiences, an extreme sports company specializing in corporate team building events. Life there is fragile and tough. One slip is all it takes. A momentary lapse leads to a tragic accident, but when the body count quickly starts to rise, questions are inevitably asked. Are the deaths coincidental, or something else entirely? Those people you thought you knew, can you really trust them? Is the person standing next to you a killer? Will you be their next victim? A horrific discovery changes everything, and a trickle of rumors becomes a tsunami of fear. Is this the beginning of the end of everything, or a situation constructed by the mass hysteria of a handful of desperate and terrified people?

"Christianity" and eternal salvation are two different horses. If you can handle the truth and want to be sure how salvation actually takes place, it is imperative you read this. What you think you know and the truth may not be the same.

If we are not living abundant lives, how do we reclaim our lives in Christ? Jesus said, in John 10:10, "The thief comes only to steal, kill and destroy; I am come that they might have life, and that they might have it more abundantly." Yet, so many Christians fail to live an abundant life; in fact, too often they are just getting by, just struggling to survive. But God has so much more for us! Many of us have sat passively and watched as the enemy of our souls has come, like a thief, stealing away our joy, killing our bodies, and destroying our families. We have lost the abundance in our lives that Christ died to give us. We allowed it to be taken from us while we watched apathetically, as though we were only spectators of our own lives-not followers of a risen, active, triumphant Christ. The time for sitting still and bemoaning our lot in life is over. God has empowered us to

reclaim what we've lost. We can get our lives back! Get our health back! Get our minds back! Get our families back! Get our joy back! We do not have to wallow in defeat. We can make a comeback! JEFFREY A. JOHNSON, SR. is senior pastor of Eastern Star Church in Indianapolis, Indiana, a position he has held for over twenty years. This is a church "Where Jesus is Exalted, and the Word is Explained." More important to him than the size of his church, the titles he holds or the places he's been, he wants people to know that he loves Jesus. He and his wife Sharon Henry Johnson are the parents of four sons. This is his second book, following *The Song of Solomon: Love, Sex and Relationships*.
