

You Re A Good Man Charlie Brown Egr Drama

HILARIOUS PARODIES OF CLASSIC LITERATURE REIMAGINED WITH CLASSIC COMICS Masterpiece Comics adapts a variety of classic literary works with the most iconic visual idioms of twentieth-century comics. Dense with exclamation marks and lurid colors, R. Sikoryak's parodies remind us of the sensational excesses of the canon, or, if you prefer, of the economical expressiveness of classic comics from Batman to Garfield. In "Blond Eve," Dagwood and Blondie are ejected from the Garden of Eden into their archetypal suburban home; Oscar Wilde's Dorian Gray is reimagined as a foppish Little Nemo; and Camus's Stranger becomes a brooding, chain-smoking Golden Age Superman. Other source material includes Dante, Shakespeare, Dostoyevsky, bubblegum wrappers, superhero comics, kid cartoons, and more. Sikoryak's classics have appeared in landmark anthologies such as RAW and Drawn & Quarterly, all of which are collected in Masterpiece Comics, along with brilliant new graphic literary satires. His drawings have appeared on The Daily Show with Jon Stewart, as well as in The New Yorker, The Onion, Mad, and Nickelodeon Magazine.

Emmy and Peabody Award-nominated health reporter Cleo Stiller's fun(ny) and informative collection of advice and perspectives about what it means to be a good guy in the era of #MeToo. Here are a few self-evident truths: Predatory men need to go, sexual assault is wrong, and women and men should be equal. If you're a man and disagree with any of the aforementioned, then this book isn't for you. But if you agree, you're probably one of the "good guys." That said, you might also be feeling frustrated, exasperated, and perhaps even skeptical about the current national conversation surrounding #MeToo (among many other things). You've likely found yourself in countless experiences or conversations lately where the situation feels gray, at best. You have a lot to say, but you're afraid to say it and worried that one wrong move will land you in the hot seat. From money and sex to dating and work and everything in between—it can all be so confusing! And when do we start talking about solutions instead of putting each other down? In Modern Manhood, reporter Cleo Stiller sheds light on all the gray areas out there, using conversations that real men and women are having with their friends, their dates, their family, and themselves. Free of judgment, preaching, and sugarcoating, Modern Manhood is engaging, provocative, and, ultimately, a great resource for gaining a deeper understanding of what it means to genuinely be a good man today.

Twelve of your favorite Peanuts gang adventures are now available in one dazzling edition! It's the adventures of Charlie Brown, Snoopy, and the rest of the Peanuts gang! Where will Snoopy's imagination take him today? Will Charlie Brown ever kick that football? Will Linus ever let go of his blanket? A Best Friend for Snoopy A Best Friend for Woodstock Snoopy and Woodstock's Great Adventure © 2017 Peanuts Worldwide LLC

A GRIPPING, FEARLESS EXPLORATION OF MASCULINITY The effects of traditionally defined masculinity have become one of the most prevalent social issues of our time. In this engaging and provocative new book, beloved actor, director, and social activist Justin Baldoni reflects on his own struggles with masculinity. With insight and honesty, he explores a range of difficult, sometimes uncomfortable topics including strength and vulnerability, relationships and marriage, body image, sex and sexuality, racial justice, gender equality, and fatherhood. Writing from experience, Justin invites us to move beyond the scripts we've learned since childhood and the roles we are expected to play. He challenges men to be brave enough to be vulnerable, to be strong enough to be sensitive, to be confident enough to listen. Encouraging men to dig deep within themselves, Justin helps us reimagine what it means to be man enough and in the process what it means to be human.

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

A NEW YORK TIMES, USA TODAY, and WASHINGTON POST BESTSELLER!
A 2021 Alex Award winner! The 2021 RUSA Reading List: Fantasy Winner! An Indie Next Pick! One of Publishers Weekly's "Most Anticipated Books of Spring 2020" One of Book Riot's "20 Must-Read Feel-Good Fantasies" Lambda Literary Award-winning author TJ Klune's bestselling, breakout contemporary fantasy that's "1984 meets The Umbrella Academy with a pinch of Douglas Adams thrown in." (Gail Carriger) Linus Baker is a by-the-book case worker in the Department in Charge of Magical Youth. He's tasked with determining whether six dangerous magical children are likely to bring about the end of the world. Arthur Parnassus is the master of the orphanage. He would do anything to keep the children safe, even if it means the world will burn. And his secrets will come to light. The House in the Cerulean Sea is an enchanting love story, masterfully told, about the profound experience of discovering an unlikely family in an unexpected place—and realizing that family is yours. "1984 meets The Umbrella Academy with a pinch of Douglas Adams thrown in." —Gail Carriger, New York Times bestselling author of Soulless At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

This is the only book written specifically for men in a language that is respectful to men, about how to deal better with the most important relationships in their lives. It provides real tools for men who have trouble dealing with the emotional demands of relationships and those affected by them. The premise of this book is that good, well-intentioned men can, in times of stress and emotional conflict, act

in destructive ways that don't reflect their true character. From a humanistic and empathetic perspective, this book explores the latest research about male psychological development to create a new, compassionate narrative for the struggles men face. Learn to recognize and label your internal states. Find out why displays of not-so-masculine emotions are so difficult to deal with, and why they can provoke episodes of problematic behavior. Explore the father-son relationship and the reality of male peer relations; see why these patterned interactions can reinforce bad behavior from generation to generation. Structured exercises and strategies help transfer the concepts of the book into daily experience. David B. Wexler, Ph.D., is the founder and executive director of the Relationship Training Institute, an organization designed to help couples and especially men who are having problems in relationships. His previous work includes *The Adolescent Self* and *The PRISM Workbook*. Visit the author at his Web site: www.rtiprojects.com.

At an exclusive prep school on Long Island, Jill Newman looks forward to her senior year as a member of the school's most elite clique, the Players, until new evidence surfaces about the murder of her close friend Shaila.

"A Good Man is Hard to Find" Rutgers University Press

According to Jewish scripture, there are thirty-six righteous people on earth. Without them, humanity would perish. But the thirty-six do not know that they are the chosen ones. In Beijing, a monk collapses in his chamber. A fiery mark has spread across his back and down his spine. In Mumbai, a man who served the poor dies suddenly. His body shows the same mark. Similar deaths are reported in cities around the world - the victims all humanitarians, all with the same death mark. In Copenhagen, it falls to veteran detective Niels Bentzon to investigate. He is told to find eight 'good people' of Denmark and warn them of this threat. But Bentzon is trained to see the worst in people and he becomes increasingly skeptical as he realizes that not everyone perceived to be good is truly good. It is only when Niels meets Hannah, a brilliant astrophysicist mourning the death of her husband, that the pair begin to piece together the puzzle and a pattern emerges. There have been thirty-four deaths and there are two more to come. According to the pattern, Bentzon and Hannah can predict the time and place of the final two. The murders will occur in Venice and Copenhagen. And the time is now. 'A breathtaking thriller' Ekstra Bladet 'A catching and entertaining story told with breathtaking pace' Politiken 'Beautifully done . . . and the ending is truly surprising' litteratursiden.dk

This is more than a book it is the centrepiece of a national discussion about what manhood means today. Thirty-one essays by a broad range of men -- rich, poor, black, white, gay, straight, urban, rural, famous, ordinary -- describe the challenges, obstacles, triumphs, failures, and life-changing moments that collectively help define what it means to be a man in America.

The one-liners fly like rockets in *THE NEW CENTURY*, the rollicking bill of short plays by Paul Rudnick...Building on time-honored traditions within gay and Jewish humor, Mr. Rudnick turns stereotypes into bullet-deflecting armor and jokes into an inexhaust Compelling drama...deliriously entertaining. --The New Yorker. Hilarious...raw and revealing. --EdgeNewYork.com. Playwright Jason Chimonides' script abounds with

witty remarks, dirty allusions, and random tangents where high art and popular culture collide

The fifth book in Chris Colfer's #1 New York Times bestselling series *The Land of Stories!* *The Masked Man* has captured all the royal families from the Land of Stories with the help of his army of literature's greatest villains, including the Wicked Witch of the West, the Queen of Hearts, and Captain Hook. With his sinister plan finally in motion, he is eager to destroy the families and take his place as emperor. Alex and Conner know they are no match against the Masked Man's legion of villains, but they realize that they may be in possession of the greatest weapon of all: their own imaginations! So begins the twins' journey into Conner's very own stories to gather an army of pirates, cyborgs, superheroes, and mummies as they band together for the ultimate fight against the Masked Man. Meanwhile, an even more dangerous plan is brewing--one that could change the fates of both the fairy-tale world and the Otherworld forever. Conner's tales come alive in the thrilling fifth adventure in the #1 New York Times bestselling *Land of Stories* series.

Steve Harvey, the host of the nationally syndicated *Steve Harvey Morning Show*, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships.

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —*The New York Times* "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —*USA Today* **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

Little Women is the story of the four March girls and their approach towards womanhood. *Little Women* is the heartwarming story of the March family that has thrilled generations of readers. It is the story of four sisters—Jo, Meg, Amy and Beth—and of the courage, humor and ingenuity they display to survive poverty and the absence of their father during the Civil War.

The author of *Counseling Victims of Violence* identifies the types of men women should avoid, including physical abusers, men who want mothers, men who prey on lonely women, men who are emotional unavailable, and dangerously clingy men. Original.

"If you are the parent of a boy . . . this is the book you need . . . insightful, enlightened, practical." —Peggy Orenstein, *New York Times* bestselling author of *Boys & Sex* From the dad who created the viral tweet supporting his son wearing nail polish, this essential parenting guide shares 36 parenting tips for battling gender norms, bringing down "man up" culture, and helping sons realize their potential. Our boys are in a crisis. Toxic masculinity and tough guyism are on display daily from our leaders, and we see anger, dysfunction, violence, and depression in young men who are suffocated by harmful social codes. Our young sons are told to stop throwing like a girl. They hear phrases like "man up" when they cry. They are told "boys will be boys" when they behave badly. The "Girl Power" movement has encouraged women to be whoever and do whatever they want, but that sentiment is not often extended to boys. Just watch the bullying when boys try ballet, paint their fingernails, or play with a doll. But we can treat this problem—and the power lies in the hands of parents. It's not only possible to raise boys who aren't emotionally stifled and shoved into stereotypical gender boxes; it's vital if we want a generation of men who can express their emotions, respect women, and help nurse society back to a halfway healthy place. We can reframe manhood. From Aaron Gouveia, who gained viral fame after tweeting his support for his son's painted fingernails (and who knows toxic masculinity very well), learn practical and actionable tips such as: Don't accept different standards for moms and dads Teach boys that "girl" is not an insult and retire phrases like "boys will be boys" Show boys that expressing their emotions and being physical is a good thing Let boys pursue nontraditional interests and hobbies Talk to boys about consent and privilege Model healthy and respectful relationships for boys to emulate Penned with equal parts humor, biting snark, and lived advice, *Raising Boys to Be Good Men* is the essential parenting guide for raising sons to realize their potential outside the box. ?

In *Peanuts and Philosophy*, twenty philosophers, from a diverse range of perspectives, look at different aspects of the *Peanuts* canon. How can the thoughts of children, who have yet to become grown-up, help us to become more grown up ourselves? Do we get good results from believing in something like the Great Pumpkin, even though we're disappointed every time? What can Linus's reactions to the leukemia of his friend Janice tell us about the stages of grief? Why don't we settle what's right and what's wrong by the simple method of asking Lucy? Is true happiness attainable without a warm puppy? Do some people's kites have a natural affinity for trees? Is Sally an anarchist, a nihilist, or just a contrarian? Does Linus's reliance on his blanket help him or hurt him? Is Charlie Brown's philosophy of life pathetic or inspirational? Other topics include: how the way children think carries general lessons about transcending our limitations; the Utopian quest as illustrated by Charlie's devotion to the Little Red-Haired Girl; Snoopy's Red Baron and history as selective memory; the Head Beagle as Big Brother. And, as we would expect, Lucy's repeated cruel removal of Charlie's football has several philosophical applications.

SUB TITLE:Helping Your Husband Take the Lead in the Home

"I sat down to read *A Good Man* and didn't move until I'd finished...I loved this book." —Caroline Kepnes, author of *You* A dark and gripping novel of psychological suspense about a family man driven to unspeakable acts, in the vein of *The Perfect Nanny* and *We Need to Talk About Kevin*. Thomas Martin was a devoted family man who had all the trappings of an enviable life: a beautiful wife and daughter, a well-appointed home on Long Island's north shore, a job at a prestigious Manhattan advertising firm. He was also a devoted son and brother, shielding the women in his orbit from the everyday brutalities of the world. But what happens when Thomas's fragile ego is rocked? After committing a horrific deed — that he can never undo — Thomas grapples with his sense of self. Sometimes he casts himself as a victim and, at other

times, a monster. All he ever did was try to be a good man, but maybe if he tells his version of the story, he might uncover how and why things unraveled so horribly.

Surveys 434 films including the popular favorites, classics, and special TV-movie presentations. With 103 illustrations.

In this intimate portrait of an extraordinary father-son relationship, Mark K. Shriver discovers the moral principles that guided his legendary father and applies them to his own life. When Sargent "Sarge" Shriver—founder of the Peace Corps and architect of President Johnson's War on Poverty—died in 2011 after a valiant fight with Alzheimer's, thousands of tributes poured in from friends and strangers worldwide. These tributes, which extolled the daily kindness and humanity of "a good man," moved his son Mark far more than those who lauded Sarge for his big-stage, headline-making accomplishments. After a lifetime searching for the path to his father's success in the public arena, Mark instead turns to a search for the secret of his father's joy, his devotion to others, and his sense of purpose. Mark discovers notes and letters from Sarge; hears personal stories from friends and family that zero in on the three guiding principles of Sarge's life—faith, hope, and love—and recounts moments with Sarge that now take on new value and poignancy. In the process, Mark discovers much about himself, as a father, as a husband, and as a social justice advocate. *A Good Man* is an inspirational and deeply personal story about a son discovering the true meaning of his father's legacy.

Songlist - Be Prepared; Can You Feel The Love Tonight; Chow Down; Circle Of Life; Circle Of Life (Reprise); Endless Night; Hakuna Matata; He Lives In You (Reprise); I Just Can't Wait To Be King; King Of Pride Rock; The Madness Of King Scar; The Morning Report; Nants' Ingonyama (Stage Version); Shadowland; They Live In You.

A thought-provoking retelling of the Gospel story from an atheist perspective. Upon its hardcover publication, renowned author Philip Pullman's *The Good Man Jesus and the Scoundrel Christ* provoked heated debates and stirred a frenzy of controversy throughout the clerical and literary worlds alike with its bold retelling of the life of Jesus Christ. In this remarkable piece of fiction, famously atheistic author Philip Pullman challenges the events of the Gospels and puts forward his own compelling and plausible version of the life of Jesus. Written with unstinting authority, *The Good Man Jesus and the Scoundrel Christ* is a pithy, erudite, subtle, and powerful book by a beloved author, a text to be read and reread, studied and unpacked, much like the *Good Book* itself. "The erudite fantasy author, Philip Pullman, makes explicit his complaint against Christian dogma with [this] challenging deconstruction of the Gospels." —*Entertainment Weekly* "Inspiring . . . Again and again, [Pullman] displays a marvelous sense of the elemental power of Jesus's instructions and parables." —*The Washington Post*

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires—aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be—dangerous, passionate, alive, and free.

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show

their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

Presents a chronology of the life of author Flannery O'Conner, comments and letters by the author about the story, and a series of ten critical essays by noted authors about her work.

The Pulitzer Prize-winning tragedy of a salesman's deferred American dream A Penguin Classic Since it was first performed in 1949, Arthur Miller's Pulitzer Prize-winning drama about the tragic shortcomings of an American dreamer has been recognized as a milestone of the theater. Willy Loman, the protagonist of *Death of a Salesman*, has spent his life following the American way, living out his belief in salesmanship as a way to reinvent himself. But somehow the riches and respect he covets have eluded him. At age 63, he searches for the moment his life took a wrong turn, the moment of betrayal that undermined his relationship with his wife and destroyed his relationship with Biff, the son in whom he invested his faith. Willy lives in a fragile world of elaborate excuses and daydreams, conflating past and present in a desperate attempt to make sense of himself and of a world that once promised so much. This Penguin Classics edition features an introduction by Christopher W. E. Bigsby. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Daniel Nash struggles to reconcile his feelings of betrayal with his desire to understand his life. His hopes of uncovering the secrets revealed in his father's journals are quickly dashed, and he works with a private investigator to discover the truth. Worry about his wife, Sarah, combines with his efforts to cope with his childhood trauma, an unexpected death, and the recent revelations. His obsession with the past threatens to destroy his stable life. Meanwhile, Sarah and her father, Tristan, continue to combat the lingering discord that developed between them years before but refuse to take their main focus from Daniel. As he reviews his biological father's efforts to be a good man, Daniel searches for a way to comprehend shocking disclosures. He questions his own goodness as he fights not to emotionally withdraw from those around him, especially the two people he knows will always love him, Sarah and Tristan.

Brave-hearted young Polly attempts to stop mean old Mr. Gum from poisoning Jake, a huge dog adopted by the town of Lamonic Bibber that keeps destroying Mr. Gum's garden, and thus provoking the angry fairy who lives there. Includes a glossary of such Engli

Drawn from the archives of the Charles M. Schulz Museum, an in-depth look at *Peanuts* with a "wealth of original art" (*The New York Times*). Charles M. Schulz believed that the key to cartooning was to take out the extraneous details and leave in only what's necessary. For fifty years, from October 2, 1950, to February 13, 2000, Schulz wrote and illustrated *Peanuts*, the single most popular and influential comic strip in the world. In all, 17,897 strips were published, making it "arguably the longest story ever told by one human being," according to Robert Thompson, professor of popular

culture at Syracuse University. For *Only What's Necessary: Charles M. Schulz and the Art of Peanuts*, renowned designer Chip Kidd was granted unprecedented access to the extraordinary archives of the Charles M. Schulz Museum and Research Center in Santa Rosa, California. Reproducing the best of the Peanuts newspaper strip, all shot from the original art by award-winning photographer Geoff Spear, *Only What's Necessary* also features exclusive, rare, and unpublished original art and developmental work—much of which has never been seen before. “Glorious...equal parts museum and monument, a masterwork of curatorial rigor and an affectionate homage.”—Brain Pickings

In the small African republic of Kinjanja, British diplomat Morgan Leafy bumbles heavily through his job. His love of women, his fondness for drink, and his loathing for the country prove formidable obstacles on his road to any kind of success. But when he becomes an operative in Operation Kingpin and is charged with monitoring the front runner in Kinjanja's national elections, Morgan senses an opportunity to achieve real professional recognition and, more importantly, reassignment. After he finds himself being blackmailed, diagnosed with a venereal disease, attempting bribery, and confounded with a dead body, Morgan realizes that very little is going according to plan.

All your favorite Peanuts characters can't wait to join the fun as the carnival rolls into town! But it's not all fun and games - September doesn't just bring the fair, but the start of the new year of school, too, and Peppermint Patty just can't hide her, well, lack of excitement. Throw in Linus and his beloved blanket, a crop of Charles Schulz Sunday strips, and a 1st appearance Pig Pen variant cover, and you've got another classic issue of PEANUTS!

One look at our cultural moment and it's easy to tell that men and their identities are in crisis. Though lost and fractured, men face the pressure to be perfect. Our reactionary society is quick to condemn and slow to forgive, leaving men more confused than ever about how to live and who to be. Yet in Scripture, we continually find God choosing to work in and through flawed, imperfect, and broken individuals. Men who had massive character flaws and significant moral failings, but who also shared one important characteristic: the desire to follow the call of their Creator. With engaging personal stories and insight into biblical truths, Nathan Clarkson declares to today's man that he is more than what the culture is telling him he is--angry, selfish, predatory, violent, and bored. Instead, still on the journey himself, Nathan calls today's man to find his identity in the One who created him on purpose, for a purpose, and encourages him to live an honest, authentic life marked by a winsome combination of confidence and humility.

"I have no wish to play the pontificating fool, pretending that I've suddenly come up with the answers to all life's questions. Quite that contrary, I began this book as an exploration, an exercise in self-questing. In other words, I wanted to find out, as I looked back at a long and complicated life, with many twists and turns, how well I've done at measuring up to the values I myself have set." —Sidney

Poitier In this luminous memoir, a true American icon looks back on his celebrated life and career. His body of work is arguably the most morally significant in cinematic history, and the power and influence of that work are indicative of the character of the man behind the many storied roles. Sidney Poitier here explores these elements of character and personal values to take his own measure—as a man, as a husband and a father, and as an actor. Poitier credits his parents and his childhood on tiny Cat Island in the Bahamas for equipping him with the unflinching sense of right and wrong and of self-worth that he has never surrendered and that have dramatically shaped his world. "In the kind of place where I grew up," recalls Poitier, "what's coming at you is the sound of the sea and the smell of the wind and momma's voice and the voice of your dad and the craziness of your brothers and sisters...and that's it." Without television, radio, and material distractions to obscure what matters most, he could enjoy the simple things, endure the long commitments, and find true meaning in his life. Poitier was uncompromising as he pursued a personal and public life that would honor his upbringing and the invaluable legacy of his parents. Just a few years after his introduction to indoor plumbing and the automobile, Poitier broke racial barrier after racial barrier to launch a pioneering acting career. Committed to the notion that what one does for a living articulates to who one is, Poitier played only forceful and affecting characters who said something positive, useful, and lasting about the human condition. Here is Poitier's own introspective look at what has informed his performances and his life. Poitier explores the nature of sacrifice and commitment, pride and humility, rage and forgiveness, and paying the price for artistic integrity. What emerges is a picture of a man in the face of limits—his own and the world's. A triumph of the spirit, *The Measure of a Man* captures the essential Poitier.

From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant *Wall Street Journal* and *USA Today* Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. *The Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.
