It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14.

Get ready... as the captain of a Spanish treasure ship sailing in the Spanish Main, you're about to get captured as a pirate's prisoner! Pirates have many ingenious tortures, and once they have got what they want from you, the best you can hope for is to be marooned on an island. This title in the best-selling children's history series, *You Wouldn't Want To...*, features full-colour illustrations which combine humour and accurate technical detail and a narrative approach placing reaworld warders at the centre of the history, encouraging them to become emotionally-involved with the characters and aiding their understanding of what life would have been like as a pirate's prisoner. Informative captions, a complete glossary and an index make this title an ideal introduction to the conventions of information books for young readers. It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14.

Without coding, all the computers in the world would just be useless boxes of plastic and metal. You could feed information into them, but they wouldn't know what to do with it.

Coding means creating a set of instructions (or algorithms) that tells a computer how to perform a task. Another word for coding is "programming." Learn about how much we rely on coding in our daily lives to control things such as smartphones and laptops, kitchen appliances, weather forecasts, traffic lights, heating systems, elevators, cars, and the greenhouses where our food is grown.

Describes what it was like to be a nurse during the Civil War.

Presents a lighthearted look at some of the difficulties faced by the pioneers who traveled by wagon train across the United States to settle in the West.

As a man brought up in a British coal-mining village in the 1860s, you have to endure the dangers and difficulties of working underground in a Victorian mine. Learn how to get by with a succession of 'Handy hints', such as not forgetting to take a canary down the mine with you. Find out how pit ponies are used, how the coal is mined, and how to survive deep underground. You'll soon learn that you really wouldn't want to be a Victorian miner! This title in the best-selling children's history series, *You Wouldn't Want To...*, features full-colour illustrations which combine humour and accurate technical detail and a narrative approach placing readers at the centre of the history, encouraging them to become emotionally-involved with the characters and aiding their understanding of what life would have been like working as a Victorian miner.
