Cardinal Christoph Schonborn's article on evolution and creation in The New York Times launched an international controversy. Critics charged him with biblical literalism and "creationism." In this book, Cardinal Schonborn responds to his critics by tackling the hard questions with a carefully reasoned "theology of creation." Can we still speak intelligently of the world as "creation" and affirm the existence of the Creator, or is God a "delusion"? How should an informed believer read Genesis? If God exists, why is there so much injustice and suffering? Are human beings a part of nature or elevated above it? What is man's destiny? Is everything a matter of chance or can we discern purpose in human existence? In his treatment of evolution, Cardinal Schonborn distinguishes the biological theory from "evolutionism," the ideology that tries to reduce all of reality to mindless, meaningless processes. He argues that science and a rationally grounded faith are not at odds and that what many people represent as "science" is really a set of philosophical positions that will not withstand critical scrutiny. *Chance or Purpose?* directly raises the philosophical and theological issues many scientists today overlook or ignore. The result is a vigorous, frank dialogue that acknowledges the respective insights of the philosopher, the theologian and the scientist, but which calls on them to listen and to learn from each another.

Focusing specifically on the thirteenth-

century founding of the Franciscans by St. Francis of Assisi and the Dominicans by St. Dominic Guzman, the pope said personal holiness led the two saints to preach -- and to help actualize -- a return to Gospel poverty, a deeper unity with the Church, and a new movement of evangelization, including within the European universities that were blossoming at the time. Their example continues to be relevant today as we struggle with a culture that "focuses more on having than on being," and look to emulate those holy people who chose to live very simply.

This book contains twenty-two individual "Scripture Studies." Each study focuses on one general area of study. These studies enable individuals to do in-depth, topical studies of the Bible. Chesterton wrote a hundred books on a variety of themes, thousands of essays for London newspapers, penned epic poetry, delighted in detective fiction, drew illustrations, and made everyone laugh by his keen humor. As Ahlquist shows in his engaging volume, this most quoted writer of the 20th century has much to share with us on topics covering politics, art, education, wonder, marriage, fads, poetry, faith, charity and much more.

Some of the most important people in faith formation are often overlooked: adults. But how can parishes engage people living in a postmodern world-people who consider themselves "spiritual but not religious," who may be suspicious of large institutions, and whose experiences and world-views are as diverse as our parishes themselves? Nationally recognized educator Jane Regan explores what important church documents say about evangelization and catechesis, and how they play a crucial role in thriving adult faith communities. Then she offers practical ways parishes of all sizes and personalities can help people become true disciples. With reflection and discussion questions throughout, *Forming a Community of Faith* is essential for Pastors, DREs, RCIA teams, education advisory boards, parish councils, committee chairpersons and anyone who wishes to discover and nurture a dynamic, mature, and fruitful faith. What's the one thing that defines your life and brings you the most good, the

most love? Pat Gohn knows what her one thing is: "More than any single factor in my life, belonging to Jesus Christ and the Catholic Church has had the greatest impact on me. Faith gives meaning to everything in my life." In this passionate and unapologetic account of why her faith in Christ and the Catholic Church are the source of meaning and joy in her life, Gohn—popular speaker, retreat leader, catechist, and author of *Blessed, Beautiful, and Bodacious*—invites you to become more confident in the power of the Catholic faith to transform your life as well. Being a cradle Catholic, cancer survivor, wife, and mother are all a part of Gohn's story. But in this appealing, personal book, she shares why her relationship with Jesus and her confidence in his Church are so much bigger than her medical diagnosis, more powerful than her family history, and more significant than her career path. Gohn ardently shares why belonging to the Church will strengthen and nurture your relationship with God. It will keep you connected with Jesus and the sacraments—conduits of grace, forgiveness, healing, wisdom, and renewal. Belonging to the Church connects you to millions of others around the world, to the saints, and to your loved ones in heaven. These relationships are at the heart of Catholicism. In this time when life and society are so fragmented, the joy of belonging to a community—as imperfect as it can be—easily outweighs the agony of separation or isolation. Gohn's confidence in her faith emerged despite and even out of a struggle with disillusionment. Working in a parish when news of the sex abuse scandals broke in Boston, she confronted heartbreak and anger within herself and her fellow parishioners. Yet she never left the Church and relates how she found a way to dig deeper and discover reasons to stay faithful. Each of the nine chapters identifies a dimension of the Catholic faith that is a source of Gohn's confidence, including the Incarnation, God's plan, the Fatherhood of God, the friendship of the Holy Spirit, and the love of neighbor. Each chapter also features reflection questions to challenge you.

With comprehensive Scripture references, quotes from the great teachers of the Faith, tips on how to deflate even the most vehement arguments, as well as a list of verses typically used against Catholics with effective counterarguments, *Where Is That in the Bible?* is a great book of Scripture-based apologetics.

Pat Gohn draws on decades of women's ministry experience, her popular Catholic women's podcast Among Women, and her own story as a wife and mother, proclaiming the Church's compelling vision of every woman: you have dignity, you are gifted, and you have a mission. The lively and unforgettable Gohn guides readers through moments of her life that have shaped her identity and understanding of womanhood--abiding love and talent for music, breast cancer in her thirties, and coming to understand true feminism in light of Church teaching and Mary's example. More than a mere memoir, Blessed, Beautiful, and Bodacious offers readers insight into the writings of Blessed John Paul II, which articulate four gifts unique to every woman: generosity, receptivity, sensitivity, and maternity. With humor, faith, and the open-hearted tone of a trusted mentor, Gohn shares how she became empowered to embrace her blessings, beauty, and bodaciousness, and how readers can do the same.

Filmed on location in the Holy Land, Jesus: the Way, the Truth, and the Life is a new and fresh look at Jesus -- who he is, what he is really like, what he taught, and what he did for our salvation. This encounter with Christ will inspire and empower you to center your entire life around him as you come to know and love him in an ever-deeper and more intimate way. It's not surprising that the modern Catholic often feels under siege. On one front, we face the Twitterati and dinner-table critics, convinced that the Church has fabricated its story about Jesus, elevated an ancient rabbi to the status of God for the sake of her own power. Then we face fellow Christians, seeking to undermine the Catholic Church by claiming that our understanding and worship of Jesus - especially in the Blessed Sacrament - are 'unbiblical.' In this book, you will find the historical resources to help you hold your own and defend the traditional Catholic understanding of Jesus. * What can I say to friends who say that Jesus was a 'good man' but nothing more? * How can I counter secularist, New Age and Muslim arguments that the Church has corrupted the teaching of the real, historic Jesus? * How can I help "Bible-believing" Christians to understand the importance of the tradition of the Church which Jesus founded? An Anglo-Catholic priest and doctor of Cambridge University, Fr Thomas Plant summarises the recent work of respected biblical scholars in a short and readable form, to help Catholic Christians understand and defend the authentic tradition of Jesus which their Church has faithfully guarded and proclaimed through the centuries.
