A whip-smart and illuminating exploration of the world's fascination with witches from podcast host and practicing witch Pam Grossman (The Witch Wave), who delves deeply into why witches have intrigued us for centuries and why they're more relevant now than ever. When you think of a witch, what do you picture? Pointy black hat, maybe a broomstick. But witches in various guises have been with us for millennia. In *Waking the Witch*, Pam Grossman explores the cultural and historical impact of the world's most magical icon. From the idea of the femme fatale in league with the devil in early modern Europe and Salem, to the bewitching pop culture archetypes in *Buffy the Vampire Slayer*, *Sabrina the Teenage Witch*, and *Harry Potter*; from the spooky ladies in fairy tales and horror films to the rise of feminist covens and contemporary witchcraft, witches reflect the power and potential of women. In this fascinating read that is part cultural analysis, part memoir, Pam opens up about her own journey on the path to witchcraft, and how her personal embrace of the witch helped her find strength, self-empowerment, and a deeper purpose. A comprehensive meditation on one of the most mysterious and captivating figures of all time, *Waking the Witch* celebrates witches past, present, and future, and reveals the critical role they have played—and will continue to play—in shaping the world as we know it.

Reviews “A laugh-out-loud, exciting ride...a darkly comedic coming-of-age story.” —School Library Journal A moving, darkly funny novel about six teens whose magic goes wildly awry from Magic for Liars author Sarah Gailey, who Chuck Wendig calls an “author to watch.” Keeping your magic a secret is hard. Being in love with your best friend is harder. Alexis has always been able to rely on two things: her best friends, and the magic powers they all share. Their secret is what brought them together, and their love for each other is unshakeable—even when that love is complicated. Complicated by problems like jealousy, or insecurity, or lust. Or love. That unshakeable, complicated love is one of the only things that doesn’t change on prom night. When accidental magic goes sideways and a boy winds up dead, Alexis and her friends come together to try to right a terrible wrong. Their first attempt fails—and their second attempt fails even harder. Left with the remains of their failed spells and more consequences than anyone could have predicted, each of them must find a way to live with their part of the story.

This wonderful manuscript reveals a formula which enables you to attract, manifest, mold and shape anything in your life. There is a layer of the human psyche capable of acting upon anything that exists in the Universe. This powerful layer of the mind is concealed and hidden by the obstructing data stored in the Subconscious. When the Conscious Mind sends a strong command to this layer, anything you desire comes to manifest. This method is not something that has been written before and it's so powerful that could change your life overnight according to the directives you give it. The Higher Mind is what makes anything come true – once you know how to reach it. This book will teach you exactly how. Among other subjects written, you will also find easy methods to spot out intuitive answers from obsolete thinking, you will learn

THOMAS TROWARD'S WISDOM SHARED BY HIS ONE AND ONLY STUDENT WITH A NEW PREFACE BY PEN AWARD-WINNING AUTHOR MITCH HOROWITZ! Respect, Trust, and Commitment are the cornerstones of a dedicated relationship between a teacher and a student. For a passionate student yearning to learn and understand the essence of a subject, they must demonstrate these traits before a teacher will take them under their wing. In this case, the teacher was Thomas Troward of Cornwall, England and the student was Genevieve Behrend. He imparted his personal insight to the one and only pupil who could perpetuate this knowledge and share it with the world. Not long after her time with Troward, Behrend began her mission in New York City where she established and headed The School of the Builders until 1925. She established another school in Los Angeles; and then spent the next thirty-five years touring major cities throughout North America as a celebrated lecturer, teacher, and practitioner of Mental Science. *Your Invisible Power* was her first book and remains her most powerful and popular work. In this Original Classic Edition, Behrend presents the Troward philosophy at its best. Her incomparably direct and dynamic personality relates the life-changing concepts on a personal level. As Behrend says, "We all possess more power and greater possibilities than we realize, and visualizing is one of the greatest of these powers." She will motivate and inspire you with a powerful, yet simple and easy guide to open up the way to the attainment of your desires.

author of the Encyclopedia of 5000 Spells. We all could use a little magic in our daily lives. But while the year is filled with mystical dates, we don't always know when and how to celebrate them. By knowing and preparing for these special days we can use their inherent power to change our lives. Daily Magic is a perpetual calendar focused on days of spiritual and magical significance. April 30th for example, is perfect for spellcasting—especially spells for love, romance, fertility, and prosperity. Judika Illes teaches you how to create rituals and cast spells, provides recipes for potions, and offers advice on creating feasts to honor sacred beings. While the most spiritually significant power dates of the year are Midsummer's Eve, Halloween/Samhain, and New Year's, opportunities to use rituals and spells for the most popular goals—love, prosperity, fertility, healing, and protection—occur every week. Illes offers guidance on when to perform a spell—whether it's best to conjure now or to wait for a special power date later in the year. Daily Magic is a spiritual daily calendar that give us the power and the tools we need to take control of our destiny!

We all will come to a place in life where what we have said to ourselves in the past manifests itself, and we are staring right at it. Why? Because our words never return to us void. They meet us in our future and are always waiting to give us what we

Mages and fantastical creatures were commonplace. But not anymore. Magic is only spoken of in fairy tales. One man has a plan to change that...After Grayne's peaceful village is attacked by unknown invaders, he sets out on a journey to find the man responsible. Along the way, he meets new friends and allies who agree to help him in his quest, but they soon find out that there is a lot more going on than they first realised. Revenge is unimportant when the fate of the world is at stake.

SHE CAN'T HIDE...FROM HERSELF The Saint's unique magic dwells within Sei, though she lacks full control and doesn't know why. She finds distraction in a sanctuary for rare herbs, where she can indulge her real passions. But the truth always catches up with Sei in the end, and this time, it will come through the words of a former Saint herself.

All forms of magic are linked to language. As a magic practitioner and a linguist, Patrick Dunn illuminates this fascinating relationship and offers breakthrough theories on how and why magic works. Drawing on linguistics and semiotics (the study of symbols), Dunn illuminates the magical use of language, both theoretically and practically. He poses new theories on the mechanics of magic by analyzing the structure of ritual, written signs and sigils, primal language, incantations across cultures, Qabalah and gematria (Hebrew numerology), and the Enochian vocabulary. This revolutionary paradigm can help magicians understand how sigils and talismans work, compose Enochian spells, speak in tongues for magic, create mantras, work with gematria, use postmodern "defixios," and refine their practice in countless other ways. "Magic, Power, Language, Symbol" is a unique tour de force that reinterprets the very nature of magic—placing it within the modern sciences of symbolism (semiotics) and language (linguistics). Within this paradigm, Dunn explains something that most other books miss: a logical and scientific understanding of how

"The Magic Power of Your Inner Conversations" challenges us to see that with our spoken word we create the worlds we live in. Whether good or bad. While our thoughts produce things, it's our words that give life to those thoughts. Wherever we are in life at this moment we've gotten there by what we have repeatedly said to ourselves in the process. Wherever we end up in the future we will get there by the words we say today. If life does not look the way we want it to look now, it's ok, don't beat yourself down with your words. You can create the image of the life you do want to live and with the power of your inner conversions speak to that life until you get there! --

In a wide variety of pagan paths, many forms of modern magic and mystery hold an expectation that all parties are heterosexual, cisgender, and, in many cases, white. In *Queer Magic: Power Beyond Boundaries*, Lee Harrington and Tai Fenix Kulystin bring together a diverse and passionate collection of authors and artists who break out beyond that belief and explore how being LGBT+ is not just acceptable when exploring magic, but powerful. Using the diverse tools of queer activism, education, and storytelling, through academic essays and first-person narratives to comics and poster-style art, this intersectional group exposes a world beyond what so many magical practitioners have presumed is "normal." The reality is that magic, whether in Wicca or Vodou, Heathenry or Polytheism, has been fueled by people and systems beyond the binary for millennia. For many within,
