Sometimes Reading is Hard Robin Bright, 2021-08-24 When students say that reading is boring, difficult, overwhelming, or they cannot find a good book, it is almost impossible to sell them on the idea that reading is fun and worthwhile. Sometimes Reading is Hard shows teachers how to develop the skills students need to be successful and how to cultivate passionate, lifelong readers. An intriguing look at the science of reading, the book helps teachers understand the foundations upon which language and reading are learned so they can make their own good decisions about programs, resources, strategies, and activities. Classroom vignettes, promising practices, and step-by-step activities illustrate how teachers can weave teaching the skills of decoding, vocabulary, comprehension, and fluency with real reasons to read. This hands-on teacher resource shows what a comprehensive, research-based reading program looks like in action.

Young Adult Literature in Action Rose Brock, 2019-06-14 Taking a genre approach, this overview of young adult literature shows new librarians and library science students the criteria to use for selecting quality books, including recommended titles. This third edition of Young Adult Literature in Action draws on the success of the previous two editions authored by

Rosemary Chance, updating and expanding on them to meet the needs of today's librarians and library science students. It includes a new focus on diverse books, LGBTQ+ selections, the role of book formats, and the relevance of librarians serving teen populations and is an ideal resource for teaching young adult literature courses. Organized by major genre divisions, this easy-to-use book includes new information on timely topics such as audio and e-books, accessible books, and graphic novels. Each chapter includes revised and updated information on collaborative activities, featured books, special topics and programs, selected awards and celebrations, historical connections, recommended resources, issues for discussion, author comments, and assignment suggestions. Further updates include citations of exemplary young adult books and award winners, references, websites, and a bibliography.

Integrating Literature in the Disciplines Sharon Kane, 2020-04-22 The Second Edition of this practical and comprehensive resource offers a multitude of ways to incorporate literature into teaching and learning across a range of disciplines. Future and practicing teachers, librarians, instructional coaches, and school leaders can implement the ideas within this text to improve the literacy skills and knowledge of students, while also addressing standards and curricular goals of various content areas. The new edition recognizes a paradigm shift from content areas to disciplines, reflecting the specific ways reading and writing are used in different fields of study. Updated with current research and practices, the volume recommends and

evaluates books in different genres and categories, with chapters on informational books; fiction; biography and memoir; poetry; and hands-on and how-to books. For every category, Kane provides a rationale, instructional strategies, and author studies, as well as lists and descriptions of books related to curricular areas. With a wealth of activities and new BookTalks, this Second Edition is greatly revised and features expanded attention to technology, digital learning, diversity, and culture. Using this text will create opportunities for deep discussions and will stimulate students' interest and motivation to read and learn. Integrating Literature in the Disciplines helps educators identify books that fit with any subject to enhance the creative and affective dimensions of school life; encourages interdisciplinary connections; and increases the depth and relevance of lessons. It is ideal for professional development and serves as a tool for Readers' Advisory to match books with readers throughout the school day and beyond.

Influence and Income Online James Smiley, 2019-07-08 Influence And Income Online: Three Millennial Millionaires Share Their Secrets Only six to eight years ago, most people who wanted to take a message or product to the world had to ask permission (from the authorities, associations, and governing bodies that centralized content distribution). But now, because of technology (particularly social media and video), decentralization is everywhere (technology inherently decentralizes). This has empowered everyone with a phone to reach the masses without ever worrying about asking for permission again. This book reveals how three millennial influencers did just that and took their message to hundreds of thousands (and sometimes millions) of followers—all without ever asking for permission. This is the day when kids make \$1000s doing things adults once mocked with statements like: keep making that face and it will become permanent when are you going to stop dancing and go get a job stop playing those video games, like someone's really going to pay you for that As more Fortune 500 brands fall by the waste side, people like Steve Larsen, Josh Forti, me, and many other entrepreneurs, many of which are featured in this book, are taking up the baton and running without looking back. ¿we are the ones Steve Jobs envisioned when he ran the most famous technology commercial of all-time in 1997: Here's to the crazy ones. The misfits. The rebels. The troublemakers. The round pegs in the square holes. The ones who see things differently. They're not fond of rules. And they have no respect for the status quo. You can quote them, disagree with them, glorify or vilify them. About the only thing you can't do is ignore them. Because they change things. They push the human race forward. While some may see them as the crazy ones, we see genius. Because the people who are crazy enough to think they can change the world, are the ones who do. Thank you Mr. Jobs ¿ and now to the crazy ones, let's go get it! James Smiley (and remember ¿ it's all about attitude!)

As Chief Of The Country`S Defence Research And Development Programme, Kalam Demonstrated The Great Potential For Dynamism And Innovation That Existed In Seemingly Moribund Research Establishments. This Is The Story Of Kalam`S Rise From Obscurity And His Personal And Professional Struggles, As Well As The Story Of Agni, Prithvi, Akash, Trishul And Nag--Missiles That Have Become Household Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

LAST CUT Samantha Paige, 2019-09-17 Have you ever felt like a stranger in your own life? After a cancer diagnosis at age 21 and many subsequent experiences lived from a place of fear and anxiety, author Samantha Paige did for far too long. Over time, she learned to regularly ask herself: How can I own my life and make my life my own?" By taking time for honest

introspection and acknowledging these moments of disconnect, she began to make some significant decisions, or last cuts, to create a life with greater congruence between her inner and outer worlds. Through her own process of healing, Paige outlined seven universal steps to the last cut process. In LAST CUT, she vulnerably shares from her own story and frames these phases of self-discovery and growth in a clear framework so that anyone facing a moment of questioning within their own lives can relate to a shared journey.

Brothers, We Are Not Professionals John Piper, 2013-02-01 In this revised and expanded edition of *Brothers, We Are Not Professionals* that includes a new introduction and select all-new chapters, best-selling author John Piper pleads through a series of thoughtful essays with fellow pastors to abandon the professionalization of the pastorate and pursue the prophetic call of the Bible for radical ministry. "We pastors are being killed by the professionalizing of the pastoral ministry," he writes. "The mentality of the professional is not the mentality of the prophet. It is not the mentality of the slave of Christ. Professionalism has nothing to do with the essence and heart of the Christian ministry. The more professional we long to be, the more spiritual death we will leave in our wake. For there is no professional childlikeness, there is no professional tenderheartedness, there is no professional panting after God. "Brothers, we are not professionals. We are outcasts. We are aliens and exiles in the world. Our citizenship is in Heaven, and we wait with eager expectation for the Lord (Phil. 3:20). You cannot professionalize the love for His appearing without killing it. And it is being killed. "The world sets the agenda of the professional man; God sets the agenda of the spiritual man. The strong wine of Jesus Christ explodes the wine- skins of professionalism."

Night Sky with Exit Wounds Ocean Vuong, 2017-04-04 Winner of the 2017 T. S. Eliot Prize 'Reading Vuong is like watching a fish move: he manages the varied currents of English with muscled intuition.' New Yorker An extraordinary debut from a young Vietnamese American, *Night Sky with Exit Wounds* is a book of poetry unlike any other. Steeped in war and cultural upheaval and wielding a fresh new language, Vuong writes about the most profound subjects – love and loss, conflict, grief, memory and desire – and attends to them all with lines that feel newly-minted, graceful in their cadences, passionate

and hungry in their tender, close attention: ‘...the chief of police/facedown in a pool of Coca-Cola./A palm-sized photo of his father soaking/beside his left ear.’ This is an unusual, important book: both gentle and visceral, vulnerable and assured, and its blend of humanity and power make it one of the best first collections of poetry to come out of America in years. ‘These are poems of exquisite beauty, unashamed of romance, and undaunted by looking directly into the horrors of war, the silences of history. One of the most important debut collections for a generation.’ Andrew McMillan Winner of the 2017 Felix Dennis Prize for Best First Collection A Guardian / Daily Telegraph Book of the Year PBS Summer Recommendation
