New York Times, USA Today, and Wall Street Journal Bestseller! Girls can rule the world—all they need is confidence. This empowering, entertaining guide from the bestselling authors of *The Confidence Code* gives girls the essential yet elusive code to becoming bold, brave, and fearless. It's a paradox familiar to parents everywhere: girls are achieving like never before, yet they're consumed with doubt on the inside. Girls worry constantly about how they look, what people think, whether to try out for a sports team or school play, why they aren't getting "perfect" grades, and how many likes and followers they have online. Katty Kay and Claire Shipman use cutting-edge science and research, as well as proven methods of behavioral change, to reach girls just when they need it the most—the tween and teen years. Packed with graphic novel strips; appealing illustrations; fun lists, quizzes, and challenges; and true stories from tons of real girls, *The Confidence Code for Girls* teaches girls to embrace risk, deal with failure, and be their most authentic selves. If you or the girl in your life loved *The Gutsy Girl* or *Rad American Women A-Z*, you'll love this.

Your formula to build a strong sense of self-worth so that you can better recognize opportunity, take action on your dreams, and enhance your resilience. A lack of self-confidence is one of the greatest maladies of today's world, one that is responsible for the rampant helplessness, lack of self-control, aimlessness, procrastination, and despair that characterize modern society. But as the venerable steel magnate Andrew Carnegie emphasized to Hill, "Confidence is a state of mind, necessary to succeed, and the starting point of developing self-confidence is definiteness of purpose." The time for self-doubt and self-criticism is over. Your faith in yourself and your abilities determines whether you fail or succeed. Napoleon Hill's Self-Confidence Formula enables you to boost your self-confidence through the application of Hill's strategies for controlling your thoughts. By implementing these principles, you will not only be able to operate at a higher plane of thought and action—attracting more opportunities, gaining influence, and strengthening relationships—but you will also be able to instill this critical quality in others. Napoleon Hill's Self-Confidence Formula gives you the keys to success and fulfillment by equipping you to: unlearn fears, insecurities, and limitations acquired in childhood and adolescence condition your mind to believe in the certainty of your success take bold, confident action on your definite chief aim conquer your inferiority complex through the mastermind principle build the self-reliance and self-esteem of today's youth You are now on the journey to confident, purposeful living. As you implement Hill's principles, you will cultivate a state of mind primed to accept the abundance reserved for you.

"A wise and realistic program for instilling genuine self-esteem in children." —Kirkus Reviews, starred review Help your child cultivate real, lasting confidence! In *Kid Confidence*, a licensed clinical psychologist and parenting expert offers practical, evidence-based parenting strategies to help kids foster satisfying relationships, develop competence, and make choices that fit who they are and want to become. As parents, it's heartbreaking to hear children say negative things about themselves. But as children grow older and begin thinking about the world in more complex ways, they also become more self-critical. Alarming, studies show that self-esteem, for many children, takes a sharp drop starting around age eight, and this decline continues into the early teen years. So, how can you turn the tide on this upsetting trend and help your child build genuine self-esteem? With this guide, you'll learn that self-esteem isn't about telling kids they're "special." It's about helping them embrace the freedom that comes with a quiet ego—a way of being in the world that isn't preoccupied with self-judgment, and instead embraces a compassionate view of oneself and others that allows for both present awareness and personal growth. When kids are less focused on evaluating and comparing themselves with others, they are freer to empathize with others, embrace learning, and connect with the values that are bigger than themselves. You'll also discover how your child's fundamental needs for connection, competence, and choice are essential for real self-esteem. Connection involves building meaningful and satisfying relationships that create a sense of belonging. Competence means building tangible skills. And choice is about being able to make decisions, figure out what matters, and choose to act in ways that are consistent with personal values. When children are able to fulfill these three basic needs, the question of "Am I good enough?" is less likely to come up. If your child is suffering from low self-esteem, you need a nuanced parenting approach. Let this book guide you as you help your child create unshakeable confidence and lasting well-being.

Raise your kids through positive parenting, understanding, and leadership...and be the ultimate influencer in their lives. How do you raise a champion? After her son Adam Rippon, medaled in the 2018 Olympic Games, single mom Kelly Rippon found herself being asked this question all the time. Kelly had six children—what did she do to inspire them to their achievements and how did she raise confident, self-driven, emotionally intelligent children? Kelly realized that her unique parenting ideas shared the same leadership influence model she presented to audiences across the country as a motivational and professional development speaker. Her philosophy is simple: a parent has the greatest opportunity to be the most significant influence in a child's life. Kelly shares ten key types of influence—from Optimism to Accountability—that will inspire your kids and build your own sense of purpose and self-worth. Illustrating her influencer philosophy

with relatable anecdotes from her own life and raising gifted children, Kelly invites you into your own journey of self-discovery in one of the best books on parenting and child development. No matter the challenges, you can improve your life and empower your children when you Parent Up! Foreword by Olympic medalist Adam Rippon. Praise for Parent Up: "Parent Up is exactly the book parents need in our rapidly changing world. It reminds today's teachers, parents, and caregivers that leadership requires empathy, and the better we understand others, the better we understand ourselves." —Michele Borba, EdD, author of Unselfie: Why Empathetic Kids Succeed in Our All-About-Me World "Parent Up gives parents the confidence to raise our children in a way that works for our families, and inspires resilience and self-sufficiency in our kids." —Lindsay Powers, author of You Can't F*ck Up Your Kids: A Judgment-Free Guide to Stress-Free Parenting "Kelly shares relatable personal experiences in Parent Up that show us sometimes the difficult path leads to the best parenting. Not always protecting our kids, but allowing them to own the consequences of their actions, helps them learn to be confident, empathetic, accountable, and ultimately empowered to live their best lives. It's no wonder her oldest son, Adam, achieved his Olympic dream and is a beloved sports figure." —Kristi Yamaguchi, Olympic champion and New York Times bestselling author "This book is a total joy! Kelly Rippon is a remarkable mother of six remarkable children whose achievements are only surpassed by their integrity and goodness of heart. Her book offers a wealth of advice for raising successful and compassionate children. Warm, witty, and wise, Kelly Rippon is a gift to all parents!" —Priscilla Gilman, author of The Anti-Romantic Child: A Story of Unexpected Joy

Are you struggling with your self-confidence? Do you have the desire for more in your life but you don't seem to be able to take actions? The truth is that everything is already inside you and this book will be a stepping stone to help you to take your life to help you to become more confident and to take your life to another level. This book contains proven steps and strategies on how to be confident and improve your self-image. It is for anyone who is looking for practical steps on how to become confident. It is also for those who want to know more about themselves for self-improvement. You will discover all the essential tips you need to become confident enough to overcome the challenges in your life and chase after your goals. Find out what confidence means and the qualities you will find in a confident person. Determine your current level of confidence and learn how you can achieve balance in the different aspects of your life. What Confidence is All About? Some may think that you are born with it and that somehow, parents have this "confidence" gene that gets passed down. Others believe that confidence is more of a skill that can be honed. However, to people who constantly struggle with it, they sometimes see it as a sort of magical elixir that they can drink up to feel super. In truth, confidence has many meanings. In fact, the dictionary offers not one but five meanings of confidence. It is... It Starts in the Mind Did you know that some of the most conventionally attractive people in the world also tend to be the most insecure? That's because confidence depends more on your state of mind than appearance. How do you train your mind to become more confident? What you See Affects How you Feel Do you believe that your physical appearance affects your confidence? Or do you think it is the other way around? Regardless of how you see it, it is no secret that we humans rely deeply on our sense of sight. This is why one's looks matter in many of life's situations. Your appearance is your physical representation in the world and it communicates a strong message to who you are and what you believe in. Tap Into your Inner Confidence Everyone, yourself included, has experienced the feeling of being highly energetic, brave and empowered at certain points in their life. It doesn't matter if you cannot completely recall that moment right now, because what matters more is that you can experience it again. Develop Self-Confidence in a Social World Self-confidence plays a key role in developing your social skills. When you believe in yourself, you can broaden your social circles, advance in your career, and develop meaningful relationships. Confidence also enables you to protect yourself against those who may hurt and take advantage of you. It also keeps you from developing social anxiety and depression. Taking It One Step Further Imagine how challenging it will be to pursue your goals if you do not have enough confidence in yourself. It will become all the more difficult if you do not have a concrete plan to follow, but fear not, because this final chapter will help you flesh out exactly what you want out of life and how you can achieve it confidently. You are What You Repeatedly Do Building self-confidence is a lot like growing a delicate rose from a seedling. It doesn't happen overnight and requires everyday patience, care and attention. The good news is it gets easier with each passing day, and the key is to nurture the right habits Take action now and get a copy of this book and it will help you to make a commitment to yourself that from this point forward, you are going to transform your life, reach your goals and live a happy life.

Following the success of Lean In and Why Women Should Rule the World, the authors of the bestselling Womenomics provide an informative and practical guide to understanding the importance of confidence—and learning how to achieve it—for women of all ages and at all stages of their career. Working women today are better educated and more well qualified than ever before. Yet men still predominate in the corporate world. In The Confidence Code, Claire Shipman and Katty Kay argue that the key reason is confidence. Combining cutting-edge research in genetics, gender, behavior, and cognition—with examples from their own lives and those of other successful women in politics, media, and business—Kay and Shipman go beyond admonishing women to "lean in." Instead, they offer the inspiration and practical advice women need to close the gap and achieve the careers they want and deserve.

Has been completely revised and updated! Use These Powerful Strategies To Build Your Confidence And Overcome Limiting Beliefs Before you read any further, answer these simple questions: - Do you let your limiting beliefs get the better of you? - Do you often think what if you get rejected and everyone cat calls at you? - Why have you been ignoring and running away from the gifts you have been blessed with? - Do you feel you lack the confidence required to break a weakening negative habit in your life? - Will you allow your doubts and insecurities to win over you? - Would you like to feel strong and successful? If you answered "yes" to at least one of the above questions, then this book is just what you need to get informed, confident, and take the steps necessary to get exactly what YOU want out of your life! In this book, you will learn exactly how you can build confidence through some simple techniques. You will also learn how you can change the way you look at life and be grateful for what you have. The main purpose of this book is to help you come out of your cocoon and face the world. This is a shortcoming that you can easily overcome if you are willing to come out of your comfort zone. In this book, we'll be stressing on three strategies that will help you gain confidence and understand how you can change your life around. If you are focusing on your low self-confidence and limiting beliefs, then you will not be able to build self-confidence. You have to change the way you look at things You have to move past your limiting beliefs and weaknesses and focus on your strengths. Stop being a mouse when you are capable of being a lion. You are not doing the world any good by playing small. Be grateful for what you have and what you are capable of doing. Realise your strengths and focus on them. Discover your inner strength and focus on it. Instead of focusing on what you don't have, accept what you do have and embrace your strengths. Live your life fully and be energised. Stop complaining about your bad day at work and how exhausted you are. Instead, focus on being fully alive and drive your energy towards building your future. Do some mental exercises and listen to inspiring music to feel energetic and good about yourself. ! This book will touch on some of the practices that will help you lead your life with confidence. Whether you are at home or at your workplace, you will never again be faced with a situation where you fumbled for words or didn't have the courage to speak for yourself. But that's not all! You'll also receive answers to these burning questions: - What you can do now to begin? - Are your limiting beliefs going to have a major influence on your life? - If you cannot stand up for yourself, who will? - What if I wasn't born with confidence? - What are your standards in life and why do you need to change them? - And much, much more!...

Giving Birth with Confidence is the first and only pregnancy and childbirth guide written by Lamaze International, the leading childbirth education organization in North America. Written with a respectful, positive tone, this book presents: • Information to help you choose your maternity care provider and place of birth • Practical strategies to help you work effectively with your care provider • Information on how pregnancy and birth progress naturally • Steps you can take to alleviate fear and manage pain during labor • The best available medical evidence to help you make informed decisions Previously titled The Official Lamaze Guide, this 3rd edition has updated information on: • How vaginal birth, keeping mother and baby together, and breastfeeding help to build the baby's microbiome. • How hormones naturally start and regulate labor and release endorphins to help alleviate pain. • Maternity-care practices that can disrupt the body's normal functioning. • The latest recommendations on lifestyle issues like alcohol, vitamins, and caffeine. • Room sharing and cosleeping: the controversy, recommendations, and safety guidelines. • Out-of-hospital births are on the rise: New research and advice on planned home birth, including ACOG's revised guidelines, which support women's choices and promote seamless transfer to hospital, if needed. • The importance of avoiding unnecessary caesareans for mother and child. Includes the new ACOG guidelines on inductions and active labor. • The research in support of the Lamaze International's "Six Healthy Birth Practices," which are: • Let labor begin on its own. • Walk, move around, and change positions throughout labor. • Bring a loved one, friend, or doula for continuous support. • Avoid interventions that aren't medically necessary. • Avoid giving birth on your back and follow your body's urges to push. • Keep mother and baby together—it's best for mother, baby, and breastfeeding.

Demonstrates the role of self-esteem in psychological health and presents six action-based practices that provide a foundation for daily life

From Astronaut Abby, the dynamic founder of The Mars Generation, comes a book about dreaming big, reaching for the stars, and making a plan for success! From the age of four, Abigail Harrison knew she wanted to go to space. At age eleven, she sat down and wrote out a plan--not just for how to become an astronaut, but how to be the first astronaut to set foot on Mars. With a degree in biology, internships at NASA, and a national organization founded to help kids reach for the stars themselves, Astronaut Abby is well on her way to achieving her dreams--and she wants to help others do the same! In this book, readers will find helpful advice and practical tips that can help set them on the path toward finding, reaching for, and achieving their goals. With examples from Abby's own life, interactive activities to get readers going, and plenty of fun illustrations along the way, this is the perfect guide for anyone--of any age--with big dreams and plenty of determination. It's time to reach for the stars! Praise for Dream Big!: "With friendly encouragement . . . the content and approach are general enough to appeal both to STEM-oriented fans of the author as well as those whose interests lie in other areas . . . Fun and helpful." --Kirkus Reviews "Any young person who wants to achieve their dreams will find this comprehensive book helpful." --Booklist "The conversational style is easy to understand. . . . There are eye-catching fonts, icons, think bubbles, and callouts. . . . A recommended purchase for middle school and high school libraries. Counselors assisting high schoolers with college preparation and educators teaching leadership classes will find many of the journaling activities very useful." --School Library Journal

All parents want their children to be successful in school, sports, and extracurricular activities. But it's not just about giving your kids praise or setting them on the right direction. Research shows that success is often dependent on mindset. Hard work, perseverance, and effort are all hallmarks of a growth mindset. That's where Mindsets for Parents: Strategies to Encourage Growth Mindsets in Kids comes in. Designed to provide parents with a roadmap for developing a growth mindset home environment, this book's conversational style and real-world examples make the popular mindsets topic approachable and engaging. Unsure of Yourself? Learn How to Develop More Confidence in Your Abilities and Achieve Your Goals Most of us have no problems identifying goals we want to accomplish. It's putting these plans into action that is difficult. Sometimes we lack discipline or motivation. However, there's another reason why you might struggle to make changes in your life – you have low self-efficacy and don't believe in your abilities. What is self-efficacy? What are the main four sources of it? How can you become more confident in your skills? These are some of the questions I'll answer in this short book. The advice you're about to read is based both on scientific research and my personal experience. I will share fundamental knowledge that will help you build more confidence in your abilities and reach your goals. Here are just a few things you will learn from the book: - Five characteristics of people with strong self-efficacy and five characteristics of people with weak self-efficacy. These behaviors determine whether you'll realize your full potential or succumb to mediocrity. - What you can learn from building a university in space (and what it has to do with the belief in your own abilities). It's the single most important thing to achieve bigger and bigger goals. - A simple therapy to teach you how to handle failure the right way. It's uncomfortable, but you can be sure it will kill your fear of failure once and for all. - What a strange study about hitting dolls or treating them kindly can teach you about how others affect your beliefs about your competence. It's the second most effective way to increase the strength of your belief in your abilities. - What a phenomenon discovered by a German industrial psychologist can teach you about motivation. There's a simple way to inspire you to put more effort into your goals. - The #1 key to improving the confidence in your abilities. If you don't have time to read the entire book, read this one tip alone. - What a study on experts and novices can teach you about how experts approach problems. You too can adapt this behavior to shorten your learning curve and develop a stronger belief in your abilities. If you don't actively work on developing a strong sense of self-efficacy, making any kind of changes in your life will be an extremely difficult ordeal. Use These Powerful Techniques to Build Long-Lasting Confidence and Boosting Your Self Esteem! Any person can become confident in any situation by using the tools in this book, because it teaches you how to tackle the problem at its root! You've tried every course in self-confidence that came your way. You've started and stopped a dozen different confidence programs and seminars - in confidence, leadership, public speaking and self-development - perhaps paying hundreds if not thousands of dollars in the process. But the truth is: nothing seems to work, and you don't feel any more confident than when you first started. Not working on your self-confidence and self-esteem has negative consequences in all areas of your life; you do not get the job that you want, the raise that you wish for, or even the date with the woman or man of your dreams. You do not accomplish your dreams because you are afraid - you feel that you are not deserving of all that life has to offer, and you cannot muster the courage to take the action that you know you need to. You are afraid to express yourself in front of others, and live your life in the shadow of others. Low self-esteem is a disease of the mind. It is not real, more often than not, but it stays inside of you and creates a lot of damages to your entire personality. It affects your present and your future. However, that can change, using the tools in this book. The good news is: it is all in your mind! This book contains proven steps and strategies on how to improve your confidence by correcting how your mind works towards yourself - how to give yourself the tools that you need to become confident, in any situation. Becoming confident isn't difficult - but you need the right tools, and someone to guide you along the way. Don't be afraid to take the action steps required of you as presented in this book, and I guarantee that you will notice a considerable change in your life and in your interaction with others. Countless people have attributed their success to their confidence. From fathers to housewives, CEO's to athletes and movie stars, managers and workers - all can hugely benefit from improved confidence that will give them the courage to live their dreams. This book will teach you to solve the problem from the root-your own mind. It is the simple to follow guide to becoming confident. It explains where the problem comes from and why it continues to get worse. You will be presented with easy-to-apply strategies to improve your mental, emotional, and physical states at all times - and change your life for the better. In our world, low self-esteem is a serious epidemic, especially with women. When is the last time you met a woman who felt great about who she was and didn't dislike her own physical traits? Sadly, people who fit this description are very rare. Low self-confidence affects every single aspect of your life, from the way you talk to yourself to how you act in situations. When negative thoughts about ourselves are prevalent, either from other people or ourselves, it ends up taking a serious toll on us. Eventually, too much negativity can give us low self-esteem, reducing our quality of life overall. Without taking action towards becoming healthier, stronger, and more confident women, it's easy to get caught in this never-ending web of negativity and never escape. In the worst case, your low self-confidence can even lead to serious psychological problems like severe depression or anxiety. But this book isn't being written to add to the negativity. This book will be a way to become more aware of who you are as a woman so you can start becoming the confident self you've always dreamed of being.

"In 'Self esteem is the new black', motivational speaker Monique Mays offers practical steps and life lessons on how to become the confident woman you've always wanted to be."--from the back cover.

Taking a brass tacks approach to communication, How to Have Confidence and Power in Dealing With People explains how to interact with others as they really are, not as you would like them to be. The goal is to get what you want from them successfully – be it cooperation, goodwill, love or security. Les Giblin, a recognized expert in the field of human relations, has devised a method for dealing with people that can be used when relating with anyone – parents, teachers, bosses, employees, friends, acquaintances, even strangers. Giblin shows step by step how to get what you want at any time and in ways that leave you feeling good about yourself. Moreover, the people who have given you what you want wind up feeling good about themselves, too. The result? Nobody gets shortchanged. It's a win-win situation. Each chapter includes a handy summary, so there's absolutely no chance of missing the book's key points. You can also use these recaps to refresh your memory after you've finished the book. Instead of feeling miserable about your interpersonal skills, read this best-selling guide and learn to succeed with people in every area of your life.

Of all the judgments you make in life, none is as important as the one you make about yourself. The difference between low self-esteem and high self-esteem is the difference between passivity and action, between failure and success. Named in Tutorful's Best Child Self-Esteem Boosters/Resources 2018 As a teen, it is incredibly important to have self-confidence, especially when you consider societal pressures about appearance and grades. Just growing up is difficult in and of itself, and in the midst of all this life-related stress, you may not be seeing yourself clearly. In fact, you may be magnifying your weaknesses and minimizing—or even ignoring—your true assets. Psychologists believe that low self-esteem is at the root of many emotional problems. When you have healthy self-esteem, you feel good about yourself and see yourself as deserving of the respect of others. When you have low self-esteem, you put little value on your opinions and ideas, and may find yourself fading into the background of life. Without some measure of self-worth, you cannot accomplish your goals. In The Self-Esteem Workbook for Teens, you will learn to develop a healthy, realistic view of yourself that includes honest assessments of your weaknesses and strengths, and you will learn to respect yourself, faults and all. You will also learn the difference between self-esteem and being self-centered, self-absorbed, or selfish. Finally, this book will show you how to distinguish the outer appearance of confidence from the quiet, steady, inner acceptance and humility of true self-esteem. The book also includes practical exercises to help you deal with setbacks and self-doubt, skills for dealing with criticism, and activities that will aid in the development of self-awareness, self-acceptance, and self-worth. With the right amount of self-confidence, you will have the emotional resources you need to reach your goals.
