

Necessary Losses By Judith Viorst

Judith Viorst

Necessary Losses Judith Viorst, 2010-05-11 From grief and mourning to aging and relationships, poet and Redbook contributor Judith Viorst presents a thoughtful and researched study in this examination of love, loss, and letting go. Drawing on psychoanalysis, literature, and personal experience, *Necessary Losses* is a philosophy for understanding and accepting life's inevitabilities. In *Necessary Losses*, Judith Viorst turns her considerable talents to a serious and far-reaching subject: how we grow and change through the losses that are a certain and necessary part of life. She argues persuasively that through the loss of our mothers' protection, the loss of the impossible expectations we bring to relationships, the loss of our younger selves, and the loss of our loved ones through separation and death, we gain deeper perspective, true maturity, and fuller wisdom about life. She has written a book that is both life affirming and life changing.

Necessary Losses Judith Viorst, 2002

Imperfect Control Judith Viorst, 2014-10-21 In her remarkable national bestseller, *Necessary Losses*, Judith Viorst explored how we are shaped by the various losses we experience throughout our lives. Now, in her wise and perceptive new book, *Imperfect Control*, she shows us how our sense of self and all our important relationships are colored by our struggles over control: over wanting it and taking it, loving it and fearing it, and figuring out when the time has come to surrender it. Writing with compassion, acute psychological insight, and a touch of her trademark humor, Viorst invites us to contemplate the limits and possibilities of our control. She shows us how our lives can be shaped by our actions and our choices. She reminds us, too, that we sometimes should choose to let go. And she encourages us to find our own best balance between power and surrender.

Murdering Mr. Monti Judith Viorst, 2016-03-29 "Highly entertaining...Sit back in the bubbles and enjoy." —The Philadelphia Inquirer Brenda Kovner, a newspaper advice columnist and amateur psychologist in 1990s Washington DC, doesn't consider herself intrusive, just extremely interested in helping. If she knows the answer, she can't shut up—even if no one's listening. Since Brenda knows what's best—for everyone—she secretly decides she must murder her son Wally's prospective father-in-law, before he can get to Wally. She has a foolproof plan. In fact, she has a million of them. But first she's got a few kinky desires of her own to satisfy.

I'm Too Young To Be Seventy Judith Viorst, 2007-11-01 The beloved author of *Forever Fifty* and *Suddenly Sixty* tackles the

ins and outs of becoming a septuagenarian with wry good humor. Fans of Viorst's funny, touching, and wise decades poems will love these verses filled with witty advice and reflections on marriage, milestones, and middle-aged children. Viorst explores, among the many other issues of this stage of life, the state of our sex lives and teeth, how we can stay married though thermostatically incompatible, and the joys of grandparenthood and shopping. Readers will nod with rueful recognition when she asks, "Am I required to think of myself as a basically shallow woman because I feel better when my hair looks good?," when she presses a few helpful suggestions on her kids because "they may be middle aged, but they're still my children," and when she graciously—but not too graciously—selects her husband's next mate in a poem deliciously subtitled "If I Should Die Before I Wake, Here's the Wife You Next Should Take." Though Viorst acknowledges she is definitely not a good sport about the fact that she is mortal, her poems are full of the pleasures of life right now, helping us come to terms with the passage of time, encouraging us to keep trying to fix the world, and inviting us to consider "drinking wine, making love, laughing hard, caring hard, and learning a new trick or two as part of our job description at seventy." *I'm Too Young to Be Seventy* is a joy to read and makes a heartwarming gift for anyone who has reached or is soon to reach that—it's not so bad after all—seventh decade.

Necessary Losses Judith Viorst, 1986 This perceptive book should absorb and enrich anyone who admits to being human. Benjamin Spock, M.D. Essayist Judith Viorst, who has humorously eased our journey to middle age, now turns her considerable talents to a more serious and far-reaching subject: how we grow and change through the losses that are an inevitable and necessary part of life. Arguing persuasively that through the loss of our mothers' protection, the loss of the impossible expectations we bring to relationships, the loss of our younger selves, and the loss of our loved ones through separation and death, we gain deeper perspective, true maturity, and fuller wisdom about life, Judith Viorst has written a life-affirming and life-changing book.

Forever Fifty and Other Negotiations Judith Viorst, 1989 Amusing poems written about various aspects of being fifty years old.

Alexander and the terrible, horrible, no good, very bad day Judith Viorst, 2014-09-11 After more than forty years, still the worst day ever! Now a major film starring Steve Carrell, Jennifer Garner and Bella Thorne. Read the inspiration behind the new major film starring Steve Carrell, Jennifer Garner and Bella Thorne. He could tell it was going to be a terrible, horrible, no good, very bad day... He went to sleep with gum in his mouth and woke up with gum in his hair... When he got out of bed, he tripped over his skateboard and by mistake dropped his sweater in the sink while the water was running... What do you do on a day like that? Well, you may think about going to Australia. You may also be glad to find that some days are like that for other people too. This funny and endearing story has delighted readers for more than forty years and is the inspiration behind the upcoming film, starring Jennifer Garner and Steve Carrell.

Grown-Up Marriage Judith Viorst, 2004-02-03 Although marriage is for grown-ups, very few of us are grown up when we marry. Here, the bestselling author of *Suddenly Sixty* and *Necessary Losses* presents her life-affirming perspective on the joys, heartaches, difficulties, and possibilities of a grown-up marriage -- and no, that's not an oxymoron! Featuring interviews with married women and men, the findings of couples therapists, the truths offered by literature and movies, and a bemused exploration of her own marriage, Judith Viorst illuminates the issues couples struggle with from I do through till death do us part. Examining marital rivalry, marital manners, marital sex (extramarital, too), marital fighting and apologies, what kids do for (and to) marriage, and the boredom and bliss of everyday married life, Viorst leaves no marital stone unturned. From the early years when we wonder Who is this person? and What am I doing here? to the realities of divorce, remarriage, and growing older (and old) together, Viorst offers insights and advice with honesty, humanity, and humor -- all the while recognizing how tough it is to be married and, when it works, how very precious it can be.

Alexander and the Wonderful, Marvelous, Excellent, Terrific Ninety Days Judith Viorst, 2007-10-23 Judith Viorst is known and loved by readers of all ages, for children's books such as *Alexander and the Terrible, Horrible, No Good, Very Bad Day*; nonfiction titles, including the bestseller *Necessary Losses*; and her collections of humorous poetry, which make perfect gifts for birthdays, Mother's Day, graduation, Christmas, Chanukah, or at any time of year. Whatever became of Alexander after that famously bad day? And did you know that Judith Viorst is his mother? And what happens to her passion for household neatness and orderliness, her deep devotion to schedules, her compulsive yearning to offer helpful advice when Alexander—now grown up, married, and the father of three—moves his family into his parents' house? What happens is controlled, and sometimes not so controlled, chaos, as lives and routines are turned upside down and the house is overrun with scattered toys, pacifiers, baby bottles, sippy cups, pink-sequined flip-flops, jigsaw puzzles, and fishy crackers. With her characteristic sparkle and wit, Viorst relates her efforts to (graciously) share space, to become (if only a little bit) more flexible, to (sort of) keep her opinions to herself, and even to eventually figure out how to unlock the safety locks of the baby's (expletives deleted) bouncy seat. She describes how she and her husband, while sometimes longing for the former peace and tranquility of unravished rooms and quiet dinners for two unaccompanied by cries of "Oh, yuck!" survived and relished the extended visit of the Alexander Five. She also opens our eyes to the joys of multigenerational family living and to the unexpected opportunities to grow that life presents—even under the most unlikely circumstances. Several generations of readers surely will relate to this funny and loving book, enhanced throughout by Laura Gibson's delightful two-color drawings.

What Are You Glad About? What Are You Mad About? Judith Viorst, 2016-02-09 From the beloved and internationally

bestselling author of *Alexander and the Terrible, Horrible, No Good, Very Bad Day*, Judith Viorst comes a collection of wry and witty poems that touch on every aspect of the roller-coaster ride that is childhood. Did you wake up this morning all smiley inside? Does life taste like ice cream and cake? Or does it seem more like your goldfish just died And your insides are one great big ache? From school to family to friends, from Grrrr to Hooray!, Judith Viorst takes us on a tour of feelings of all kinds in this thoughtful, funny, and charming collection of poetry that's perfect for young readers just learning to sort out their own emotions.

It's Hard to Be Hip Over Thirty Judith Viorst, 2014-10-21 Bringing together some of the best of Judith Viorst's witty and perceptive poetry—and featuring the illustrations from the original edition by John Alcorn—Viorst explores the all-too-true ironies and absurdities of being a woman in the modern world. Whether she's finding herself or finding a sitter, contemplating her sex life as she rubs hormone night cream on her face, or wrestling with the contradiction of falling in love with a man her parents would actually approve of, Viorst transforms the familiar events of daily life into poems that make you laugh with recognition. Here is the young single girl leaving her parents' home for life in the big city ("No I do not believe in free love/And yes I will be home for Sunday dinners"). Here is the aspiring bohemian with an expensive liberal arts education, getting coffee and taking dictation, "Hoping that someday someone will be impressed/With all I know." Here is that married woman, coping with motherhood ("The tricycles are cluttering my foyer/The Pop Tart crumbs are sprinkled on my soul") and fantasy affairs ("I could imagine cryptic conversations, clandestine martinis...and me explaining that long kisses clog my sinuses") and all-too-real family reunions ("Four aunts in pain taking pills/One cousin in analysis taking notes"). And here she is at mid-life, wondering whether a woman who used to wear a "Ban the Bomb" button can find happiness being a person with a set of fondue forks, a fish poacher, and a wok. Every step of the way, *It's Hard to be Hip Over Thirty and Other Tragedies of Married Life* demonstrates once and for all that no one understands American women coming of age like Judith Viorst. **It's Hard to be Hip Over Thirty and Other Tragedies of Married Life* is a reissue of the previous collection originally titled *When Did I Stop Being Twenty and Other Injustices*.
