The Art Of Seduction Robert Greene,2010-09-03 Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

Real Natural Seduction Vincent Vinturi,2013-03-30 Casanova meets Osho. Real Natural Seduction offers an awakened

yet practical approach to becoming a 'natural' with women. - Ari Lee, Dating Coach An actual refreshing take on 'pick up' and seduction. Completely real, genuine and no creepy pickup artist tricks and manipulation. Basically, this book is about how to become an attractive man that women love to be around. And it's dead on. - Allana Castro, The Indie Review **** Have you noticed that there's something terribly wrong about the way men and women today interact? We lie, cheat, manipulate and play games with one another and very few of us have anything close to the kind of choice we want with women... But all of us know at least ONE guy who is totally at ease around women. This is a guy who women LOVE and can't seem to resist... This is a man who is REAL. This is a man who is NATURAL. He seduces the world. His presence is a poetry. His very life is a great, unfolding love affair. And women are magnetically drawn to his charm, mystery and danger. Would you like to awaken this man within you? He's there... Real Natural Seduction is a practical guide to reaching your natural potential as a seducer. No manipulation is necessary. No games are needed. But bring your courage. Bring your beating red heart. Because you're about to embark on a journey into the land of women. And each time you visit, you'll be greeted more warmly, with more open arms waiting for you. This book teaches you how to meet and attract gorgeous women everywhere you go. ...Because gorgeous women are everywhere! In the chapters that flow between practical techniques and important mindsets, you will learn the behaviors and beliefs of a natural seducer and apply them to your life. This isn't a bunch of dorky theory argued about by virgins in online forums. This book rises out of years of experience and experimentation. Including spectacular failures, brilliant trysts, and ceaseless learning to understand this beautiful creature known as woman. And understanding oneself. You will NOT simply learn a bunch of disjointed techniques that attempt to cobble you together into a real man from whatever scraps are lying around. Instead, you will read a principle-based approach to seduction. You will also gain insight into some of seduction's most common issues and sticking points, and learn many counterintuitive answers and solutions that took literally years of field experience to unearth. You'll explore things like: - How To Approach Women - How To Overcome Approach Anxiety - Traits of a Natural Seducer - Managing Expectations - The Venue Illusion - Living An Attractive Lifestyle - Why Acting Aloof is Wrong - How To Avoid Being Put In the Friends Zone - Sexual Escalation - How To Not Run Out of Things To Say - Inner Game vs Outer Game - The Power of Awareness - Why Showing Up Is The Only Prerequisite - Reading Non-Verbal Cues ...and more. This book isn't self-help. It isn't instruction. It is *inspiration*. Although you learn some technical elements of seduction, this book is not mean to give you a prescribed course of action. It's meant to remind you that you must walk your path and create it at the same time. But you cannot walk another man's path. You're not destined for the background. You were put on this earth to play a role written just for you. Step into the foreground where the light, the danger and the glory await you. You owe it to yourself and the women around you to go forth into the world with all your strength, courage and authenticity. To become a beacon of masculine light in a dark sea of lost wussy boys. To become the eye of the feminine hurricane, as it moves around you tempestuously in brilliant flashes of color and sound. It's time to claim

your birth right to flow through this world with amazing women at your side. Women who inspire, excite and amaze you. Women who give you a taste of the divine, and in whose arms you are absolved of every wrong.
