

The Winds Of Winter

A passionate eyewitness account of the mysteries and looming demise of glaciers—and what their fate means for our shared future The ice sheets and glaciers that cover one-tenth of Earth's land surface are in grave peril. High in the Alps, Andes, and Himalaya, once-indomitable glaciers are retreating, even dying. Meanwhile, in Antarctica, thinning glaciers may be unlocking vast quantities of methane stored for millions of years beneath the ice. In *Ice Rivers*, renowned glaciologist Jemma Wadham offers a searing personal account of glaciers and the rapidly unfolding crisis that they—and we—face. Taking readers on a personal journey from Europe and Asia to Antarctica and South America, Wadham introduces majestic glaciers around the globe as individuals—even friends—each with their own unique character and place in their community. She challenges their first appearance as silent, passive, and lifeless, and reveals that glaciers are, in fact, as alive as a forest or soil, teeming with microbial life and deeply connected to almost everything we know. They influence crucial systems on which people depend, from lucrative fisheries to fertile croplands, and represent some of the most sensitive and dynamic parts of our world. Their fate is inescapably entwined with our own, and unless we act to abate the greenhouse warming of our planet the potential consequences are almost unfathomable. A riveting blend of cutting-edge research and tales of encounters with polar bears and survival under the midnight sun, *Ice Rivers* is an unforgettable portrait of—and love letter to—our vanishing icy wildernesses.

Alien meets Psycho with a chilling mystery set on a haunted spaceship in this short story, soon to be an original series on Netflix, by the #1 bestselling author of *A Game of Thrones*.

The perfect read and perfect gift for *Game of Thrones* fans The official, definitive oral history of the blockbuster show from Entertainment Weekly's James Hibberd, endorsed by George R. R. Martin himself (who calls it "an amazing read"), reveals the one *Game of Thrones* tale that has yet to be told: the thirteen-year behind-the-scenes struggle to make the show. *Fire Cannot Kill a Dragon* shares the incredible, thrilling, uncensored story of *Game of Thrones*, from the creators' first meetings with George R. R. Martin and HBO through the series finale, including all the on-camera battles, off-camera efforts, and the many controversies in between. The book also features more than fifty candid new interviews, rare and stunning photos, and unprecedented access to the producers, cast, and crew who took an impossible idea and made it into the biggest show in the world.

A groundbreaking and "wonderful" (Library Journal, starred review) anthology of fantasy, science fiction, and romance from New York Times bestselling and award-winning authors, edited by the acclaimed George R.R. Martin and Gardner Dozois. From epic fantasy, post-apocalyptic America, to faerie-haunted rural fields in 18th-century England, to an intergalactic empire, join star-crossed lovers

as they struggle against the forces of magic and fate. A star-studded cross-genre anthology *Songs of Love and Death* features all-original tales from seventeen of the most prestigious names in romance, fantasy, and science fiction. Contributors include: -Neil Gaiman -Diana Gabaldon -Jim Butcher -Robin Hobb -Marjorie M. Liu -Jo Beverley -Mary Jo Putney -Peter S. Beagle -Jacqueline Carey -Carrie Vaughn -Yasmine Galenorn -MLN Hanover -Kristine Kathryn Rusch -Linnea Sinclair -Cecelia Holland -Tanith Lee -Melinda Snodgrass -Lisa Tuttle

The Winds of WinterVoyager

"The ethics in a world of blood are gray--and an underground strata of blood magicians has been engineering disasters for centuries in order to acquire enough fuel for their spells. They are not good people. Some practitioners, however, use the Words and a swipe of the blade to cast simpler spells, such as Charms and Cantrips to gas up one dollar bills so they appear to be twenty dollar bills. Lem Vonnegan and his sidekick Mags fall into this level of mage, hustlers and con men all. Lem tries to be ethical by using only his own blood, by not using Bleeders or "volunteers." But it makes life hard. Soon they might have to get honest work. When the pair encounters a girl who's been kidnapped and marked up with magic runes for a ritual spell, it's clear they're in over their heads. Turning to Lem's estranged master for help, they are told that not only is the girl's life all but forfeit, but that the world's preeminent mage, Mika Renar, has earth-shattering plans for her-- and Lem just got in the way. With the fate of the world on the line, and Lem both spooked and intrigued by the mysterious girl, the other nominates him to become the huckleberry who'll take down Renar. But even if he, Mags, and the simpletons who follow him prevail, they're dealing with the kind of power that doesn't understand defeat, or mercy."--Amazon.com

The sixth book in George R. R. Martin's critically acclaimed, world wide best-selling series *A SONG OF ICE AND FIRE* - the inspiration behind HBO's *GAME OF THRONES*. 'An absorbing, exciting read ... Martin's style is so vivid that you will be hooked within a few pages' The Times

The uneasy peace that exists following the death of Robb Stark is threatened by new plots, intrigues, and alliances that once again will plunge the Seven Kingdoms into all-out war for control of the Iron Throne.

The USA Today bestselling and Edgar Award-winning author of *Never Look Back* and *If I Die Tonight* plumbs the dark side of justice and the depths of diabolical revenge in this propulsive novel of psychological suspense that melds the driving narrative of *Then She Was Gone* with the breathtaking twists of *The Chain* and the violent fury of *Kill Bill*. "Alison Gaylin's *The Collective* is an astonishing feat. In the tradition of Ira Levin's unforgettable social thrillers (*Rosemary's Baby*, *Stepford Wives*), it's a nerve-shredding, emotionally harrowing ride that also speaks volumes about our current moment, the dangers of our digital world, the potency of female rage. Don't miss it." —Megan Abbott Just how far will a grieving mother go to right a tragic wrong? Camille Gardener is a grieving—and angry—mother who, five years after her daughter's death, is still obsessed with the privileged young man she believes to be responsible. When her rash actions draw the attention of a secret group of women—the collective—Camille is drawn into a dark web where these mothers share their wildly different stories of loss as well as their desire for justice in a world where privilege denies accountability.

Fueled by mutual rage, the collective members devise and act out retribution fantasies via precise, anonymous, highly coordinated revenge killings. As Camille struggles to comprehend whether this is a role-playing exercise or terrifying reality, she must decide if these women are truly avenging angels or monsters. Becoming more deeply enmeshed in the group, Camille learns truths about the collective—and about herself—that she may not be able to survive. In *Silvertown*, John le Carré turns his focus to the world that occupied his writing for the past sixty years—the secret world itself. Julian Lawndesley has renounced his high-flying job in the City for a simpler life running a bookshop in a small English seaside town. But only a couple of months into his new career, Julian's evening is disrupted by a visitor. Edward, a Polish émigré living in *Silvertown*, the big house on the edge of town, seems to know a lot about Julian's family and is rather too interested in the inner workings of his modest new enterprise. When a letter turns up at the door of a spy chief in London warning him of a dangerous leak, the investigations lead him to this quiet town by the sea . . . *Silvertown* is the mesmerizing story of an encounter between innocence and experience and between public duty and private morals. In this last complete masterwork from the greatest chronicler of our age, John le Carré asks what you owe to your country when you no longer recognize it.

The ultimate, definitive companion to the biggest TV series in the world - *Game of Thrones* _____ Delve deeper into Westeros than ever before. Covering all eight seasons, this remarkable volume offers a unique and exciting visual exploration of the world of *Game of Thrones*. In two parts, the book follows the story of the South, where kings and queens battle for the Iron Throne, and of the North, where the White Walkers and their army of the dead gather. Filled with bold infographics, illuminating timelines, stunning photography, and insightful essays, this essential guide celebrates the many complexities of this extraordinary world.

Follows the adventures of Paul Atreides, the son of a betrayed duke given up for dead on a treacherous desert planet and adopted by its fierce, nomadic people, who help him unravel his most unexpected destiny.

The perfect gift for fans of HBO's *Game of Thrones*—a boxed set featuring the first four novels! George R. R. Martin's *A Song of Ice and Fire* series has become, in many ways, the gold standard for modern epic fantasy. Martin—dubbed the "American Tolkien" by *Time* magazine—has created a world that is as rich and vital as any piece of historical fiction, set in an age of knights and chivalry and filled with a plethora of fascinating, multidimensional characters that you love, hate to love, or love to hate as they struggle for control of a divided kingdom. This bundle includes the following novels: *A GAME OF THRONES* *A CLASH OF KINGS* *A STORM OF SWORDS* *A FEAST FOR CROWS*

Soon to be a show on Hulu! *Texas Hold'em: A Wild Cards Novel* is an adventure in the bestselling shared-universe science fiction superhero series, edited by #1 New York Times bestselling author George R. R. Martin. San Antonio, home of the Alamo, is also host to the nation's top high school jazz competition, and the musicians at Xavier Desmond High are excited to outplay their rivals. They are also jokers, kids with strange abilities and even stranger looks. On top of that, well, they are teenagers, apt for mischief, mishaps, and romantic misunderstandings. Michelle Pond, aka *The Amazing Bubbles*, thinks that her superhero (and supermom) know-how has prepared her to chaperone the event. But when her students start going wayward, she'll soon discover the true meaning of "Don't mess with Texas." *Texas Hold'em* features the writing talents of David Anthony Durham (*Acacia Trilogy*), Max Gladstone (the *Craft Sequence*), Victor Milan (*Dinosaur Lords* series), Diana Rowland (*Kara Gillian and White Trash Zombie* series), Walton Simons, Caroline Spector and William F. Wu. Rights to develop *Wild Cards* have been acquired by Universal Cable Productions, the team behind *The Magicians* and *Mr. Robot*, with the co-editor of *Wild Cards*, Melinda Snodgrass, as executive producer. New threats emerge to endanger the future of the Seven Kingdoms, as Daenerys Targaryen, ruling in the East, fights off a multitude of enemies, while Jon Snow, Lord Commander of the Night's Watch, faces his foes both in the Watch and beyond the great Wall of ice and stone. With 50,000 copies sold of *The Republic of Thieves* and with praise from the likes of Joe Abercrombie and George RR Martin the saga of the Gentleman Bastard has become a favourite and key part of the fantasy landscape. And now Locke Lamora, thief, con-man, pirate, political deceiver must become a soldier. A new chapter for Locke and Jean and finally the war that has been brewing in the Kingdom of the Marrows flares up and threatens to capture all in its flames. And all the while Locke must try to deal with the disturbing rumours about his past revealed in *The Republic of Thieves*. Fighting a war when you don't know the truth of right and wrong is one thing. Fighting a war when you don't know the truth of yourself is quite another. Particularly when you've never been that good with a sword anyway...

HBO's hit series *A GAME OF THRONES* is based on George R.R. Martin's internationally bestselling series *A SONG OF ICE AND FIRE*, the greatest fantasy epic of the modern age. Beyond the Wall, Jon Snow's Night's Watch is riven by treachery, enemies both mortal and supernatural are massing, while in the North the combatants at Winterfell are engulfed by the worst winter snows ever seen. In King's Landing Cersei Lannister finds herself abandoned by everyone she trusts. Her brother Tyrion, having fled a death sentence, is making his way ever east towards Meereen, where Daenerys Targaryen struggles to rule a city full of death. The rise of Daenerys is known to many in Westeros now. From the Iron Islands and Dorne, Oldtown and the Free Cities, emissaries are converging to join her cause or to use her, and her dragons, for their own ends. The future of the Seven Kingdoms hangs in the balance. The great dance is beginning...

Documents the 1952 Coast Guard mission to save the crews of two oil tankers that were torn in half by the force of one of New England's worst nor'easters.

An indolent college student creates a chaotic fictional world in this classic of Irish literature: "A marvel of imagination, language, and humor" (New Republic). In this comic masterpiece, our unnamed narrator—a student at University College, Dublin, who spends more time drinking and working on his novel than attending classes—creates a character, a pub owner named Trellis, who himself is devoted mainly to writing and sleeping. Soon Trellis is collaborating with an author of cowboy romances, and from there unspools a brilliantly unpredictable adventure that James Joyce himself called "a really funny book." "'Tis the odd joke of modern Irish literature—of the three novelists in its holy trinity, James Joyce, Samuel Beckett and Flann O'Brien, the easiest and most accessible of the lot is O'Brien. . . . Flann O'Brien was too much his own man, Ireland's man, to speak in any but his own tongue." —The Washington Post "As with Scott Fitzgerald, there is a brilliant ease in [O'Brien's] prose, a poignant grace glimmering off every page." —John Updike "One of the best books of our century." —Graham Greene

Long before *A Game of Thrones* became an international phenomenon, #1 New York Times bestselling author George R. R. Martin had taken his loyal readers across the cosmos. Now back in print after almost ten years, *Tuf Voyaging* is the story of quirky and endearing Haviland Tuf, an unlikely hero just trying to do right by the galaxy, one planet at a time. Haviland Tuf is an honest space-trader who likes cats. So how is it that, in competition with the worst villains the universe has to offer, he's become the proud owner of a seedship, the last remnant of Earth's legendary Ecological Engineering Corps? Never mind; just be thankful that the most powerful weapon in human space is in good hands—hands which now have the godlike ability to control the genetic material of thousands of outlandish creatures. Armed with this unique equipment, Tuf is set to tackle the problems that human settlers have created in colonizing far-flung worlds: hosts of hostile monsters, a population hooked on procreation, a dictator who unleashes plagues to get his own way . . . and in every case, the only thing that stands between the colonists and disaster is Tuf's ingenuity—and his reputation as a man of integrity in a universe of rogues. "A rich blend of adventure, humor, compassion and all the other things that make being human worthwhile."—*Analog* "A new facet of Martin's many-sided talent."—*Asimov's*

George R. R. Martin is the author of *A Song of Ice and Fire* - one of the most successful and beloved fantasy series ever written. With a dedicated fan base clamouring for new material, this calendar is a 'timely' addition to a franchise that has continued to grow with each passing year. Stunning full-colour paintings depict the characters and world of *A Song of Ice and Fire*.

From Harvard's legendary humor publication comes an outrageous, uproariously funny parody of *Game of Thrones*, in the tradition of their previous bestselling parody book classics *Bored of the Rings*, *Nightlight*, and *The Hunger Pains*. An affectionate but take-no-prisoners send-up of the massive literary and television franchise, *Lame of Thrones* offers fans a way of reentering the fictional world they have come to love and merrily explodes all of its conventions -- as well as their expectations of the characters -- to hilarious ends. It may even leave you more satisfied than the actual TV ending of *Game of Thrones*. In fact, if it doesn't the *Lampoon* has really dropped the ball. *Lame of Thrones* will take you to Westopolis, where several extremely attractive egomaniacs are vying to be ruler of the realm and sit on the Pointy Chair. Our hero Jon Dough was a likely bet, but his untimely murder at the hands of his own men of the Night's Crotch has made that seem less likely. Will Dragon Queen Dennys Grandslam escape from her Clothkhaki captors and return to conquer the world? Or will she just get left in the desert counting grains of sand for the rest of the book? And what about Jon Dough's siblings? Will they be mentioned? Probably? Almost definitely, yes? It would be weird if they weren't prominent characters in the book, you say? To find out, read the book you wish George R.R. Martin would write but never will. The *Lampoon* -- the place where such comedy writers and performers as Conan O'Brien, Colin Jost, B.J. Novak, Patricia Marx, Alan Yang, Andy Borowitz and many more all got their start -- is ready to serve parody notice to the most entertaining, infuriating, and inescapable cultural phenomenon of the past decade.

Mexican Gothic meets Rebecca in this debut supernatural suspense novel, set in the aftermath of the Mexican War of Independence, about a remote house, a sinister haunting, and the woman pulled into their clutches... In the overthrow of the Mexican

government, Beatriz's father is executed and her home destroyed. When handsome Don Rodolfo Solórzano proposes, Beatriz ignores the rumors surrounding his first wife's sudden demise, choosing instead to seize the security his estate in the countryside provides. She will have her own home again, no matter the cost. But Hacienda San Isidro is not the sanctuary she imagined. When Rodolfo returns to work in the capital, visions and voices invade Beatriz's sleep. The weight of invisible eyes follows her every move. Rodolfo's sister, Juana, scoffs at Beatriz's fears--but why does she refuse to enter the house at night? Why does the cook burn copal incense at the edge of the kitchen and mark its doorway with strange symbols? What really happened to the first Doña Solórzano? Beatriz only knows two things for certain: Something is wrong with the hacienda. And no one there will help her. Desperate for help, she clings to the young priest, Padre Andrés, as an ally. No ordinary priest, Andrés will have to rely on his skills as a witch to battle the malevolent presence haunting the hacienda. Far from a refuge, San Isidro may be Beatriz's doom.

This is the tale of Earl Dumarest. Space-wanderer, gladiator-for-hire, seeker of Man's forgotten home. Dumarest's search begins on the ghost-world of Gath, where he becomes unwilling champion of the Matriarch of Kund, and must undergo a fight-to-the-death at stormtime. Victory could give Dumarest his first clue to the whereabouts of the planet he fled from as a child - an obscure world scarred by ancient wars, which lies countless light years from the thickly populated centre of the galaxy; a world no-one else in the inhabited universe believed exists. Earth, the birthplace of Man. (First published 1967)

In his first full-length autobiography, comedy legend and national treasure Billy Connolly reveals the truth behind his windswept and interesting life. Born in a tenement flat in Glasgow in 1942, orphaned by the age of 4, and a survivor of appalling abuse at the hands of his own family, Billy's life is a remarkable story of success against all the odds. Billy found his escape first as an apprentice welder in the shipyards of the River Clyde. Later he became a folk musician - a 'rambling man' - with a genuine talent for playing the banjo. But it was his ability to spin stories, tell jokes and hold an audience in the palm of his hand that truly set him apart. As a young comedian Billy broke all the rules. He was fearless and outspoken - willing to call out hypocrisy wherever he saw it. But his stand-up was full of warmth, humility and silliness too. His startling, hairy 'glam-rock' stage appearance - wearing leotards, scissor suits and banana boots - only added to his appeal. It was an appearance on Michael Parkinson's chat show in 1975 - and one outrageous story in particular - that catapulted Billy from cult hero to national star. TV shows, documentaries, international fame and award-winning Hollywood movies followed. Billy's pitch-perfect stand-up comedy kept coming too - for over 50 years, in fact - until a double diagnosis of cancer and Parkinson's Disease brought his remarkable live performances to an end. Since then he has continued making TV shows, creating extraordinary drawings... and writing. Windswept and Interesting is Billy's story in his own words. It is joyfully funny - stuffed full of hard-earned wisdom as well as countless digressions on fishing, farting and the joys of dancing naked. It is an unforgettable, life-affirming

story of a true comedy legend. 'I didn't know I was Windswept and Interesting until somebody told me. It was a friend who was startlingly exotic himself. He'd just come back from Kashmir and was all billowy shirt and Indian beads. I had long hair and a beard and was swishing around in electric blue flairs. He said: "Look at you - all windswept and interesting!" I just said: "Exactly!" After that, I simply had to maintain my reputation...'

Druidic prophecies, a galactic space adventure, a cabin of horrific secrets - and a mysterious white cat that seems to walk through the very stories themselves. Whether you're in the mood for a fantastic adventure, an edge-of-your-seat horror tale or a budding romance, Winds of Winter is the perfect read for this holiday season - a gift for being wonderful readers. If you'd like to support us, we're donating 100% of the proceeds to SaveACat.org! Enjoy these 16 multi-genre short stories including: Grandpa never let them use the cabin after Christmas. And some rules are best not broken. Jeff Bacon - Christmas Wrath (Horror) When Doris, the family's black sheep loses her grandmother's diamonds, she's sure they'll never want to see her again. Louisa M. Bauman - The Mad Girl (Coming of Age) Prophecy demands Gage have absolute dominion over his Druidic powers, but his inner demons are putting everything at risk. Corina Douglas - Rising from the Ashes (Fairytale, Folklore & Myths) It's just an ordinary game day for a weary non-player character...until something opens the rift. Paris Hansch - An NPC's Christmas (GameLit) Cursed as a cat for 99 years, an immortal Fiend Hunter must re-evaluate his relationship with a nemesis. Laura Hawthorne - Lost Among Snowflakes (Fantasy) Hannah wanted direction. What she ended up with could change her future forever... H.R. Hobbs - The Blue Pendant (SciFi Adventure) He'd found the girl of his dreams, then a cat got in the way. Reen Jones - Candy Girl (Horror) Trapped in a mountain snow storm one family makes the best of their isolation, and a legend is born. Tasche Laine - The Legend of the Glass Stars (Contemp. Fic.) Will a prejudice rant send Sasha's new interest running? Nola Li Barr - Sasha (Romance) A secret, a brotherhood, a father's sin. What will Prince Thutmose do when he takes the crown? Lauren Lee Merewether - King's Jubilee (Hist. Fic.) Mirror, mirror, on the wall, who's the ugliest of them all? Joy Monette - The Girl in the Mirror (Contemp. Fic.) Can a telepathic cat and her mistress solve a robbery and welcome the culprit into town? Wendy Pollard - Trouble in Winter Paradise (Cozy Mystery) Though they were partly human, the differences were too great. He would never be one of them. Leigh Roberts - The Outsider (Fantasy, Myths & Legends) Kevin is about to take on the galaxy until his little sister makes an outrageous request... A.L. Rugova - The Lost Tradition (SciFi Dystopian) A winter menace reigns terror on mice, but can it stand against their new champion? Alicia Scarborough - Crimson Eyes (Urban Fantasy Poetry) She wakes up after dying for the eighth time...but now she must fight to the death to release her true form. Qatarina Wanders - Ninth Life (Dark Urban Fantasy) Cozy up by the fire and join us on a journey through 16 amazing worlds this holiday season. Scroll up and grab it now!

"Water is the most every day of substances. It pours from our taps and falls from the sky. We drink it, wash with it, and couldn't live without it. Yet, on closer examination it is also a very strange substance (it is one of only a very small number of molecules which expand when cooled). Look closer again and water reveals itself as a key to a scientific story on the biggest of canvases. Water is crucial to our survival - life depends on it - but it was also fundamental in the origins of life on Earth. The millions of gallons of water which make up our rivers, lakes and oceans, originated in outer space. How it arrived here and how those molecules of water were formed, is a story which takes us back to the beginning of the universe. Indeed, we know more about the depths of space than we do about the furthest reaches of the oceans. Water has also shaped the world we live in. Whether it is by gently carving the Grand Canyon over millennia, or in shaping how civilisations were built; we have settled our cities along rivers and coasts. Scientific studies show how we feel calmer and more relaxed when next to water. We holiday by the seas and lakes. Yet one day soon wars may be fought over access to water. The Water Book will change the way you look at water. After reading it you will be able to hold a glass of water up to the light and see within it a strange molecule that connects you to the origins of life, the birth (and death) of the universe, and to everyone who ever lived."--From publisher.

An alien biological weapon was accidentally detonated over New York City, killing countless numbers of people. Those who survived, soon began to wish they had died once they discovered that they had been forever mutated by the virus unleashed in the blast. In this all-new collection of Wild Cards stories, the spotlight is on the most unusual Wild Cards of them all--the Deuces. Their role in the Wild Cards Universe is just as important as that of the Aces and the Jokers. In fact, their actions have affected the course of Wild Cards history.

Leodan Akaran, the ruler of an idyllic empire, hides the dark realities of their prosperity from his children, until an assassin from the Mein, a race exiled to a stronghold in the north, strikes him down and frees his children.

Now optioned as a TV series for HBO, with executive producer George R. R. Martin! An award-winning literary author enters the world of magical realism with her World Fantasy Award-winning novel of a remarkable woman in post-apocalyptic Africa. In a post-apocalyptic Africa, the world has changed in many ways; yet in one region genocide between tribes still bloodies the land. A woman who has survived the annihilation of her village and a terrible rape by an enemy general wanders into the desert, hoping to die. Instead, she gives birth to an angry baby girl with hair and skin the color of sand. Gripped by the certainty that her daughter is different—special—she names her Onyesonwu, which means "Who fears death?" in an ancient language. It doesn't take long for Onye to understand that she is physically and socially marked by the circumstances of her conception. She is Ewu—a child of rape who is expected to live a life of violence, a half-breed rejected by her community. But Onye is not the average Ewu. Even as a child, she manifests the beginnings of a remarkable and unique magic. As

she grows, so do her abilities, and during an inadvertent visit to the spirit realm, she learns something terrifying: someone powerful is trying to kill her. Desperate to elude her would-be murderer and to understand her own nature, she embarks on a journey in which she grapples with nature, tradition, history, true love, and the spiritual mysteries of her culture, and ultimately learns why she was given the name she bears: Who Fears Death.

"Revealing, inspiring and funny. This book is a joy to romp through, which is good, because its final chapter is the important truth we all need to hear and understand if we are to survive this mess we've made" - Chris Packham "I found Manifesto enthralling, thought-provoking and I learnt so much from it. Nor had I any idea that we had our own Archimedes living in The Cotswolds." - Jilly Cooper How one maverick entrepreneur took on UK energy... and won. Dale Vince never intended to start a business. Driven by a passion for sustainability, he left school aged 15 and became a New Age traveller, living for free in a wind-powered double decker bus. But after building his first wind turbine, he realised that to change the world he needed to be on the grid, not off it. In 1996 he founded green energy company Ecotricity based on principles of social, financial and environmental sustainability, and changed the landscape of UK energy forever. Since then, Dale has been appointed a UN ambassador for climate issues, become the owner of the first ever vegan football club, and amassed a fortune of over £120 million built on sustainability. He has also been a vocal supporter of Extinction Rebellion which, like Ecotricity, is based in Stroud. In this book, he shares his single-minded and uniquely purpose-orientated approach to business, with lessons learned from experience that will speak to any fledgling entrepreneur. This is the story of a man whose unwavering mission to help save the environment has driven him all the way to the top, and a powerful manifesto for anyone who wants to change the world.

Set 300 years before the events in A Song of Ice and Fire, FIRE AND BLOOD is the definitive history of the Targaryens in Westeros as told by Archmaester Gyldayn, and chronicles the conquest that united the Seven Kingdoms under Targaryen rule through to the Dance of the Dragons: the Targaryen civil war that nearly ended their dynasty forever.

NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All

are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

“The best novel concerning the American pop music culture of the sixties I’ve ever read.”—Stephen King From #1 New York Times bestselling author George R. R. Martin comes the ultimate novel of revolution, rock ‘n’ roll, and apocalyptic murder—a stunning work of fiction that portrays not just the end of an era, but the end of the world as we know it. Onetime underground journalist Sandy Blair has come a long way from his radical roots in the ‘60s—until something unexpectedly draws him back: the bizarre and brutal murder of a rock promoter who made millions with a band called the Nazgûl. Now, as Sandy sets out to investigate the crime, he finds himself drawn back into his own past—a magical mystery tour of the pent-up passions of his generation. For a new messiah has resurrected the Nazgûl and the mad new rhythm may be more than anyone bargained for—a requiem of demonism, mind control, and death, whose apocalyptic tune only Sandy may be able to change in time . . . before everyone follows the beat. “The wilder aspects of the ‘60s . . . roar back to life in this hallucinatory story by a master of chilling suspense.”—Publishers Weekly “What a story, full of nostalgia and endless excitement. . . . It’s taut, tense, and moves like lightning.”—Tony Hillerman “Daring . . . a knowing, wistful appraisal of . . . a crucial American generation.”—Chicago Sun-Times “Moving . . . comic . . . eerie . . . really and truly a walk down memory lane.”—The Washington Post Cold winds rise in the North, and winter has finally fallen over Westeros. Jon Snow, Lord Commander of the Wall, has been betrayed. Stannis Baratheon fights a desperate war against the ruthless Boltons. Cersei Lannister is surrounded by fanatics in King’s Landing. In Essos, Meereen is on the verge on collapse, as slaver armies siege the city’s walls. The many wars have taken their toll, and few are prepared for the coming storm. As battles rage across the known world, the ancient Others continue their southern march, bringing with them a vast host of the dead. The chaos rages on in *The Winds of Winter*. *This is a preview collection of the released chapters of *The Winds of Winter**

The Ice Dragon is an enchanting tale of courage and sacrifice for young readers and adults by the wildly popular author of the #1 New York Times bestselling *Song of Ice and Fire* series, George R.R. Martin. Lavish illustrations by acclaimed artist Luis Royo enrich this captivating and heartwarming story of a young girl and her dragon. In the world of *A Song of Ice and Fire* the ice dragon was a creature of legend and fear, for no man had ever tamed one. When it flew overhead, it left in its wake desolate cold and frozen land. But Adara was not afraid. For Adara was a winter child, born during the worst freeze that anyone, even the Old Ones, could remember. Adara could not remember the first time she had seen the ice dragon. It seemed that it had always been in her life, glimpsed from afar as she played in the frigid snow long after the other children had fled the cold. In her fourth year she touched it, and in her fifth year she rode upon its broad, chilled back for the first time. Then, in her seventh year, on a calm summer day, fiery dragons from the North swooped down upon the peaceful farm that was Adara’s home. And only a winter child—and the ice dragon who loved her—could save her world from utter destruction. This new edition of *The Ice Dragon* is sure to become a collector’s item for fans of HBO’s megahit *Game of Thrones*. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

Soon to be a show on Hulu! Rights to develop *Wild Cards* have been acquired by Universal Cable Productions, the team behind *The Magicians* and *Mr. Robot*, with the co-editor of *Wild Cards*, Melinda Snodgrass, as executive producer. In this biting satirical companion novel to the *Wild Cards* title *Inside Straight*, American Hero combines two quintessentially pop culture phenomena: superheroes and reality TV. American Hero, the nation’s most highly anticipated

competition show, kicks off its first season! People with incredible powers – from possessing death-defying healing to transforming into an insect swarm to shifting the earth itself – have been selected from all walks of life. Their goal: to win one million dollars and the admiration of millions more viewers by answering one question, “Do you have what it takes to be the next American Hero?” Contains week-by-week action-packed recaps and no-holds-bars contestant confessionals, all edited by New York Times #1 bestselling author George R. R. Martin. Features writing by Martin as well as Carrie Vaughn, Melinda M. Snodgrass, Walter Jon Williams, Victor Milan, Daniel Abraham, Stephen Leigh, and many more of the genre's most innovative writers. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A powerful collection of stories about women who murdered—for revenge, for love, and even for pleasure—rife with historical details that will have any true crime junkie on the edge of their seat. In every tragic story, men are expected to be the killers. There are countless studies and works of art made about male violence. However, when women are featured in stories about murder, they are rarely portrayed as predators. They're the prey. This common dynamic is one of the reasons that women are so enthralled by female murderers. They do the things that women aren't supposed to do and live the lives that women aren't supposed to want: lives that are impulsive and angry and messy and inconvenient. Maybe we feel bad about loving them, but we eat it up just the same. Residing squarely in the middle of a Venn diagram of feminism and true crime, *She Kills Me* tells the story of 40 women who murdered out of necessity, fear, revenge, and even for pleasure.
